All voters who believe \$1.50 enough for poll tax, will vote for the new constitution.

NoDemocrat in the south canafford to waste time on the sub Treasury scheme as any other than one of the leading protenses of the new party We say pretenses advisedly because there is no excuse for such a movement. The democratic party presents every principle advocated by the Alliances, except the absured and ridiculous and long-exploded Greenback idea of fiat money and the mischievous and indefeansible scheme of the sub-Treasury. But it will serve the good purpose, this third party movement, of putting the democratic farmers of the south everywhere upon their gnard and of showing them what they escaped by refusing to lend have hitherto lain idle. themselves to the futherance of that scheme and the men who are behind party are indentical.

The platform of the third party lands. contradicts itself materially. For instance, it declares that "legal-ten munerative wages, to millions of der Treasury notes shall be issued men in the factories, workshops and in sufficient volume to transact the business of the country on a cash basis and that these notes shall be rate. ioaned to the people on demand at not more than 2 per cent. per annum upon non-perishable products as farm would be worked to its fullest indicated in the sub-Treasury plan and also upon real estate with prop- the provisions for the great army of er limitation upon the quality of workmen employed in other occu- The fence is all sound yet, land and amount of money."
