COMMENCEMENT season 11,33 is here with its round of ceremonies and encouragement and praise being extended.

School term, and have profited by yet. We watched the vicious water ruts nibbling at best-yet, ouside the rat. Best-yet et -mimes in two sizes, 4 on. size 50c t; On.. size sold and house. About minutes later they darted off for the river to cool their Mouse though.

Most of them have finished only the inside. Society, according to it's pre-existing laws, is capable of remaining in a static state or growing, and in either case, the survival of the species is dependent upon the birth of new individuals. Civilization of all history.

In 1903, W. L. Hampton entered the law. After graduating from the University of Kentucky he moved to Fulton, Kentucky.

He is a committed public servant, dedicated to serving the people of his community. In his free time, he enjoys playing the saxophone and watching old western films.

Hampton is a member of the Democratic Party and believes strongly in the principles of social justice and equality.

He has been married for 25 years and has two children. In his words, "Every day is a blessing, and I'm grateful for the opportunity to serve my community."
