There was considerable discussion about the proper location, the size, and plans and specifications for a vault for the Registrar's office.

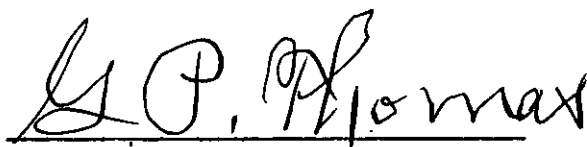

Mr. Wilson made a motion, which was seconded by Mr. Ordway, that Mr. C. H. Lockett be instructed to draw plans and specifications for a vault, on the basis of two per cent of the contract price, with the privilege of bidding on the installation of the vault, and that these plans and specifications be presented to the Board of Regents for discussion on August 29, 1929. *Certificate of Roberta Jones

It appears from the minutes of August 10, 1928 that Miss Roberta Jones was recommended for extension of her standard certificate for life and that, after this recommendation was made, it was discovered that three years had not elapsed since the certificate was issued. For that reason, it was thought advisable to wait until the expiration of the three years before the certificate should be renewed for life, and the Committee recommends for action and approval of the Board of Regents on this date, that said certificate be now extended for life and that extension of August 10, 1928 be cancelled and that the extension date from this date.

Adjournment

Motion was made by Mr. Wilson, and seconded by Mr. Thomas, that the Board adjourn to meet again Thursday, August 29, 1929. The roll was called upon the adoption of this motion with all members voting, "Aye".
