Representatives

May I welcome you to Honors Day.

Many groups contribute to the growth of a student: His home, his church, and his associates. Murray State University is concerned with all of the attributes of its students, but our main objective is the development of competent scholars. In the preparation for this program, we found that 782 of the undergraduate students enrolled at Murray State University had an overall standing of 3.3 or better. Therefore, we meet this day with a feeling of pride in the scholastic excellence that is being exhibited by the students at Murray State University.

We are pleased that you are attending this program and honoring these fine young people with your presence.

Sincerely yours,

H. M. Sparks  
President

Dear Parents & Friends,

Welcome to the 1973 Honors Day Program! We, as students, would like to take this opportunity to honor our university and especially those few students who have achieved extraordinary levels of excellence in their field of study.

The awards presented today do not only represent outstanding individual achievement but also symbolize the growth, progress, and development of Murray State University over the past fifty years. Only through building upon past achievements may we look forward to a stable, progressive future.

We are grateful to you for your interest and attendance at our Honors Day Program. We hope that your visit is pleasant and that you will return many times to share our hopes and dreams as we attend Murray State University.

### ALMA MATER

In the heart of Jackson's Purchase  
'Neath the sun's warm glow,  
Is the home of Murray State,  
Finest place we know.

Though we may leave thy walls forever  
Many miles go hence,  
May our love for Alma Mater  
Only have commenced.

### CHORUS

May we cherish thy traditions,  
Hold thy banner high;  
Ever guard thy name and glory,  
Live and do or die.
