PRESIDENT'S REPORT

June 29, 1940

Honorable Board of Regents
Murray State Teachers College
Murray, Kentucky

Gentlemen:

I am submitting the following items for your information and consideration:

- I. Approval of the Minutes of the Board of Regents for the meeting held on June 13, 1940
- II. Report of the Committee on Entrance, Credits, Certification and Graduation
- III. Completion of Necessary Plans for Construction of Low-Cost Dormitory
- IV. Name of Dormitory

Last Tuesday, the attorney for Stein Bros. & Boyce called me over the telephone and asked that I select, at once, a suitable name for the proposed dormitory to be used in drawing up the necessary papers for the contract and for the issuance of bonds for the construction of the building. After conferring with each member of the Board, the name, Warren S. Swann Memorial Dormitory, was given to him. I am asking that this name be approved.

V. Employment of Architect

At the last meeting, Mr. Hart and I were authorized to employ an architect for the construction of the dormitory. At this time, I wish to report that Mr. G. Tandy Smith, Jr., Paducah, Kentucky, has been employed as architect for the construction of the dormitory with the fee of \$1,200.00.

VI. Report of Business Manager

VII. Employment of Additional Faculty

- a. Authority was given me at the meeting of May 28, 1940 to employ two additional music teachers. After a conference with Mr. Doyle, I have employed Miss Marian Beers of Cincinnati, Ohio, to teach in the Department of Fine Arts (Music), beginning September 23, 1940, and continuing through June 6, 1941, at a salary of \$1500.00 for this period of time, and contract has been mailed to her. Miss Beers has her B. M. and M. M. degrees from the Cincinnati Conservatory of Music and has had successful experience in teaching and comes highly recommended. At this time, the other music teacher has not been selected.
- b. I am recommending that Mrs. Dorothy Rowlett be employed to teach Art in the Training School, beginning September 23, 1940, and continuing through June 6, 1941, at a salary of \$900.00 for this period of time. This amount was set aside in the budget.
- c. I am also recommending that Mrs. Daisy Hinkle Garton be employed for the remainder of the summer session, beginning July 1, 1940, and continuing through August 3, 1940, at a salary of \$100.00 for this period of time.
- d. I am recommending that Mrs. Verna Goode Broach also be employed for the remainder of the summer session, beginning July 1, 1940, and continuing through August 3, 1940, at a salary of \$100.00 for this period of time.
- e. When Mrs. McKee Thomson was employed for the summer session to teach Library Science (due to Mr. Gibson's leave of absence for study), I promised her that I would pay her \$25.00 in addition to her specified salary, if our budget would allow it. I would like, at this time, to have the authority to pay her this additional amount, provided the budget will allow it.
- f. I am recommending that Mr. Alfred W. Rawlinson be employed as a member of the faculty, library staff, at a salary of \$2,750.00 per annum, to be paid in accordance with the terms of the TVA contract, which has been signed but not yet returned to the office. Under the terms of this contract, Mr. Rawlinson's salary will be paid out of funds received by the Murray State Teachers College from the TVA. Mr. Rawlinson has been employed as Librarian at Gilbertsville by the TVA and will continue to work with that organization and the college, beginning July 1, 1940, and continuing through June 30, 1941. He holds the degrees of Bachelor of Science in Library Science and Master of Arts.

VIII. Milk from College Farm

I am asking that the motion passed at the meeting of May 7, 1940, waiving the requirement of using Pasteurized milk for our dormitory during the summer,

be rescinded as a case of undulant fever here in Murray was reported to me on July 25. Immediately upon hearing this report, I asked Mr. Howton, member of the Department of Agriculture, to have the milk used at the dormitory Pasteurized and to notify the proper authorities at the farm and at the milk plant concerning this change. I am asking for approval of my action in this matter.

IX. Status of Miss Emma J. Helm Concerning Teacher Retirement

X. Physical Education Requirement Waived for Guy Ashmore

Mr. Guy Ashmore expects to complete his work for graduation this summer and lacks one-half semester hour of Physical Education. I am recommending that this requirement be waived and that he be allowed to graduate without it.

XI. College News

XII. Regional Library Service in Cooperation with the TVA

In view of the fact that the Murray State Teachers College is planning a regional library service in this area in cooperation with the Tennessee Valley Authority and the Kentucky Library Extension Division, it is desirous that the college include the public schools.

