## 3. Leave of Absence - Dean Joe N. Prince

I recommend that Dr. Joe N. Prince be granted a one year public service leave of absence to serve as Special Assistant to the Chairman of the National Endowment for the Arts. In this prestigious assignment, Dean Prince will serve as liaison between the Chairman and the Board of the National Endowment for the Arts and all of higher education. The leave is effective July 1, 1977 to June 30, 1978.

## 4. Appointment of Acting Dean of the College of Creative Expression

I recommend the appointment of Associate Dean Jack Winter as Acting Dean of the College of Creative Expression effective July 1, at a salary of \$26,300. Professor Winter, who previously served as Acting Dean during the 1974 Summer Session, joined the Murray faculty in 1948 as an Instructor in Piano and Organ. He completed his Master in Music at the University of Michigan and has served 29 years on our faculty. Two weeks ago he was honored as the 1977 Distinguished Professor by the Murray State University Alumni Association.

## 5. Appointment of Interim Chairwoman for the Department of Nursing

I recommend the appointment of Professor Martha A. Erwin as Interim Chairwoman of the Department of Nursing effective July 1, at a salary of \$21,150.00. Inasmuch as a successor for Dr. Ruth Cole, who is retiring effective July 1, has not been chosen, the appointment of an interim chairwoman is recommended.

I recommend the appointment of Dr. Delbert E. Wylder as Chairman of the Department of English effective July 1, 1977, at a salary of \$25,500. ## 10. Patent Policy (as amended)

## 11. Personnel Policies

I am presenting a compendium of personnel policies--current and proposed--as an information item. Specific action on these proposals will be scheduled at a subsequent meeting.

On June 6, 1970 the Board of Regents adopted most of the personnel policies enclosed in the attached folder. This presentation includes those and subsequent policy actions with appropriate upgrading and editorial changes. In addition several new policies are being recommended, and several information items are included to provide the Board with a complete context of extant and new proposals. A memorandum from Mr. George Stockton, Director of Personnel Services, explaining substantive changes is enclosed with the policy manual.

While action is eventually needed for all new personnel policy proposals, the Board has the privilege of amending any previous policy enactment.

### Patent Policy, Adopted

President Curris presented the following Patent Policy and in response to questions, stated that a faculty committee makes the judgment as to whether University materials are significantly used.

Upon the recommendation of the President, Mr. Springer moved that the following Patent Policy be adopted:

#### MURRAY STATE UNIVERSITY

#### PATENT POLICY

##### I. Nature and Source of Patent Law

A patent is a property right. In the United States this right is granted by the Patent Office of the Federal Government for a period of 17 years from the date of issue. This right is not renewable. As a property right a patent may be sold or assigned, pledged, leased (licensed), willed or donated; and in addition, it may be the subject of contracts and agreements.

Patentable materials may fall within the following:

1. Inventions or discoveries of a new or useful:
  - a. process,
  - b. machine,
  - c. manufacture or composition of matter, and
  - d. any new or useful improvement of the previous items.
2. New varieties of asexually produced plants other than:
  - a. tuberpropagated plants, and
  - b. plants found in an uncultivated state.

Patentable materials must exhibit:

1. novelty,
2. utility, and
3. nonobviousness.

##### II. Patent Policy

- A. Ownership of all patentable material which is developed in the course of or pursuant to an externally sponsored research contract or other agreement shall be determined in accordance with the terms of said research contract or other agreement.
- B. All patentable material which is developed with significant use of funds, space and/or facilities, administered by the University but without any M.S.U. obligations to others in connection with such support, shall be the joint property of the University and the inventor(s). The ownership and distribution of royalty rights between the University and the inventor or co-inventor(s) will be 65% University, 35% inventor or co-inventor(s).
- C. Patentable material not within the provisions of Categories A and B of this policy is wholly the property of the inventor or co-inventors.

Dr. Matarazzo seconded and the motion carried.

