Notes

- In making the above estimates, I have taken for granted that the income and outgo of the following activities would about balance.
 - Extension Courses including extension centers and correspondence courses.
 - Book Store
 - Women's Dormitory including cafeteria, dining room and all care of the same.
- In estimating the amount for fuel, light and water it is simply a guess. The present cost amounted to about \$2400.00. I estimated the cost for next year to be five times as great. The amount of heat and service is even greater.
- I made an estimate of \$30,000.00 additional for salaries for faculty. This is intended to take care of both the increase in number of students and the extension of the course to four years. If the increase of students is comparable at all with the increase of this year over last year this estimate may be too low.
- If the budget stands as indicated above, we would have used from maintenance fund the following amounts during last two years for permanent investments--buildings, equipment and grounds:

Administration Bldg.	\$19,000.00
Wells Hall	109,000.00
Equipment & Grounds (1924-25)	2,010.00
Equipment & Grounds (1925-26)	<u>5,044.00</u>

Total

\$135,054.00

Budget received and held for further consideration.

President's Report.

Murray, Kentucky,
June 19, 1925.

Members of Board of Regents,
Murray, Kentucky.

Honorable Members:

I submit the following for your information and consideration:

Enrollment Summer School.

The enrollment for the first term of the summer school is 471. This is almost double the enrollment anticipated. Of those in attendance, 161 are high school students and 310 college. Seventeen counties are represented in Kentucky and three in Tennessee.

The enrollment for the first six weeks of summer session is 263; for the twelve weeks 208. A number of those attending first half of summer session may continue the last half also, but the exact number is not known.

Additional Teachers.

The large enrollment and the fact that the Board gave direction for Mr. E. H. Smith to go into the field made it necessary to add to the teaching staff.

I, therefore, recommend that Mr. J. M. Calvin, A. M., Peabody College, be employed for the entire summer session, salary rate of \$200.00 per calendar month, effective June 9, 1925.

The following persons are employed as substitute teachers at \$1.75 per recitation:

Miss Maryleona Bishop, A. B., Georgetown - 18 hrs. per week.

Miss Ruth Houston, B. S., Peabody - 14 hrs. per week.

Mr. W. J. Gibson, student but a high school principal and teacher of several years experience - two classes first year algebra - 10 hrs. per week.

As we may not need these substitutes the last term of summer school, I recommend that they be continued as substitute teachers.

Annual Meeting N. E. A.

The Annual Meeting of the National Education Association will be held in Indianapolis, Indiana, June 28 to July 4. I request permission to attend this association.

Vacations

I recommend that my secretaries each be allowed three weeks with full pay, the time to be arranged by the President.

I feel that I am sorely in need of a vacation. If this Board can see when and how I can have a vacation, please indicate it.

Four Years College Course.

Am I authorized to announce officially, a four year college prior to the official adoption of such a course by this Board?

Owing to my illness and the closing of one session and the opening of another, there has been a delay in the preparation of the course. The faculty is at work on the course and I shall give it precedence as soon as I am able for full work.

Respectfully submitted,

J. W. Carr, President.

Report received, ordered made a part of the records and the recommendations considered separately.

Moved by Mr. Thomas, seconded by Mr. Stokes, That the action of the President in reference to the employment of teachers and substitutes for summer school be approved. Carried.

✓ Moved by Mr. Wilson, seconded by Mrs. Lovett, That the President be granted permission to attend the National Education Association to be held at Indianapolis, Indiana June 28 to July 4, and that his necessary expenses be allowed out of traveling expenses. Carried.

Moved by Mr. Stokes, seconded by Mr. Wilson, That the President be authorized to grant vacations to his secretary and assistant secretary for a period of three weeks without loss of salary, the time of the vacation to be determined by the President. Carried.

✓ Moved by Mr. Stokes, seconded by Mr. Thomas, That the President be granted a vacation with pay for a period not to exceed four weeks, the exact time to be determined by the President. Carried.

Course of Study.

✓ The Board requests the Executive Council to prepare a four year college course of study and to submit same to the Board at an early date.

Moved by Mr. Thomas, seconded by Mr. Stokes, That when the Board adjourns it adjourn to meet Thursday, June 25 at 9:30 A. M. to consider the course of study and transact any other business which may come before the Board. Carried.

Certain Bids Returned.

All bids received on cafeteria equipment after 10 o'clock June 18 were ordered returned to the bidder unopened with the explanation that they were received too late for consideration.

Report of Committee on Certification and Graduation.

June 18, 1925.

To the Board of Regents,
Murray, State Normal School:
