Mr. Gaynor's death would be a distinct blow to the entire country as he has demonstrated remarkable ability since assuming charge of affairs in New York.

CHOIR SINGER DENOUNCED BY PREACHER

Man Won Automobile in Raffle. Pastor To Rescue.

Helena, Ark., Aug. 9.—Because a member of the First Baptist church of Helena took a chance on an automobile and won it at a raffle held in this city last week, may be the cause of a split in the congregation. It has already been the cause of a meeting of the congregation, called in conference by the winner of the auto, who is director of the choir in the church, which has been participating in the revival services now being conducted in a big tent on the Jefferson school campus. Messrs. Martin and Schofield, traveling evangelists, who are working under the auspices of the Baptist church.

Bro. Martin in his sermon yesterday took occasion to severely denounce "one of the most prominent members of the church," as he termed J. A. Wheeler, the choir director and winner of the auto, for gambling. He also denounced the other good Baptists of Helena whom he understood had been saying on the streets that they were glad Mr. Wheeler, who was a good Baptist, had been lucky enough to win the auto, as he was the first Baptist who had such good fortune for a long time.

At the conclusion of the revival service Mr. Wheeler, who occupied his usual place in the choir, arose and asked for a conference of the members of the church. About 200 members remained. Mr. Wheeler stated that while his name had not been called by the evangelist, yet all present knew he was the one referred to. While it was true that he had won the auto, and strictly construed, it might be said that he was guilty of gambling, yet he did not look at it in exactly that light. He had taken it. He had no idea that he would win. He had no idea that he would win. When he did, however, he was glad. He wanted to sell the machine, as the money would come in very handy to him. He was a poor man and why should he be singled out by the evangelist for attack, he did not understand. He could not truthfully say that he was not glad. He wanted to sell the machine if he did, he would be telling an untruth and be a hypocrite, unless he returned the money paid by all others who took chances to play, and this he did not intend to do.

Mr. Wheeler told the congregation that if he was condemned by them because of a statement made by a traveling evangelist, in the light of the explanation made by him, that he would ask that his name be stricken from the rolls of the church.

Rev. E. D. Solomon, pastor of the local church, who has known Mr. Wheeler for a long time as a good citizen and church worker, came to the support of the brother, whom he said did not do an intentional wrong.

DID HE MURDER ANOTHER CHILD?

Wending Believed to Have Killed St. Louis Child Two Years Ago.

St. Louis, Aug. 8.—Did Joseph Wendling assault and murder a little girl in St. Louis county two years ago?

Wendling, who is here today, will be placed in the presence of a man named Frey, a French gardener, whose little child, eight years old, was found murdered in the vicinity of his home, ten miles from St. Louis, two years ago.

When Joseph Wendling, the alleged murderer of Alma Kellner, was landed in the prison here last night many of the city detectives and police went to the prisoners cell through curiosity to see him. It is said here today that several of them recognized him as the original of photographs published of a suspect in the murder of the little Frey girl.

Capt. John P. Carney, chief of the Louisville detective department, says he has positive evidence that Joseph Wendling was absent from Louisville at the time the Frey child was murdered.

OUR POPULATION NINETY MILLION

No Official Statement, But Census Officials Believe That Will Cover Population.

Washington, Aug. 9.—It will be about the middle of October before the people of the United States learn their true number as revealed by the official count of the Thirteenth Census. It is generally believed that the number will be about 90,000,000, and census officials are known to show in this general belief, although officially they know nothing about it.

This belief is based on the fact that an increase slightly in excess of thirteen million increase in the previous decade would bring the population in 1910 to the 90,000,000 mark.

About three hundred of the more than 18,000 clerks in the census are compiling population figures, while the others are working on other statistics. Contrary to the general opinion, all the counting of the people is done by hand, the tabulating machines being used only in classification as to race, sex and other conditions.

Enumeration figures will continue to be given out day by day for the next two months or more, while the sociological and industrial figures will come later. All enumerated figures are counted from three to four times and an investigation is ordered if there is any suggestion of an error. In two cities evidence of fraud has been discovered, and in one, Great Falls, Mont., a prosecution has been undertaken for fraudulent enumeration.

The intention of Director Durand is to tabulate first the population of the large cities, after which the figures for the States will be given out as they are ascertained, the returns for all counties in the State being announced at the same time as the figures for the State.

ANOTHER BIG CUT IN PRICES

Has Been Announced By Fulton's Bargain Store Opposite the Postoffice.

The big cut on prices at Fulton's Bargain Store is a cruel one to all competitors, but to the economical buyer it is a blessing. Here you can take a dollar and make it go further than you could in New York. Why, because they are overstocked with summer goods and must make room for their new fall stocks. Manager Newhouse tells us that he is going to make the room for his new fall stock if he has to give the goods away, and from the prices he is quoting, we believe him. For instance he is closing out One Hundred of the goods that were good value.

