STONY CREEK.

Stony Creek, Ky., May 27, 1891.

Your request for the sale of a few hundred bonds of the New and Improved Electric Light Company of Stony Creek, is received and acted on.

The company has been organized on a sound and conservative basis, and is abundantly capitalized with sufficient funds to carry on the business as a paying concern.

The stock is not subject to the tax laws of the United States, and is not affected by the death of the owner. It is therefore a secure investment, and a desirable substitute for city real estate.

The bonds of the company are payable in two and five years, and are negotiable.

The subscription price is $25, and the bonds are payable in cash.

Orders for bonds should be addressed to
