DO FOR YOU:

To a business man we can reduce your bills
On the 10th, 20th and 30th
By cutting out those goods that are not sold
By sending for goods where your customers buy
On the 10th we will save you the expense of bookkeeping
On the 20th we will save you three per cent.
On the 30th we will save you our expense of bookkeeping.
Total, 3 per cent.

By having bought our goods but we have saved you at least 3 per cent, as we thought that much less competition our companies brought in.

—Sidney R. Lemon and John Thompson.
