**NEWS' TO PRESENT AUTOMOBILE**

**Tom Prather
Candidate For Sheriff's Office**

Y. A. Prather Jr., "Pop" to his hundreds of friends throughout Fulton County, will make the run for sheriff which those friends and other supporters feel will result in election. Mr. Prather is not only popular with the people, but is universally looked upon as the ideal man for the position. The present sheriff is a Democrat, as are the people of Fulton County, and as such Mr. Prather feels that voters will undoubtedly support him in the primary.

Mr. Prather looks upon the office of sheriff as one of responsibility, in which he feels that he can do a great deal for the people. He has been a member of the community for many years, and has a keen appreciation of the needs of the community.

**Baseball**

In what is expected to be the largest opening of the kind since Fulton County was founded, the new automobile will be shown at the sale of its owner, Mr. Russell Travis, who purchased the automobile at the sale of the company. The automobile is a standard model, and is expected to sell for about $1,000. It will be on display at the store of Mr. Travis for the benefit of the community.

PLAN IN BRIEF

The advent of this big “Weekly Payroll” Drive is near at hand. Primarily, its purpose is to increase the already large subscription list of the community; and secondarily, to afford to the live-wire, energetic men and women of this territory an opportunity to share in the profits of a first-rate weekly. By this Drive, every participant can help build up the circulation and at the same time to afford the live-wire, energetic men and women, boys and girls, of this territory an opportunity to profit in a big way through their spare time during the next few weeks. So, it is a plan that works both ways, and to the ultimate good of all concerned.

This Committee will be announced later and at the approval of the workers.

HOW CREDITS ARE SECURED

It takes credits to win, and you are awarded the following plan for clipping the Credit Coupon below: Every Order which may come into this office will be paid 2.50 credit for every dollar collected, and on each subscription taken after the rush period, both old and new, an additional 25 cents per subscription will be credited. The order must be entered and payment made by the close of business on the current Saturday night.

The other, and much better way to accumulate credits in this “Weekly Payroll” Drive by securing and renewing subscriptions to the community. This plan will meet with universal approval. Those entering will receive the “Weekly Payroll” Drive. Orders must be entered promptly and the subscribers will receive a check for the first week. Orders not entered will be returned.

EARLY START MEANS EASY FINISH

The advantages of an early start are manifest. This “Weekly Payroll” Drive is of such magnitude that the community will need every order and credit possible to build up the territory. The first in the field will undoubtedly get the “cream” of credits and subscriptions, while those who put off entering until late will have to take what is left.

Would you like to visit foreign countries? How does the sound of a free week's work appeal to you? Transcontinental, Tri-weekly Cruise Deluxe, via California, in style and comfort no man can stand. You will have the time of your life. This “Weekly Payroll” Drive will be a “Win—Win” proposition, and a very good one for all.

EXTRA CASH AWARDS FOR “Weekly Payroll”

BRING IN THESE COUPONS

Only 4 of these coupons allowed on any one entry.

Junior-Senior Banquet.

The dance began late on May 19 with Mrs. B. W. Freeman presiding as Master of Ceremonies. The music was furnished by the Union City High School Orchestra under the direction of Mrs. Shiper. Several students from the local high school were unable to attend the dance due to severe toothaches. The most popular selections were "Bluebird," "I'm on My Way," and "You Belong to My Heart."

Each member of the Senior class was given a small box of chocolates as a gift. The Junior class presented a bouquet of flowers to the Senior class, which was the highlight of the evening. The Junior class also presented a bouquet of flowers to the Senior class, which was the highlight of the evening.
