Dyspepsia

For ten years a sufferer from dyspepsia, and have tried all other remedies, but with no success, until I began using Dr. Grove's Tastesless Chill Tonic. It has given me the most complete relief in a few days, and I am now as well as ever. I wish to say how thankful I am for the benefit I have derived from this remedy. I have found it a great boon to me, and I can heartily recommend it to all who are suffering from dyspepsia. I have no doubt that it will be equally efficacious to others who have a similar complaint.

Mrs. Margaret Chandler.

Dyspepsia.

H. L. Hamby, Proprietor.

This popular hotel has been in business for ten years, and has gained a reputation for comfort and convenience. It is located on the main street of the town, and has easy access to all parts of the city. The rooms are large and airy, and the beds are comfortable. The hotel is managed by Mr. H. L. Hamby, who has lived in the town for many years and is well known for his hospitality.

J. M. Thompson, Agent.

The hotel is open to the public, and those who wish to make use of its services are requested to call and see Mr. Thompson. He will be happy to show them around and give them all the information they may require.

COMMISSIONER'S BALL.

The sales of the hotel have been good, and the management is satisfied with the results. The hotel is well patronized, and the guests are always well looked after. The hotel has a variety of rooms, and can accommodate a large number of people. It is a convenient place to stay, and those who wish to make use of its services are cordially invited to do so.

H. L. Hamby, Proprietor.

We will sell and deal in

GROVES TASTLESS CHILL TONIC

M ANUFACTURER, F. J. B. GROVE, ROCHESTER, N. Y.

This is a perfectly safe and effective remedy for all cases of dyspepsia. It is not a medicine, but a tonic, and is therefore not liable to the objection of a medicinal taste. It is a perfectly agreeable and pleasant drink, and is perfectly harmless. It is a perfect cure for dyspepsia, and is the only remedy that I have found efficacious.

Mrs. Margaret Chandler.