A contract has been signed, subject to your approval, between this college and the Board of Education of Marshall County for library service to the one and two teacher schools of Marshall County, said Board of Education agreeing to pay to this college \$500.00 annually, with payments to be made on July 1, 1940, and September 1, 1940 of \$250.00 each. The period of the contract extends from July 1, 1940, through June 30, 1941.

A similar contract is being proposed to the Calloway County Board of Education for the Calloway County Schools and will be presented to the Board for your approval.

Respectfully submitted

James H. Richmond
President

From and after the delivery of any of the bonds authorized by this resolution, the Swann Dormitory project of Murray State Teachers College shall be operated on a fiscal year basis commencing on June 1st of each year and ending on May 31st of the following year, and on that basis the gross income and revenues of said project shall be set aside into a separate and special fund designated as the Warren S. Swann Memorial Dormitory Revenue Fund" (hereinafter designated the "Dormitory Revenue Fund").

There shall be and there is hereby created a fund to be known as "Warren S. Swann Memorial Dormitory Revenue Bond and Interest Redemption Fund" (hereafter known as the "Bond Fund") into which there shall be set aside from the moneys held in the Dormitory Revenue Fund such amounts as will be sufficient to pay the interest on and principal of the bonds hereby authorized. It is hereby determined that the amounts necessary to be set aside into said fund shall be as follows:

For the twelve months period ending:

May 31, 1953	\$5,000.00
May 31, 1954	\$5,000.00

All funds received as accrued interest at the time of the sale of said bonds, together with a sufficient amount of the sale proceeds to make up the total sum of \$1,000.00 shall be paid into said Bond Fund on or prior to November 15, 1940, and out of said amount all interest on said bonds due and payable on December 1, 1940, shall be paid. In the event the construction of said Swann Dormitory project is not completed by December 1, 1940, there shall be placed in said bond fund from the proceeds of the sale of the bonds, an additional sum, if necessary, sufficient to pay interest on said bonds until the completion of the project. It shall be permissible for the College to set aside into the Bond Fund from the proceeds of the sale of the bonds an amount equal to the interest payable upon the entire issue for the first three years, but such action is not mandatory. In the event that the moneys held in the dormitory revenue fund in any month shall be insufficient to make the aforesaid payments in full, any such deficiency shall be added to the amount required to be paid into said bond fund in the following month.

In the event the payments to be made into the Bond Fund as above set forth should in any fiscal year exceed the aggregate amount of interest on and principal of said bonds then currently becoming due, such excess shall be held in said bond fund as a reserve for contingencies and shall be used solely in the manner herein provided; provided, however, that if at any time there shall have been accumulated in said Bond Fund a sum equal to the total amount of the principal of and accrued and future interest on all of the

bonds then outstanding, then and in that event no further payments need be made into the Bond Fund and the sums so held shall thereafter be used to pay such outstanding principal and interest as the same respectively mature. It is further provided that in the event such excess shall at any time exceed the amount of the payments required to be made into the Bond Fund for the next six months period as set forth in the foregoing schedule, the amount thereof in excess of payments required for the next six months period may be used for the purpose of calling in for payment in advance of maturity any of the bonds then outstanding in accordance with the call provision set forth in said bonds and hereafter set forth in this resolution.

If for any reason Murray State Teachers College shall fail to make any payments into said Bond Fund in any fiscal year in the manner above provided, any sums then held as a reserve for contingencies shall be used for the payment of any portion of the interest on or principal of said bonds becoming due in such fiscal year, on which bonds and coupons there would otherwise be default, but such reserve shall be reimbursed therefor from the first available payments made into the bond fund in the following year or years in excess of the required payments for the then current fiscal year.

All Moneys held in the bond fund or as a reserve for contingencies shall be deposited in a bank which is a member of the Federal Reserve System and of the Federal Deposit Insurance Corporation; the moneys held as a reserve for contingencies may be invested in direct obligations of the United States of America, provided, however, that the College shall make a sale of a sufficient amount of such obligations in the event that it shall prove necessary to draw upon said reserve.

The payments herein above provided, to be made into said Bond Fund, shall be made in equal monthly installments on the first day of each month, except that when the first day of any such month shall fall upon a Sunday or legal holiday, such payment shall be made on the next succeeding secular day. The balance then remaining in the Dormitory Revenue Fund shall be set aside for operation and maintenance as hereinafter fully provided.