High-roller hats that were good values at \$4.00 for \$1.95; boy's suits at half price, etc. Such prices on seasonable goods is enough to make people buy even if they have to keep the goods until next summer, because when the season opens up next years you will have to pay three or four times the price for which you can get them now. The Fulton Bargain Store is the place for bargains all the time but such bargains as they are offering now cannot last always.

ANOTHER BIG

CUT IN PRICES

Has Been Announced By Fulton's

Bargain Store Opposite the

Postoffice.

The big cut on prices at Fulton's Bargain Store is a cruel one to all competitors, but to the economical buyer it is a blessing. Here you can take a dollar and make it go further than you could in New York. Why, because they are overstocked with summer goods and must make room for their new fall stocks. Manager Newhouse tells us that he is going to make the room for his new fall stock if he has to give the goods away, and from the prices he is quoting, we believe him. For instance he is closing out One Hundred

High-roller hats that were good values at \$4.00 for \$1.95; boy's suits at half price, etc. Such prices on seasonable goods is enough to make people buy even if they have to keep the goods until next summer, because when the season opens up next years you will have to pay three or four times the price for which you can get them now. The Fulton Bargain Store is the place for bargains all the time but such bargains as they are offering now cannot last always.

SHE WAS GRITTY

Stuck to Her Hobbie Skirt in Spite of High Water.

Decatur, Ill., Aug. 8.—The first appearance in Decatur of the new hobbie skirt was one of considerable note, in as much as its wearer, Mrs. James Snyder, had the misfortune to don it Sunday immediately following a heavy rain. The result was that the unskilled matron while on her way to church in the morning took a high dive into a handy mud puddle when within a few blocks of the church and was forced to retire after the rather ludicrous occurrence, much the worse for the mud. After a hurried dry cleaning, the introducer of this novel garb succeeded in renovating its appearance sufficiently to reach church not more than ten minutes behind her worthy sisters, less fashionably inclined.

CONN LINN TO

MOVE TO OKLAHOMA

Made Splendid Record as Member of State Senate—Served as Governor a Day.

Conn Linn, of Murray, Calloway county, State Senator from the Third senatorial district, will leave Murray on Monday for Tulsa, Okla., which place he will make his home. The information was contained in a letter written by Senator Linn to a friend in Louisville. Senator Linn will take up the practice of law in Oklahoma, his friends are predicting for him a bright future in the State of his adoption.

As State Senator from the Third senatorial district of Kentucky, Senator Linn made a splendid record. During the last session of the General Assembly of Kentucky he introduced one of the two libel laws, both of which were enacted, and which gave relief to the newspapers of the State from the unjust laws which previously prevailed. He has always been a friend to newspaper men and accomplished his purpose in the State during his term.

Senator Linn has ever taken an active interest in legislation looking to the educational uplift of Kentucky, and he was the author of many good bills which were enacted during the last session of the Legislature.

URNS \$10,000 INTO TREASURY

Taxes on about one million dollars of property, omitted from the assessment in Jefferson county, have been collected, without suit, by Arthur Hopkins, State Revenue Agent, who has turned into the treasury \$10,000 which was paid by citizens of Louisville. The taxes were due on property such as stock on foreign companies and bonds. Frank P. James, State Auditor, today received the money and was much pleased to have it added to the state's account in bank. The persons who paid the taxes did so when their attention was called to the omitted property and it was not necessary for Mr. Hopkins to sue to recover.

Ballard's
Snow Liniment
Is a Healing Remedy for All Ailments of
the Flesh of Man and Beast.

The speed with which this splendid liniment heals up a bad wound or sore has surprised and pleased those who were accustomed to the slower and uncertain effect of less powerful remedies. It mends the lacerated flesh so quickly that there is but little time lost from work. In relieving rheumatic pains, neuralgia, sciatica, it has done and is doing a wonderful work. Many chronic victims of these diseases have found to their great satisfaction that it cures an attack in a fraction of the time required by the ordinary treatment.

It is equally effective in the flesh ailments of animals. Owners of blooded stock value it highly for two reasons: It heals sores and wounds quickly and leaves no disfiguring scars. This remedy is needed in every home. If its great power and efficacy was generally known, no family would be without it.

WEEK WELL DIVIDED

Special Days for All At Kentucky State Fair.

Experienced People Have Been Placed In Charge of Programs for Each Day and Night.

Busy hours and minutes are ahead of visitors to the Kentucky State Fair of 1910, which will begin in Louisville on the morning of September 12. The interest of scores of organizations has been enlisted, and every day and every night has been dedicated to some particular group, with everybody invited all the time.

Fred W. Kelsker, of Louisville, is general chairman on special days, and A. B. Lipscomb, secretary of the Louisville Commercial club, general chairman on special nights. As heretofore, Monday, the first day, has been set aside for the school children of Kentucky. The youngsters are expected to turn out by the thousands, and a guarantee of one day full of happiness will go along with each school child's ticket sold. Prof. E. H. Mark, superintendent of Louisville public schools, is chairman of school children's day.

Tuesday, September 13, will be farm day, with W. T. Chilton, of Campbell, as chairman. Formal sessions will be held on that day by many of the organizations made up of farm-

ers of the city, as chairman. It is expected this will be one of the banner days of the fair from an attendance standpoint.

Kentucky day will be observed on Thursday, September 15. This will also be press day, and good roads day, with A. D. Miller, of Richmond, president of the Kentucky Press association, acting as chairman, and H. A. Somers, of Elizabethtown, vice chairman.

Friday, September 16, has been especially dedicated to Kentucky's neighbors, and will be known as Southern Indiana and traveling men's day. Adam Heimberger, of New Albany, is chairman, and D. O. Talcott, of Louisville, vice chairman.

Saturday, September 17, has been put down as everybody's day, with everybody chairman.

A testimonial to the great work being accomplished by Kentucky club women is evidenced in the dedication of the first night of the fair as woman's organizations' night. Mrs. Chas. P. Weaver, of Louisville, is chairman. German-American night will be observed on Tuesday, with Louis Seelbach, of Louisville, chairman, and the Irish-American citizens of Kentucky will be the special guests of the fair on Wednesday night. E. J. McDermott, of Louisville, is chairman for that evening.

Fraternal night will close the fourth day of the fair Thursday. Under the chairmanship of R. W. Brown, of Louisville, a monster committee is expected to bring out one of the largest outpourings of fraternal society membership ever seen in the Ohio valley. Friday evening, September 16, has been set aside as commercial organizations' night, with Dr. W. B. Gossett, of Louisville, chairman. Farewell night will close the fair week, Jas. E. Dorland, of Louisville, being chairman of the occasion.

LIVE STOCK PARADE.

All Prize Winners to be Seen at One Time at Kentucky State Fair.

No single event of the Kentucky State Fair, September 12-17, will attract more attention than the great live stock parade. This will take place at 2 p. m. Friday, September 16, and will be made up of first prize winners in the various classes during the week of the fair. The judging will be over then and the champion, first and second ribbons tied, and the admiring public will have an opportunity to witness the parade of the champions in every class. This show takes place in the immense live stock pavilion, which affords ample opportunity for ten thousand people to view the magnificent sight.

KENTUCKIAN KILLED.

Cadiz, Ky., Aug. 8.—News has been received here from Murphy, N. C., stating that Saturday a tragedy occurred in that city in which two men lost their lives and another was seriously injured and may die. According to the meager reports received, Lex Battles, of Murphy, while under the influence of liquor walked into the Jenkins hotel and without warning opened fire on a group of young men who were congregated there. Benjamin Franklin Hyde, of the city, was shot through the heart and instantly killed, and J. J. Simpson, of Rogersville, Tenn., was shot through the body and died Sunday about 4 o'clock. Hugh Johnson, of Marble, N. C., was shot and seriously wounded, but has a slight chance to recover.

Any lady can easily make from \$18.00 to \$25.00 per week working for me quietly in her own home locality. This is a bonafide offer—one which will pay you to investigate, even if you can only spare two hours per day. No investment required. Turn your spare time into money. Write me at once for particulars. Address MARY B. TAYLOR, Box 30, Woman's Building, Joliet, Illinois.

FOR SALE—One lot grocery fixtures consisting of show cases, scales, etc., also wagon and mules. Will sell cheap. See L. A. Boaz. 247-w.

CALEB POWERS FOR CONGRESS

Louisville, Ky., Aug. 8.—Unless the Democrats of the Eleventh congressional district can elect their representative to congress this fall, the probability now is that Caleb Powers, three times tried for complicity in the murder of Gov. William Goebel, will be the next congressman from the greatest Republican stronghold in Kentucky.

Since the beginning of the campaign Powers has had the best of his controversy with Congressman D. C. Edwards, and now seems that he will easily win the nomination.

The Democrats are working quietly in the Eleventh, and it seems that they have a good opportunity of winning in the general election this fall.

A CARD FROM REV. ATWOOD

Please announce through your columns that Rev. T. Hunter, of Pittsburg, Pa., will begin his labors as pastor of the Presbyterian church the first Sunday in September. Also that I will begin a revival meeting with him the first Sunday in October to which not only the Presbyterians but all Christians of the city, and all others will be heartily welcomed.

Haughton, of Spring Creek; Richard Haughton of Steele, Mo., and Mrs. Mary Love of Cairo, Ill., several grandchildren and great grand children survive her. She was buried at the Spring Creek cemetery.

M'COOL WAS ACQUITTED.

Murray, Ky., Aug. 8.—Clancey McCool was acquitted Saturday afternoon in the Calloway circuit court on the charge of murdering Joe Utterback last Christmas.