### Personnel Policies, Received

President Curris reviewed the statement in Item 11 of the agenda and recognized George Stockton, Director of Personnel Services.

The Board received the proposed Personnel Policy Manual which includes extant and proposed policies and briefly discussed some of the policies. Specific recommendations will be presented at a subsequent meeting.

Letter from Dr. S. M. Matarazzo

Chairman Carneal read the following letter from Dr. S. M. Matarazzo:

May 5, 1977

Subject: Resignation from University Student Appeals Board

To: Murray State University Board of Regents

From: S. M. Matarazzo

Since being elected as faculty representative to the Murray State University Board of Regents, I am resigning as a member of the University Student Appeals Board.

The reasons for this resignation is that students may appeal decisions of the University Student Appeals Board to the Murray State University Board of Regents. This would place me in a position of rendering two decisions in the same case.

/s/ S. M. Matarazzo

The Board accepted Dr. Matarazzo's resignation from the University Student Appeals Board.

Dr. Curris stated there are nine members on the Board, that three terms expire July 1, and that at the next meeting of the Board, recommendations will be made for four appointments--three vacancies and one to replace Dr. Matarazzo.

President's Report

President Curris read the following letter from Herb Hale, Director of Bands, Churchill Downs - Derby Day:

May 11, 1977

"Dave Wells - Director  
MARCHING THOROUGHBRED BAND  
Box 3070 University Station  
Murray State University  
Murray, Kentucky 42071

Dear Dave:

A great big thanks to you and the MARCHING THOROUGHBRED BAND for the fantastic performance at the 103rd Kentucky Derby. In addition to the great musicianship, the cooperation received from you and the band was overwhelming. In my personal opinion, the MURRAY STATE MARCHING THOROUGHBRED BAND was the best that has played at any Kentucky Derby. Please convey my personal thanks to members of the band.

Looking forward to seeing you in the very near future, I remain

Sincerely & cordially,

Herb Hale, Director of Bands  
Churchill Downs - Derby Day"

President Curris stated he regretted the adverse publicity to the University stemming from newspaper account of a charge by a student that several co-eds at Murray State University are engaged in a prostitution ring in Nashville, Tennessee. Following publication of the story, statements were made to the press that the University would cooperate with the authorities to determine whether the charges were true. The FBI and Kentucky State Police have concluded there is no evidence to support the charge. The President further complimented the Murray State News for its investigation and decision that insufficient facts existed to justify publishing the allegations.

Resolution regarding Tuition Waiver Extension, Authorized

Following discussion, Dr. Matarazzo moved that the Board request the President draw up a resolution stating the Board's support for a tuition waiver extension to students residing in Illinois, Indiana and Missouri and living within a 100-mile radius of Murray State University and submit said resolution to the Council on Public Higher Education.

Mr. Springer seconded and the roll was called on the adoption of the motion with the following voting: Mr. Langford, aye; Mr. Long, aye; Dr. Matarazzo, aye; Mr. Mitchell, aye; Mr. Springer, aye; and Mr. Carneal, aye.

Policy on Exit Interview for Faculty, Requested

Upon request, Dr. Curris stated he would work with Dr. Matarazzo to draft a policy providing for exit interviews for faculty members who resign and submit to the Board at a subsequent meeting. It was pointed out that procedures for exit interviews for staff members are in effect.

Appreciation expressed to Dr. Hogancamp

In behalf of the Board, Chairman Carneal expressed appreciation to Dr. Thomas B. Hogancamp for his dedication and service as Vice-President for Administration and Finance. It was noted that Dr. Hogancamp will become the Executive Director of the Murray State University Foundation effective July 1, 1977.

Appreciation expressed to Miss Rubie E. Smith

At the Board's direction Dr. Curris will write a letter of appreciation to Miss Rubie E. Smith for delivering the 1977 Commencement address.

Meeting Adjourned

Upon motion by Mr. Springer and seconded by Mr. Mitchell, the meeting was adjourned.