The Bond Fund hereinabove created and described shall be used solely and only for the purpose of paying principal of and interest on the bonds authorized by this resolution, and is hereby irrevocably pledged for that purpose and shall be used for no other purpose whatsoever.

The balance of the moneys remaining in the Dormitory Revenue Fund after the aforesaid payments into the Bond Fund in each month shall be set aside as follows:

There shall be created an "Operation and Maintenance Account" to be used for the proper operation and maintenance of said Swann Dormitory project, into which account there shall be set aside from the moneys hereinbefore referred to, an amount sufficient to provide for the payment of all reasonable and necessary expenses of operating and maintaining the project.

Section 4. All moneys received from the sale of any bonds issued pursuant hereto, exclusive of accrued interest, shall be applied solely for the construction of said Swann Dormitory project as herein authorized, provided that such

proceeds, together with all sums received as accrued interest on said bonds, shall be used also to pay interest on said bonds during the period of construction of said project, and may be used to pay interest on the bonds to and including June 1, 1943.

Section 5. While the bonds and coupons authorized hereunder, or any of them, remain outstanding and unpaid, the rentals charged to said College for the general facilities of said Swann Dormitory building and to the students of the College for occupation and use of the dormitory facilities embraced in said Swann Dormitory project shall, at all times, be reasonable and just, taking into account and consideration the cost and value of said project, the cost of maintaining and operating the same, the amounts necessary for the retirement of all bonds and the accruing interest on all such bonds as may be sold and are unpaid under the provisions of this resolution, and there shall be charged to said students rentals sufficient in the aggregate to meet the requirements of this and the two preceding sections of this resolution.

Section 6. Murray State Teachers College hereby covenants and agrees with the holder or holders of the bonds and coupons hereby authorized to be issued, and each of them, that it will faithfully and punctually perform all duties with reference to said Swann Dormitory project required by the constitution and Laws of the Commonwealth of Kentucky including the charging and collecting from the College and the students of the College of reasonable and sufficient amounts for occupation and use of said project and the application of the respective funds created by this resolution.

Murray State Teachers College hereby irrevocably covenants, binds and obligates itself not to sell, lease, mortgage or in any manner dispose of said Swann Dormitory project except by the statutory mortgage provided in Section 7 hereof, until all of the bonds and coupons herein authorized to be issued shall have been paid in full.

Murray State Teachers College further covenants and agrees with the holders of said bonds and coupons and each of them to maintain in good condition and continuously to operate said project so long as the principal of or interest on any of the bonds herein authorized remains outstanding and unpaid and to charge and collect from the College itself and from its students reasonable and sufficient fees and rentals for occupation and use of the project. The aforesaid rentals shall be sufficient at all times to maintain the Bond Fund and the operation and maintenance account as required by the preceding sections of this resolution and the same are hereby pledged for that purpose.

Section 7. For the further protection of the holders of the bonds and coupons herein authorized to be issued, a statutory mortgage lien upon said Swann Dormitory project and all properties connected therewith and belonging thereto is granted and created by Chapter 72 of the 1934 Acts of the General Assembly of Kentucky, which said statutory mortgage lien is hereby recognized and declared to be valid and binding upon Murray State Teachers College and all of the property constituting the project, as provided by law, and which take effect immediately upon the delivery of any bonds authorized to be issued under the provisions of this resolution. Any holder of said bonds or of any of the coupons,

may, either at law, or in equity, by suit, action, mandamus, or other proceedings, enforce and compel performance of all duties required by said Act and this resolution including the charging of, collection of and accounting for sufficient rentals and the segregation and application of the income and revenues as provided by this resolution.

If there be any default in the payment of the principal of or interest on the payment of said bonds, then upon the filing of suit by any holder of said bonds or of any of the coupons, any court having jurisdiction of the action may appoint a receiver to administer said Swann Dormitory project on behalf of Murray State Teachers College, with power to charge and collect a sum sufficient to provide for the payment of any bonds, coupons or other obligations outstanding against said project, and for the payment of proper operating and maintenance expense, and to apply the income and revenues in conformity with this resolution and the provisions of the laws of Kentucky aforesaid.

Section 8. The bonds and coupons authorized to be issued hereunder and from time to time outstanding shall not be entitled to priority, one over the other, in the application of the revenues of said project, or with respect to the statutory mortgage lien securing their payment, regardless of the time or times of their issuance, it being the intention of Murray State Teachers College that there shall be no priority among the bonds and coupons authorized to be issued under the provisions of this resolution, even though they may actually be issued and delivered at different times.

Section 9. While any of the bonds and coupons herein authorized are outstanding Murray State Teachers College shall not issue any additional bonds payable from the revenues of said project, unless the lien and security for the payment of such bonds are made junior and subordinate in all respects to the lien of the bonds herein authorized.

Section 10. So long as any of said bonds and coupons are outstanding Murray State Teachers College shall:

(a) Maintain insurance for the benefit of the holders of the bonds herein authorized of a kind and in an amount which usually would be carried by private companies engaged in a similar type of business, and pay the cost of such insurance from the Operation and Maintenance Account hereinbefore described;

(b) Keep proper books of record and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of all transactions relating to said project. Murray State Teachers College will furnish to the original purchaser of said bonds, and to any holder of any of the said bonds, at the written request of such holder, complete operating and income statements of the said project in reasonable detail covering each six months' period, and same shall be available not later than thirty days after the close of each six months' period; and

(c) Grant to the holder of any of said bonds the right at all reasonable times to inspect the said project and all records, accounts and data of the Murray State Teachers College relating thereto.

Section 11. Next, Mr. Ryan explained and commented on the proposed set-up relating to the operation of Warren S. Swann Memorial Dormitory, when it has been constructed, and the payments for interest and bond retirement.

After careful consideration of the proposed resolution covering the operation of Warren S. Swann Memorial Dormitory, motion was made by Mr. Hart that the Board of Regents adopt the resolution as submitted, "A RESOLUTION RELATING TO THE OPERATION OF THE PROPOSED NEW DORMITORY BUILDING ON THE CAMPUS OF MURRAY STATE TEACHERS COLLEGE, WHICH IS TO BE FINANCED BY THE ISSUANCE OF DORMITORY REVENUE BONDS DATED JUNE 1, 1940; ESTABLISHING AN ANNUAL CHARGE OR RENTAL TO BE PAID BY THE COLLEGE FOR THE USE OF THE GENERAL FACILITIES OF SAID BUILDING; AND ESTABLISHING MINIMUM MONTHLY RENTALS TO BE CHARGED TO STUDENTS FOR USE AND OCCUPANCY OF THE DORMITORY FACILITIES OF SAID BUILDING". This motion was seconded by Mr. Winslow, and the roll was called on its adoption with the following result: Mr. Winslow, aye; Mr. Hart, aye; Judge Ferguson, aye. The motion was carried unanimously, and the resolution follows:

A RESOLUTION RELATING TO THE OPERATION OF THE PROPOSED NEW DORMITORY BUILDING ON THE CAMPUS OF MURRAY STATE TEACHERS COLLEGE, WHICH IS TO BE FINANCED BY THE ISSUANCE OF DORMITORY REVENUE BONDS DATED JUNE 1, 1940; ESTABLISHING AN ANNUAL CHARGE OR RENTAL TO BE PAID BY THE COLLEGE FOR THE USE OF THE GENERAL FACILITIES OF SAID BUILDING; AND ESTABLISHING MINIMUM MONTHLY RENTALS TO BE CHARGED TO STUDENTS FOR USE AND OCCUPANCY OF THE DORMITORY FACILITIES OF SAID BUILDING

WHEREAS the Board of Regents of Murray State Teachers College has approved plans, specifications and cost estimates and has determined in accordance therewith to construct a new dormitory building at or near the northwest corner of the campus of said college at Murray, Kentucky, said building to be known as "Warren S. Swann Memorial Dormitory", and

WHEREAS in order to provide funds for the erection of said building the Board of Regents has this day authorized the issuance and sale of 4% Dormitory Revenue Bonds to be dated June 1, 1940, and to mature over a period of years, all in accordance with the provisions of Chapter 72 of the Acts of the General Assembly of Kentucky for the year 1934, and

WHEREAS in compliance with said law, it is necessary for the Board of Regents to make provisions for the collection of revenue from the operation of said building and to pledge and set aside such revenues to pay the principal and interest of said bonds, together with the cost of maintaining, operating and insuring said building.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF REGENTS OF MURRAY STATE TEACHERS COLLEGE AS FOLLOWS:

Section 1. In accordance with Section 8 of Chapter 72 of the 1934 Acts of the General Assembly of Kentucky, it is hereby determined that at the present time the reasonable cost and value of the services to be rendered to Murray State Teachers College through the use, by said College, of the general facilities of said new building, is the sum of \$2500.00 for each fiscal year, commencing June 1st of year calendar year and ending on May 31st of the next calendar year. The term "general facilities" as herein used in connection with said new dormitory building includes the kitchen, the dining room, the recreation room, the Proctors' quarters, the administrative office, the storage space and other facilities designed for general use as distinguished from the sleeping rooms themselves which are designed for use and occupancy by specific students against whom specific charges or rentals will be levied as hereinafter set forth. The term "general facilities" shall also include a work shop in the event the Board of Regents shall determine to erect a work shop out of the funds derived from the sale of said bonds.

Section 2. From and after the completion of the said building which is to be known and designated as "Warren S. Swann Memorial Dormitory" (hereinafter referred to as Swann Dormitory), there shall be charged to the students occupying the dormitory facilities provided by said building a minimum charge or rental of not less than \$4.00 per student per month.

Section 3. The amounts and rates fixed in the foregoing Sections 1 and 2 of this resolution may hereafter be revised from time to time and shall be revised, as required by law, if such revision shall appear to be necessary in order to realize a sum sufficient to pay the principal and interest of the bonds hereinafter referred to and to pay, in addition thereto, the cost of maintaining, operating and insuring said building in the manner provided by the resolution this day adopted, prescribing the terms, conditions and maturities of said bonds and the conditions and securities upon which the same are to be issued. In the event the minimum rental charge for students or the fixed rental charge to be paid by Murray State Teachers College should at any time or in any year be insufficient to make the payments provided by the aforesaid resolution authorizing said bonds, then and in that event, the rentals shall immediately be increased to such amount as may be sufficient to produce the amounts required to comply with the terms of the resolution authorizing said bonds and the laws of Kentucky relating thereto.

Section 4. The rentals and charges prescribed and fixed by this resolution shall be paid into a separate and special fund designated as the "Warren S. Swann Memorial Dormitory Revenue Fund", which fund has been created and provided by the Board of Regents of Murray State Teachers College in a resolution this day adopted, entitled "A Resolution Authorizing The Issuance And Sale Of Dormitory Revenue Bonds Of Murray State Teachers College In Accordance With Chapter 72 Of The Acts Of The General Assembly Of Kentucky, 1934, To Pay For The Cost Of Constructing A New Dormitory"; or shall be paid into the "Warren S. Swann Memorial Dormitory Revenue Bond and Interest Redemption Fund" also created by said resolution. The disposition of said funds and the times and amounts of payments to be made into said funds shall be governed and controlled in every respect by the terms and provisions of said resolution above referred to.

Section 5. The foregoing rentals shall become effective as of the date of the opening of the first semester of the school year of Murray State Teachers College for the year 1940 - 1941, or upon the date that said new building is opened for use and occupancy, whichever date is the later.

Section 6. If any section, paragraph, clause or provision of this resolution shall be held to be invalid, the invalidity of such section, paragraph, clause or provision shall not affect the validity of the remaining portions of this resolution.

Section 7. All resolutions or parts thereof in conflict with the provisions of this resolution are, to the extent of such conflict, hereby repealed.

Section 8. This resolution shall take effect from and after its passage by the Board of Regents and approval by the Chairman thereof.

Passed and approved by the Board of Regents of Murray State Teachers College this 29th day of June, 1940.

Miss Emma J. Helm Elected Substitute Teacher in Training School

Dr. Richmond called attention to the status of Miss Emma J. Dr. Richmond presented and read to the Board a letter which had been received from the West Kentuckian, under date of June 21, 1940, with reference to the publication of the College News. At this time Dr. J. W. Carr, retiring Dean of Murray State Teachers College, came before the Board and briefly expressed his appreciation of the opportunity that has been his of serving this college, either as President or Dean, since its foundation. Dr. Carr added that this would be no state occasion but that he simply wanted the privilege of entertaining his close personal and professional friends who had served and counseled with him so devotedly and so effectively throughout his years at Murray. Dr. Carr's gracious invitation was accepted by the members present, and July 29, 1940, the date of the next quarterly meeting of the Board of Regents, was set for the luncheon.
