AGENDA  
for  
Meeting of the Board of Regents  
Murray State University  
May 13, 1978

1. Extended Leave of Absence for Dean Joe N. Prince

I recommend the Board of Regents grant a one year extension to the Public Service Leave of Absence approved for Dean Joe N. Prince and presently in effect. Dr. Prince is serving as Special Assistant to Mr. Livingston Biddle, Chairman of the National Endowment for the Arts. Dean Prince has requested and Mr. Biddle has strongly concurred that his Public Service Leave of Absence be extended for another year in order that he might complete the special study on the relationship of education and the arts presently underway.

Should the Board grant this extended leave of absence, several corollary decisions must be authorized.

1. Professor John Winter would continue serving as Acting Dean for the 1978-79 year at an annual salary of \$28,100.00.
2. Professor Paul Shahan would continue serving as Professor of Music and Assistant Dean of the College at an annual salary of \$23,050.00.

2. Appointment of Chairman, Department of Philosophy and Religious Studies

I recommend the appointment of Dr. Terry H. Foreman as Chairman and Assistant Professor of Philosophy and Religious Studies for an eleven-month period beginning July 1, 1978, at a salary of \$20,425.00.

Dr. Foreman, a native of California, received his bachelor's degree from Stamford and his master's degree from Pennsylvania State in philosophy, and his doctorate in religious studies from Yale. Prior to joining the University in 1975, Dr. Foreman served on the faculties of Earlham College and the University of California at San Diego.

3. Renewal of Group Medical and Life Insurance Plan

I recommend the renewal of our Group Medical and Life Insurance Plan with Investors Heritage Life Insurance Company for the period June 1, 1978 through May 31, 1979 at no increase in premium rates.

4. Renewal of the Student Health Insurance

I recommend the Student Accident and Health Insurance plan be renewed for a twelve-month period commencing August 25, 1978 with the Kingden Company, Lexington, Kentucky, at a premium of \$44.00 for single students, \$110.00 for student and spouse, and up to \$220.00 for student, spouse, and two children. These premium rates are approximately ten percent higher than last year in which there was no increase in rates.

5. Approval of Operating Budget, Veterinary Diagnostic and Research Center

I recommend approval of the operating budget for the Veterinary Diagnostic and Research Center of Murray State University located in Hopkinsville. This budget has been prepared consistent with the guidelines of the Board of Regents Budget Committee and the specific provision of the Executive Budget of the Commonwealth of Kentucky. Primary emphasis has been placed upon continuing and strengthening the diagnostic services function of the Center.

6. Degree Report of the Dean of Admissions and Registrar7. Report from Dr. Donald E. Jones, Dean of the Center for Continuing Education
