Welcome to the Honors Day ceremonies for 1979.
No other event typifies a university's reason to be
more than this one.

The students receiving awards today have in common
a record of dedication and achievement at Murray State.
Their work serves as an example for all students and
makes our work more worthwhile.

As the University continues to move towards true
academic excellence, Honors Day is an opportunity to
recognize students who are helping to reach this goal.
For them, and for Murray State, today is time to savor
the past and anticipate the future.
