## More Workers Needed For Subscription Drive

### Plenty Of Room In Field For New Entries

YOU CAN WIN IF YOU TRY

Votes Alone Will Decide Winners

WANTED—Men and women, boys and girls, for positions paying up to \$100.00 per week to worker who qualifies. No experience necessary. Apply campaign department, The Fulton County News.

Just suppose for one minute that the above advertisement appeared in the columns of this or any other weekly newspaper. Would not there be a flock of people trying to connect with that offer? Yet that is exactly the kind of an opportunity The News is offering in this short subscription drive which is just getting under way. The winner of that splendid Master Six Chevrolet worth \$631.00 will earn over \$100 per week during the next few weeks. The winners of the next four awards have the chance of earning from fifteen to twenty-five dollars or even more, each week of the campaign.

That is an opportunity not to be lightly considered. Just think of being able to earn awards in the next few weeks of the value we are offering! Someone will win them and YOU can if YOU WILL!

Elsewhere in The News today appears a list of entrants in the big campaign. While there is already a goodly number of folks entered in the drive there is plenty of room for additional entries. But now—NOT LATER—is the time to enter and get started working for these fine awards. If you have been "on the fence" regarding this proposition right now is the time to get down on the right side and get into the race with a view that will carry you to victory.

All that is required of you is to send in your name and address, or call at the News office. Complete instructions will be given you and you then have but to interview your friends and secure their subscription to the paper. The worker having the greatest number of votes at the close of the campaign will be presented with the auto.

## CHAMBER OF COMMERCE REGULAR MEET NEXT TUESDAY NIGHT

The Chamber of Commerce will hold its regular monthly meeting next Tuesday night at 7:30. Merchants, business men and citizens from Fulton and rural communities are urged to attend.

Among other things will be the instigation of an attack on the proposed sales tax, and the co-operation of retailers is sought in order to successfully combat this tax.

## E. P. PORTER DROPS DEAD

E. P. Porter, 55, news agent of Memphis, dropped dead on the platform at the I. C. railroad station here early Tuesday morning. The cause of his death was heart trouble. He had just stepped off the Chicago train to go into the Interstate restaurant for a cup of coffee, when the heart attack came upon him suddenly. Porter's run was from St. Louis to Memphis.

## EVANS-McGEE'S NEW DRUG STORE

The Evans & McGee Drug Store, which opened here on May 3, is a place of beauty and symmetry in design and arrangement. The proprietors of this new drug store are W. W. Evans and W. H. McGee, who are well known druggists of this community.

The interior of the store is beautifully arranged, and the handsome cabinet work was done by Budde & Weis of Jackson. Fixtures are harmoniously matched to give a pleasing color scheme. Following are short biographies of Mr. Evans and Mr. McGee.

Mr. McGee was born at Vicksburg, Miss., 1891. He started in the drug business some 24 years ago with A. G. Cassell & Co. of that city. Then he was connected with McGee Drug & Chemical company. Later with the Sullers-Bryant drug store; and for a while with Dochterman Drug Co. of Vicksburg. From there he went to the Fortune Drug Co. in Memphis.

He came to Fulton, July 1, 1919 with Bennett's Drug Store, where he worked until recently when Evans-McGee opened a drug store on Lake street, Wednesday, May 3. During the war he served in the medical corps in the United States, England and France.

Mr. Evans was born in Graves county, Ky., near Sedalia, 1886. He

first started in the drug business in 1904, and opened his first store 1910 at Wingo, Ky. Later he moved to Mayfield. In 1920 he came to Fulton and entered the drug business on the corner where the old Meadows building stood until the recent fire of Feb. 5. After the time of the fire until the new Evans-McGee drug store was opened Mr. Evans was inactive in the drug business.

Both Mr. McGee and Mr. Evans are very popular locally, and they take an interest in general community activities. Their friends and acquaintances know them by the familiar names of "Mac" and "Walter."

## COUNCIL PICKED AN EQUALIZATION BOARD

At the regular meeting of the city council Monday night, with Mayor Paul DeMyer and all councilmen present, three men were selected to serve as a board of tax supervisors. The council discussed at length the advisability of retaining one old board member and appointing two new ones. Will Gayle was chosen to serve again, while Ira Little and J. R. Graham were selected to assist him. These men were considered very acceptable, as they are large property owners and are familiar with property values.

Under the state laws of Kentucky an equalization board is required. Messrs. Graham, Gayle and Little will perform a distinct public service in executing the duties of their office.

It is believed that the car was stolen a few minutes after he had parked it by two young men who were seen to enter it by a nurse. The car is black and carried a Fulton county license plate when stolen, No. 247-098.

## PRESIDENT PRESENTS PETITION BEFORE COUNCIL

When the city council of Fulton convened here Monday night, R. H. Wade, president of the school board appeared before the council and requested that the city of Fulton reimburse the school board \$5,000 which had been paid by a former school board to cover street improvement costs on Pearl and Second streets, made in 1929.

Mr. Wade and members of the school board have had a communication from State Superintendent of Instruction W. H. Richmond, in which the latter states that the school board had no authority to pay for construction of streets abutting school property. Since the streets were built in Fulton a similar case carried to the Court of Appeals it was adjudged that a school board has no authority to petition or obligate themselves to pay for work of this nature. Mr. Wade based his request on this case.

Mr. Wade also filed with the city council the school tax schedule for 1933-34. This schedule shows a tax levy of 16c per \$100 for the sinking fund and 84c per \$100 for current expenses, with a total rate of \$1.00. The old tax rate of \$2 was also levied against each male inhabitant of the school district.

The school board estimates that approximately \$31,023 will be required to maintain both the white and colored schools during the next term.

A copy of this petition as presented to the city council, has been filed with the Fiscal Court at Hickman.

## SHOOTING IN MISSIONARY BOTTOM BRINGS DEATH

Willie Graham, negro, tried here Monday by County Judge W. J. McMurray on charges of shooting with intent to kill, waived examination, and is being held in jail pending trial at the September term of court. A few hours later Paul Weatherspoon, one of the colored men he shot during a quarrel, died at the home of his mother in Missionary Bottom, a negro residential section of the city. Now Graham will be held on a murder charge, facing the uncertainty of the probable death also of Jasper Paschall, the other negro struck by the same bullet that caused Weatherspoon's death.

The shooting resulted from a quarrel Saturday night in the negro district of Fulton near the Fulton-Mayfield highway bridge. Willie Paschall and Weatherspoon were in a clinic, Graham, a friend of Paschall, is said to have fired a pistol at Weatherspoon, the same bullet injuring both men. Graham and Paschall, with a bullet in his abdomen, fled toward Tennessee, but were apprehended in a short time. Paschall was given medical attention permitted to go home, but Graham was lodged in jail.

Local police believe the pistol belonged to Paschall. It was evidently a grudge fight, with Graham and Paschall against Weatherspoon.

Paschall is quite serious and it is held doubtful whether he will survive the wound.

## THE DEADLOCK

The city of Fulton and the Kentucky Utilities are still at deadlock over the granting of a new electric franchise.

Parley after parley has been held, but still the controversy remains unsettled. The city council recently formulated an ordinance and offered for sale a new franchise for a period of three years with reduced rates to be effected. The utility company did not bid for the contract, but offered a counter proposal with some reduction in rates.

Previous to drawing up the ordinance offering for sale a new franchise, the council called in an experienced engineer to make a preliminary survey of Fulton. This step was taken in an effort to arrive at a basis for granting a new franchise. This survey gave the estimated investment, cost of operation and production, number of kilowatt hours

delivered to the users, revenue received and the probable profit realized from the sale of electricity in Fulton.

This survey also included a general estimation of the approximate cost of construction and operation of a municipal plant and distribution system for furnishing electricity to the city of Fulton. All estimates were based upon personal investigation by the engineer, previous experience, and comparative figures from other towns similar in size to Fulton where municipal plants are operating.

J. A. Brown, representative of the Fairbanks, Morse & Co., of St. Louis, has been here to propose that his company will build a plant to be paid for out of the revenue of its operation. It will be necessary, however, to issue revenue bonds to erect a municipal plant. To do this, Fulton being a fourth class city, it will be necessary to get a special act through the state legislature granting a city of this class the privilege of issuing the bonds.

Inasmuch as quite a number of cities are building municipal plants through loans by the government this source is being given consideration. The council is making every effort to bring the question to a head, but it is a matter that requires much time and study.

"Almost without exception, the towns operating their own light and power plants have not felt the effects of the depression as have the towns who are served by power companies. C. M. Bence, Fairbanks, Morse engineer points out. "This is logical because of the revenue which the town receives from municipal plant, being able to offset to some extent—the lowering in property values and the lowering of tax receipts. There are some eighty towns in the United States which levy no tax whatever for general governmental purposes,

this being paid from the profits of either their electric or water utilities. Of course this is impossible where a town does not own these utilities and do not receive the revenue from them

## THE HIGHWAY TO SUCCESS

Failure is, in a sense, the highway to success, inasmuch as every discovery of what is false leads us to seek earnestly after that which is true, and every fresh experience points out some error which we shall afterward carefully avoid. May it please God to grant that these lessons may be gained from the recent depression—that faith may be restored; that the spirit of real service may be first in our future lives, and thrift may form the basis of future actions; that men will in the future have the courage to stick to truth, and to virtue and high thinking, through prosperity and adversity alike.

To have stability and progress we must have faith.

Hope is a pleasant companion, vision a fine comrade, but faith is power. All the strength and force of man comes from his faith in things unseen. Faith marches at the head of the army of progress. Faith in an all-seeing and personal God elevates the soul, purifies the heart and sustains human dignity.

The hopeful sign is that men are awakening to the fact that the indispensable things in life are spiritual—thought, confidence, courage, faith, hope, love.

## RELIGION A FOUNDATION

American institutions are rooted in religious soil. It is not strange that the trend of thought is toward the conviction that proper training in sound and dynamic morals must get back to a firm religious basis. Our history encourages this conviction. Indeed, the American republic was founded by a people conspicuous for their religious ideas and attitudes. In fact, the republic was built upon a foundation of religious rather than political principles. As a consequence we face the question as to whether America can remain American if her people cease to be religious. More than ever, we at this time need the ruggedness of true moral fibre. More and more, therefore, the conviction grows that we must emphasize the fundamentals of religion. After all, are not the great success truths, the citizenship truths, the character truths and the moral truths that we hear so much about only abiding religious truths? Do not character and true moral power derive their deepest significance from religion?

A review of our national and racial history will do us good. We need to go back three thousand years and read Moses' words (Deut. 8:10-20): "When thou hast eaten and art full, then thou shalt bless the Lord thy God for the good land which he hath given thee. Beware that thou forget not the Lord thy God, in not keeping his commandments, and his judgments, and his statutes, which I command thee this day; lest when thou hast eaten and art full, and hast built goodly houses, and dwelt therein; and when thy herds and thy flocks multiplied; and thy heart be lifted up, thou forget the Lord thy God.... And thou say in thine heart, My power and the might of mine hand hath gotten me this wealth. But thou shalt remember the Lord Thy God; for it is he that giveth thee power to get covenant which he sware unto thy fathers, as it is this day. And it be if thou do all forget the Lord thy God, and walk after other gods and serve them or worship them, I testify against you this day that ye shall surely perish. As the nations whom the Lord destroyed before your face so shall ye perish, because ye would not hearken unto the voice of the Lord your God."

It will also do us good to go back to another divine writer who lived fifteen hundred years this side of Moses. "Be not deceived, God is not mocked; for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to his flesh shall of the Spirit reap life everlasting." (Gal. 6:7-8).

Harold Bell Wright said in 1927 a little more than two years before the depression began: "If the business men of America do not somehow get a little Christian religion into the business of our country, and if the citizens of this nation do not get a little Christianity into their citizenship, and into their ev-

## HISTORY IN THE MAKING

By J. Paul Bushart.

Rivers accidents were numerous along the Mississippi in 1840-50. A clear portrayal of river life follows:

The Clarksville, heavily laden with freight, and not less than 100 passengers aboard, on Thursday, June 17, 1841, about 1 p.m., sunk near the mouth of the old river near the plantation of Capt. Walker, 20 miles below Columbus, Ark. She ran a long side the shore landed Capt. Walker and his wife and several children, also several negroes without cabling. On putting out she had to run back several yards, and shifted her calms. The engine had made only one forward revolution, when she struck a log under water, and immediately filled.

Capt. Irwin of the Clarksville ordered her to run ashore. But before his order could be executed engine room filled, and her course was unmanageable. At this crucial moment the upper part of the boat parted from the hull, which instantly disappeared in the deep. The deck was crowded with passengers and crew. Several jumped overboard and swam ashore. Several ladies were aboard. A crude raft was constructed out of the remains of the wheel house and they were safely landed. The balance of the crew and passengers were taken ashore some distance below by a flatboat.

Five persons were missing. Passengers saved very little. Books and safe were carried ashore. Capt. Irwin and his crew worked faithfully and heroically, but high waters of June rise played no small part in combatting their efforts.

Steamboat John Marshall of New Orleans bound for Nashville struck a log under water, filled and sunk in nine feet of water Friday night, June 25, 1841, while going up Randolph Shoot at Island 34, near Fulton. Such accidents were common occurrences.

The Caroline, with H. P. Moore, captain, struck a snag at Plumb Point early in September that year. The pilot steered for shallow water and the boat sunk in 12 feet of water. The boat new, having made only three trips down, running the St. Louis trade.

On Monday, an. 24J, 1842, to new and splendid steamers Louisiana with Capt Miller; and the Great

Western, Capt. Howell at the helm, while taking freight at the Mills' Point landing, were engaged to tow up to that place the Cairo Floating Dock, which having slipped her mooring during the June rise, could not be brought to land until she had floated down as far as 25 miles below Mills' Point. The mammoth dry dock fastened between the two steamers as brought up the river and tied up. By March, 1842, the river had mounted to unusual heights, nearly reaching the memorable peak of 1828.

On Sunday, April 17, 1842, the steamboats General Brooks with Throckmorton, the Galena with Capt. Gray, the Sarah Ann with Capt. Lafferty and the Mongo with Capt. DeWitt, passed Mills' Point on their way to Fort Smith, Ark., loaded with U. S. soldiers said to be the 6th Regiment U. S. Infantry. On the same day the steamer General Pratt passed up with a company of U. S. Infantry from Staten Island, N. Y. destined for Jefferson Barracks, Mo.

Hon. Henry Clay passed Mills' Point Tuesday, Nov. 29, 1842, on steamer Rainbow, en route to New Orleans. The boat landed and lay at wharf a short half hour. Many of the citizens embraced the opportunity of seeing the venerable statesman of Kentucky, who seemed in excellent spirit and health. A rousing cheer went up as the boat left the shore.

During November, 1842, the New-castle, built expressly to navigate the Forked Deer river, stopped at Mills' Point. It was a boat of the smaller class, drew about 12 inches of water when light and 26 when loaded, carrying about 50 tons. It had two small engines, a stern wheel, its stack was fixed with a hinge so it could be let down when passing under a bridge. The owners intended to tow kneel-boats up the Forked Deer river and carry out produce from Jackson, Popular Corner, Cherryville, Eaton, Dyersburg and other landings of that river to Ashport, Tenn., located at its mouth of the Mississippi.

B. W. McInoch and John B. Hubbard owners of a ferry at Mills' Point in 1842. Persons, wagons and stock were ferried. A road was cut oppos-

ite the shore through the "Mames Bayou country and prairies to Benton and Jackson, Mo., opening to the traveler one of the most fertile and interesting countries in the West."

## "The Old Mill Wheels Are Turning"

Perhaps it is just as well to look on the bright side. For every dark cloud has a silver lining. The darkness is rapidly disappearing, and the silver is returning to the surface, from where it has been hidden. And after we have passed over the rough places, we will be wiser and richer in experience.

As time rolls on people still live on. One of the necessities of life is bread. For 25 years Browder's Mill has been supplying the people of Fulton, and the surrounding community with flour of the highest quality, striving at all times to supply the people with the very best flour that modern machinery and skilled millers can produce.

FULTON LOSES FIRST GAME  
OF THE SEASON 9-6

(By O. R. LOWE)

Gadsden returned to Fulton Sunday with a rejuvenated team to seek revenge for the defeat handed them Sunday before last and they certainly did a good job for they laced Fulton to the tune of 9-6. Fulton was crippled up by the loss of Batts in left field, Shuck in center field and Forrest on third base. It was a game well filled with errors with Fulton booting 6 and Gadsden 2.

Stout saw it was a losing battle with the support he had behind him so he retired in the 7th inning in favor of Smith after allowing six runs, 6 hits and striking out 6 men only allowing 2 earned runs. Fulton goes to Huntington next Sunday and it is hoped the regular team will be back in shape.

1st Inning: Gadsden—Creasy flew to Sawyer, Lambert rolled out Killebrew to Sawyer. H. Henley rolled out Killebrew to Sawyer. No runs, no hits, no errors. Fulton—Carden walked, Killebrew sacrificed; Brann walked, Carden going to third on a passed ball, McKinney forced Carden at the plate. Smith to Hopper, Jackson flew to B. Henley retiring the side. No runs, no hits, no errors.

2nd Inning: Gadsden—B. Henley struck out, Smith struck out H. Raines singled, Norfleet rolled out Killebrew to Sawyers retiring the side. No runs, one hit, no errors. Fulton—Sawyers flew to H. Henley, Valentine singled, Maddox struck out while Valentine stole second, Stout rolled out Norfleet to B. Henley retiring the side. No runs, 1 hit, no errors.

3rd Inning: Gadsden—Hopper went out Stout to Sawyers, J. Raines flew to Killebrew, Creasy flew to Sawyers retiring the side. No runs, no hits, no errors. Fulton—Carden gained life on Norfleets boot of his roller, promptly stole second, Killebrew made first on J. Raines missing up his attempted sacrifice sending Carden to third, Killebrew stole second, McKinney scored Carden and Killebrew with a sharp single over second, Jackson went out Hopper to B. Henley, Sawyers went out Norfleet to B. Henley retiring the side. Two runs, 1 hit, 2 errors.

4th Inning: Gadsden—Lambert struck out, H. Henley flew to Valentine and on the catch Valentine dropped the ball, B. Henley singled and when Carden let the ball go thru him H. Henley took third, B. Henley stole second, Stout messed up Smith's roller allowing H. Henley to score, H. Raines singled scoring B. Henley and sending Smith to third, Norfleet popped to Stout, Hopper hit a looping fly to Sawyers and he dropped it scoring H. Raines, J. Raines singled sending Hopper to second, Hopper stole third, Creasy struck out to end the orgy. Four runs, 3 hits, 4 errors. Fulton—Valentine rolled out Norfleet to B. Henley, Maddox singled, stole second, Stout struck out, Carden rolled out Creasy to B. Henley ending the inning.

5th Inning: Gadsden—Lambert walked and was thrown out Jackson to Killebrew when he tried to steal second, H. Henley as safe when Killebrew let his roller go thru him, B. Henley went out Stout to Sawyers advancing H. Henley to second and when Brann tried to catch him off second he made a bad throw advancing Henley to third, Smith singled scoring Henley, Smith stole second, H. Raines struck out ending the inning. One run, 1 hit, 2 errors. Fulton—Killebrew flew out to left, Brann rolled out third to first and McKinney rolled out pitcher to 1st. No runs, no hits, no errors.

6th Inning: Gadsden—Norfleet struck out, Hopper rolled out short to first, J. Raines flew out to first. No runs, no hits, no errors. Fulton—Jackson rolled out short to first, Sawyer rolled out second to first, Valentine tripled on left field dump, Maddox singled scoring Valentine, Stout doubled and scored Maddox, Carden rolled out short to first. Two runs, 3 hits, no errors.

7th—Gadsden: Creasy doubled to center, Lambert was safe on McKinney's error scoring Creasy, Smith relieved Stout, Lambert was thrown

out stealing third, H. Henley flew out to left and B. Henley rolled out third to first. One run, 1 hit, 1 error. Fulton—Killebrew rolled out 3rd to 1st, Brann struck out, and McKinney singled, Jackson popped out to 2nd. No runs, 1 hit, no errors.

8th—Gadsden: Smith tripled to left center, H. Raines tripled to right scoring Smith, Norfleet walked and on a passed ball H. Raines tried to score and was thrown out Jackson to Smith, Hopper tripled scoring Norfleet, J. Raines struck out, Creasy tripled scoring Hopper and Lambert flew out to center. Three runs, 4 hits, no errors. Fulton—Sawyer popped out to first, Valentine singled and Maddox struck out, Smith rolled out second to first. No runs, 1 hit, no errors.

9th—Gadsden: H. Henley struck out, B. Henley flew out to left and Smith rolled out to Sawyer. No runs, no hits, no errors. Fulton—Carden flew out to center, Killebrew singled and stole second, Brann struck out, McKinney hit one under the center field fence for a home-run scoring behind Killebrew, Jackson popped out to third. Two runs, 2 hits, no errors. Total Gadsden 9, Fulton 6. Valentine, Maddox and McKinney were the hitting stars of the game.

## WHITE WAY BEATS K. U.

White Way continued to climb toward the top in the Twilight Wednesday when they defeated the Icicles by the score of 19 to 11. Tom Kersey kept the Icicles well in hand during the game.

## O K LAUNDRY GOES TO TOP IN STANDING

By virtue of their victory over Diamond D-X Wednesday night 12-3 the O K Laundry boys went to the top in the League standing and are there all alone. Bailey Roberts, their credit fir putting the boys up in old reliable pitcher deserves much their newly acquired berth.

## WHITE WAY BEATS K. U.

White Way Service Station jumped to an early 8 runs lead Tuesday afternoon and held K. U. in tow thruout the entire game to win the contest by the score of 8 to 5. Scoring 8 runs in the first inning and being held scoreless for the remainder of the game while K. U. managed to score 5 runs. Hotter battles are being staged in the leagues every day.

## WARNER LOSES ANOTHER

Another defeat went into the bag for the fast slipping Warner Boys when they went down before the Diamond D-X by the score of 7 to 4 in a well played game. Both pitchers were very effective especially in the pinches by allowing only five and six hits respectively. Warner dropped from the league lead in this defeat while D-X jumped up to second position.

## ICICLES TROUCE SWIFT

Icicles melt and Swift freeze. That's what took place Monday night at the ball park when the two clubs of Swift and the Fulton Ice Co. met. Swift jumped to the lead in the early part of the game but the Icicles came from behind in the latter stages of the contest to win out. Fulton Ice Co. is now one of the best teams in the league and much trouble can be expected from them in the future.

## OK LAUNDRY CLEANS DALTON CLEANERS

It what was expected to be a victory for Dalton Cleaners turned out to be a victory for OK Laundry

when they entered the last inning trailing by two runs and scored six to win out by the score of 12 to 6.

The game opened with OK scoring one in the 1st, the score remaining that way until the 5th when they scored three more, 2 more in the 6th and won out in the 8th with 6 more. Dalton scored 6 in the 6th for their first runs which looked like a victory for them. Conner smacked a home-run over Buckingham in deep center.

## WHITE WAY WINS OVER D-X 3-2

Last week the boys from the White Way Service Station took the boys from Diamond D-X in tow by the score of 3-2 in the best game yet. Both teams were tight especially in the pinches and with both twirlers fighting hard for the victory, McKinney was the deciding factor in the game with a homerun with one man on base in the 6th with the score standing 2 to 1 against them.

## SWIFT PLANT DEFEATS DALTON BY SCORE 9-6

In another well played game of last week the Swift Plant lads dressed in the national colors went to bat and batted out a victory of 9 to 6 over Dalton Cleaners. This game was fast and furious at all time with both sides fighting desperately for the win. This put Dalton on the bottom in the standing but they are determined to rise up from new on.

## LANKY LEANS POUR IT ON THE FATS

Believe it or not, the Flabby Fats were beaten into submission Wednesday afternoon when they tangled up, again with the Lank Leans. The weather man had no mercy on the Fats and when the Leans had trailed 5 to 2 until the 6th frame they opened up one of the most vicious attacks ever demonstrated on the local diamond. They not only submerged the Flabby Fats, who were already nearly submerged with perspiration, but on top of that rubbed it in to the tune of 19 to 5. Well, luck to you Leans but the standing is still Fats 4, Leans 1. Percent-age 800.

FULTON LOSES FIRST GAME  
OF THE SEASON 9-6

(By O. R. LOWE)

Gadsden returned to Fulton Sunday with a rejuvenated team to seek revenge for the defeat handed them Sunday before last, and they certainly did a good job for they faced Fulton to the tune of 9-6. Fulton was crippled up by the loss of Batts in left field. Shuck in center field and Forrest on third base. It was a game well filled with errors with Fulton booting 6 and Gadsden 2.

Stout saw it was a losing battle with the support he had behind him so he retired in the 7th inning in favor of Smith after allowing six runs, 6 hits and striking out 6 men only allowing 2 earned runs. Fulton goes to Huntington next Sunday and it is hoped the regular team will be back in shape.

1st Inning: Gadsden—Creasy flew to Sawyer, Lambert rolled out Killebrew to Sawyer. H. Henly rolled out Killebrew to Sawyer. No runs, no hits, no errors. Fulton—Carden walked, Killebrew sacrificed; Brann walked, Carden going to third on a passed ball, McKinney forced Carden at the plate. Smith to Hopper, Jackson flew to B. Henly retiring the side. No runs, no hits, no errors.

2nd Inning: Gadsden—B. Henly struck out, Smith struck out H. Raines singled, Norfleet rolled out Killebrew to Sawyers retiring the side. No runs, one hit, no errors. Fulton—Sawyers flew to H. Henly, Valentine singled, Maddox struck out while Valentine stole second, Stout rolled out Norfleet to B. Henly retiring the side. No runs, 1 hit, no errors.

3rd Inning: Gadsden—Hopper went out Stout to Sawyers, J. Raines flew to Killebrew, Creasy flew to Sawyers retiring the side. No runs no hits, no errors. Fulton—Carden gained life on Norfleets boot of his roller, promptly stole second, Killebrew made first on J. Raines messing up his attempted sacrifice sending Carden to third, Killebrew stole second, McKinney scored Carden and Killebrew with a sharp single over second, Jackson went out Hopper to B. Henly, Sawyers went out Norfleet to B. Henly retiring the side. Two runs, 1 hit, 2 errors.

4th Inning: Gadsden—Lambert struck out, H. Henly flew to Valentine and on the catch Valentine dropped the ball. B. Henly singled and when Carden let the ball go thru him H. Henly took third, B. Henly stole second, Stout messed up Smith's roller allowing H. Henly to score, H. Raines singled scoring B. Henly and sending Smith to third, Norfleet popped to Stout, Hopper hit a looping fly to Sawyers and he dropped it scoring H. Raines, J. Raines singled sending Hopper to second, Hopper stole third, Creasy struck out to end the orgy. Four runs, 3 hits, 4 errors. Fulton—Valentine rolled out Norfleet to B. Henly, Maddox singled, stole second, Stout struck out, Carden rolled out Creasy to B. Henly ending the inning.

5th Inning: Gadsden—Lambert walked and was thrown out Jackson to Killebrew when he tried to steal second, H. Henly as safe when Killebrew let his roller go thru him, B. Henly went out Stout to Sawyers advancing H. Henly to second and when Brann tried to catch him off second he made a bad throw advancing Henly to third, Smith singled scoring Henley, Smith stole second, H. Raines struck out ending the inning. One run, 1 hit, 2 errors. Fulton—Killebrew flew out to left, Brann rolled out third to first and McKinney rolled out pitcher to 1st. No runs, no hits, no errors.

6th Inning: Gadsden—Norfleet struck out, Hopper rolled out short to first, J. Raines flew out to first. No runs, no hits, no errors. Fulton—Jackson rolled out short to first, Sawyer rolled out second to first, Valentine tripled on left field dump, Maddox singled scoring Valentine, Stout doubled and scored Maddox, Carden rolled out short to first. Two runs, 3 hits, no errors.

7th—Gadsden: Creasy doubled to center, Lambert was safe on McKinney's error scoring Creasy, Smith relieved Stout, Lambert was thrown

out stealing third, H. Henly flew out to left and B. Henly rolled out third to first. One run, 1 hit, 1 error. Fulton—Killebrew rolled out 3rd to 1st, Brann struck out, and McKinney singled, Jackson popped out to 2nd. No runs, 1 hit, no errors.

8th—Gadsden: Smith triple to left center, H. Raines tripled to right, scoring Smith, Norfleet walked and on a passed ball H. Raines tried to score and was thrown out Jackson to Smith, Hopper tripled scoring Norfleet, J. Raines struck out Creasy tripled scoring Hopper and Lambert flew out to center. Three runs, 4 hits, no errors. Fulton—Sawyer popped out to first, Valentine singled and Maddox struck out, Smith rolled out second to first. No runs, 1 hit, no errors.

9th—Gadsden: H. Henly struck out, B. Henly flew out to left and Smith rolled out to Sawyer. No runs, no hits, no errors. Fulton—Carden flew out to center, Killebrew singled and stole second, Brann struck out, McKinney hit one under the center field fence for a home-run scoring behind Killebrew, Jackson popped out to third. Two runs, 2 hits, no errors. Total Gadsden 9, Fulton 6. Valentine, Maddox and McKinney were the hitting stars of the game.

## WHITE WAY DEFEATS

ICICLES 19 TO 11  
White Way continued to climb toward the top in the Twilight Wednesday when they defeated the Icicles by the score of 19 to 11. Tom Kersey kept the Icicles well in hand during the game.

## O K LAUNDRY GOES TO

TOP IN STANDING  
By virtue of their victory over Diamond D-X Wednesday night 12-8 the O K Laundry boys went to the top in the League standing and are there all alone. Bailey Roberts, their credit fir putting the boys up in old reliable pitcher deserves much their newly acquired berth.

## WHITE WAY BEATS K. U.

White Way Service Station jumped to an early 8 runs lead Tuesday afternoon and held K. U. in tow thruout the entire game to win the contest by the score of 8 to 5. Scoring 8 runs in the first inning and being held scoreless for the remainder of the game while K. U. managed to score 5 runs. Hotter battles are being staged in the leagues every day.

## WARNER LOSES ANOTHER

Another defeat went into the bag for the fast slipping Warner Boys when they went down before the Diamond D-X by the score of 7 to 4 in a well played game. Both pitchers were very effective especially in the pinches by allowing only five and six hits respectively. Warner dropped from the league lead in this defeat while D-X jumped up to second position.

## ICICLES TROUNCE SWIFT

Iceicles melt and Swift freeze. That's what took place Monday night at the ball park when the two clubs of Swift and the Fulton Ice Co. met. Swift jumped to the lead in the early part of the game but the Icicles came from behind in the latter stages of the contest to win out, Fulton Ice Co. is now one of the best teams in the league and much trouble can be expected from them in the future.

## OK LAUNDRY CLEANS

## DALTON CLEANERS

It what was expected to be a victory for Dalton Cleaners turned out to be a victory for OK Laundry

when they entered the last inning trailing by two runs and scored six to win out by the score of 12 to 6.

The game opened with OK scoring one in the 1st, the score remaining that way until the 5th when they scored three more, 2 more in the 6th and won out in the 8th with 6 more. Dalton scored 6 in the 6th for their first runs which looked like a victory for them. Conner snacked a home-run over Buckingham in deep center.

## WHITE WAY WINS

OVER D-X 3-2  
Last week the boys from the White Way Service Station took the boys from Diamond D-X in tow by the score of 3-2 in the best game yet. Both teams were tight especially in the pinches and with both twirlers fighting hard for the victory, McKinney was the deciding factor in the game with a homerun with one man on base in the 6th with the score standing 2 to 1 against them.

## SWIFT PLANT DEFEATS

## DALTON BY SCORE 9-6

In another well played game of last week the Swift Plant lads dressed in the national colors went to bat and batted out a victory of 9 to 6 over Dalton Cleaners. This game was fast and furious at all time with both sides fighting desperately for the win. This put Dalton on the bottom in the standing but they are determined to rise up from now on.

## LANKY LEANS POUR

IT ON THE FATS  
Believe it or not, the Flabby Fats were beaten into submission Wednesday afternoon when they thumped up, again with the Lank Leans. The weather man had no mercy on the Fats and when the Leans had trailed 5 to 2 until the 6th frame they opened up one of the most vicious attacks ever demonstrated on the local diamond. They not only submerged the Flabby Fats, who were already nearly submerged with perspiration, but on top of that rubbed it in to the tune of 19 to 5. Well, luck to you Leans but the standing is still Fats 4, Leans 1. Percentage 800.

### 4-H CLUB WINNERS TO ATTEND STATE ENCAMPMENT JUNE 5-10

The annual spring rally day of 4-H club events for Fulton county recently held at Cayce held contests and demonstrations with the following winners:

Janette Watts of Fulton 4-H club, winner of the state show, will represent this county in the state Junior Week.

Dorothy Elliott and Rachel Turner of Crutchfield were winners in the contest. They will represent Fulton county at Lexington, June 5-10.

Walton Stallins of Cayce and Eugene Douglas of Crutchfield club were winners in the farm practice demonstration team contest. The demonstration was "judging hogs or selection of brood sow." They will participate in the state contest.

Jones Reeves Davis and Clifton Everett of Sylvan Shade club were winners of the terracing contest. They will go to Lexington for the state competition.

Garth Holley of Crutchfield club was selected as the healthiest 4-H club boy, and Margaret Henry of Cayce club was chosen as the healthiest girl in the health contest.

An address by Governor Ruby Laffoon and a trip to the capitol at Frankfort are among the features of the 13th annual Junior Week at the University of Kentucky June 5-10. Approximately 500 select 4-H club boys and girls from 80 counties will be in attendance, as a reward for their interest in better agriculture and homemaking. They will be chosen in county contests and will be the best of the 22,000 club members in the state.

Classes in farming and homemaking will be conducted by the faculty of the university for the benefit of the juniors, and demonstrations in farm and home practices, judging of baked and canned foods, a style show, health contests and other events will keep the boys and girls busy. Several state champions will be selected to represent Kentucky at the National 4-H Club Congress in Chicago.

The visiting boys and girls will

### LUKE RILEY SAYS THE RATS DIE BEFORE REACHING THE RIVER.

Since moving near the river several years ago we've always used BEST-YET. We watched the vicious water rats nibbling at BEST-YET, outside the house. About 15 minutes later they darted off for the river to cool their burning stomachs, but died before reaching it. Kills rats and mice only. Will not hurt cats, dogs or chickens, and there is no smell from the dead rat. BEST-YET comes in two sizes, 4 oz. size 50c 6 oz. size 75c. Sold and guaranteed by A. C. BUTTS & SONS, AMCO FEED STORE, FULTON, KY., Phone 602-603.

be housed in the university dormitories. Each day will begin with a convocation in the soldiers' memorial building, and close with vesper services and a program in the open-air theatre. Speakers include President Frank L. McVey of the University, President Charles Turck, of Centre College, Governor Laffoon and Dean Thomas P. Cooper of the College of Agriculture.
