To the Voters of Marshall and Lyon Counties.

Fellow citizens,—A few weeks ago I commenced myself a candidacy for a seat in the legislature of Kentucky, in the district of which you are the electorate. There are many things of great moment that are the incentive of my candidacy and the reason why I am seeking your support, but chief of all is this: that I desire to be a member of the party and council of public affairs that is leading this state along the broad path of progress and development. We are all in agreement that Kentucky is more indebted to the late Governor for a great many things than we could have ever dreamed that in the future we could do without his wise and kind influence in public affairs.

In closing, I ask the suffrages of you, my fellow citizens, for the future, and that you will give your decision in favor of my candidacy.
