murray state university

honor's day program

april 21, 1974

May I welcome you to Honors Day.

Many groups contribute to the growth of a student: his home, his church, and his associates. Murray State University is concerned with all of the attributes of its students, but our primary mission is educational development. In preparing for this program, we found that 813 of the undergraduate students enrolled at Murray State University had an overall standing of 3.3 or better. Therefore, we meet this day with a feeling of pride in the scholastic excellence that is being exhibited by our students.

We are pleased that you are attending this program and honoring these fine young people with your presence.

Sincerely yours,

Constantine W. Curris
