MINUTES OF THE BOARD OF REGENTSMURRAY STATE NORMAL SCHOOL AND TEACHERS COLLEGE

April 7, 1930

The Board of Regents of the Murray State Normal School and Teachers College met in the office of the President Monday, April 7, 1930, with the following members present: Mrs. William H. Mason, Mr. G. P. Ordway, Mr. Claude T. Winslow, Mr. S. J. Snook and Mr. W. C. Bell.

Classification of the Faculty

President Wells presented to the Board of Regents the question of the classification of the faculty as to rank. He advised the Board that on account of the age of the institution no previous Board had ever considered the question of granting a rank to any member of the faculty of the institution. He recommended that the Board give this its consideration and give to the faculty members their respective ranks, based upon the academic and professional training together with experience at other institutions and especially in this institution.

After careful consideration, Mrs. Mason made a motion, which was seconded by Mr. Snook, that the rank of professorship be given only to those members of the faculty who have rendered efficient, satisfactory service for a minimum period of one college year in this institution.

Professor's Rank Conferred

President Wells, under the regulations of the Southern Association of Colleges and Secondary Schools and of the Board of Regents, recommended as full professors of this institution the following members of the faculty: Mr. W. J. Caplinger, Dr. M. G. Carman, Dr. J. W. Carr, Dr. Herbert Drennon, Dr. Chas. Hire, Mr. C. S. Lowry, Mr. C. P. Poole and Miss Floy Robbins.

Motion was made by Mr. Winslow, and seconded by Mr. Ordway, that the President's recommendation be approved and the above named persons have the rank of full professor conferred upon them. This motion was unanimously carried.

Rank of Other Faculty Members

President Wells requested that recommendations as to the proper rank and classification to be given to the other members of the faculty be deferred at the present.

Election of Faculty

The next matter presented to the Board of Regents by President Wells was his recommendations for the election of the faculty, as follows:
