It is with considerable pride that we have been the advertising sponsor for Campus Lights since its beginning. From the first night through the war years and to the present time we have occupied this first page. We are proud of the fact that we have had this association through the years with those who have labored to make this event possible.

To those of former years who have contributed to the success of this production, and to those who carry on so faithfully today . . .

# CAMPUS LIGHTS

*The campus lights come gleaming one by one  
From out the dim recesses of our minds,  
And each one lights a scene of yesterday,  
A scene that really was, or might have been.  
And in each scene we see ourselves go by.  
We catch a glimpse of laughs, of sighs, of tears.  
And e'er this fleeting dream is gone, we fill  
Our minds with memories that never die . . . .*

*Our vision fades. The campus lights grow dim,  
Our hands reach out to grasp and hold each scene,  
That passes, never to return except  
In fleeting dreams of cherished yesterdays.  
Our days of laughs and sighs and tears are gone.  
Guarded with jealous care through passing years  
We keep a golden shrine of memory  
Safe locked within a treasure-house of dreams.*
