Balance of Registration Fees

The Trust Indenture for the Housing and Dining System stipulates the fixed amount as shown. The Bond Resolution of the Consolidated Education Building states that all Registration Fees not previously pledged by the Housing and Dining System Trust Indenture will be deposited in the Consolidated Education Building Revenue Fund. This Resolution also states that when the Bond Fund requirement and the Reserve in the Bond Fund have been transferred to the Trustee, the excess or balance in the Revenue Fund can be used for Current Operating Expenses. The estimated amount of the excess has been included in this budget for Current Operating Expenses. This amount is shown on Page 3, Item I,B,2;

4. That we have a Balance of \$385,000 in our Trust and Agency Account to forward to the 1972-73 fiscal year to be used for operation and maintenance; and
5. That if we do not receive our full Legislative Appropriation, do not collect the full registration fees from the number of students listed in 2 above, and do not have \$385,000 in the Trust and Agency Account to forward to the 1972-73 fiscal year; it will be necessary to reduce the proposed expenditures to the amount of funds actually received.
