LABOR DAY.

Vote for the new constitution.

Where are you going to vote? This is the one and only chance for the working men and women of the country to have a vote for progress.

If you want to be "shut out of the day," where you will not get the ballot for the new constitution, then you want to work your losses, salute the flag and march to the polls, or else you want to wear your votes more than 90 days.

Miss Willits and family have been visiting their friends in this vicinity all week.
