EX-SHERIFF JIM SEAT GOES ON RAMPAGE

Fired Three Shots Over Head of Representative Frank Moore in Hickman.

James T. Seat, former sheriff of Fulton county, while under the influence of liquor, proceeded to shoot up the town of Hickman yesterday.

Following an alleged quarrel with his wife the latter left Seat a few days ago and the ex-sheriff has since been on a big spree.

Representative Frank Moore was sitting in his law office conversing with a friend yesterday afternoon when Seat suddenly entered the room with a drawn revolver. Elevating the muzzle of the gun towards the ceiling Mr. Seat is alleged to have fired two or three shots in quick succession. With his gun the drink crazed man motioned for the stranger to leave Moore's office and the stranger waited for no second invitation. Seat then proceeded to express his opinion of Moore in strong language. Being unarmed and entirely at the mercy of Seat, Moore attempted to quiet and pacify the man. After a time Seat saw fit to depart from Moore's office. Getting into a buggy he then proceeded to defy the officers to arrest him. When Deputy Sheriff Bob Goadler approached Seat the latter flourished his cannon and told him to keep back or he would shoot him. Being a good friend of the drink crazed man and having no desire to kill him, he killed Mr. Goadler retired to await an opportunity of catching him unawares. At this juncture, while Seat's attention was directed in another direction a man, whose name is not known here, caught him by the collar, jerked him from the buggy and quickly disarmed him. He was then escorted to jail and locked up.

At 3 o'clock this afternoon Seat is still in jail, no effort having been made to get bail for him. His wife rushed to the jail after her husband's incarceration and has since remained in the building.

Many business houses were closed and the streets were deserted while Seat ran amuck.

Mr. Seat is a good hearted fellow when sober, but a terror when under the influence of liquor. During the last term of circuit court, while dependent, he attempted to commit suicide. But for the prompt and heroic treatment of several physicians his effort would have been successful.

MAYFIELD TEAM WON SEVERAL PRIZES

The Mayfield Woodmen should feel proud of their degree drill team as the boys under Capt. G. T. Blassingame acquitted themselves with much credit yesterday at Union City, the occasion being Woodmen Day. Several splendidly drilled teams competed against the Graves county lads but the latter were superior both in numbers and in quality.

The Mayfield team was awarded first prize for the best drilled team, another for having the largest number of men in the team, the captain was awarded one and another was bestowed upon the team for being the most orderly company in the encampment.

FRENZY BROUGHT FREEDOM.

Negro Scared Into Forcing His Way Out Of Jail.

Paris, Tenn., Aug. 18.—A most unusual instance of the result of a combination of superstitious fear with practical joking has just come to light here. On the night of August 17, while the colored population of Paris was making arrangements for the celebration of "emancipation day," a fight resulted and Alfred Grizzard was locked up.

It so happened that a few months ago a negro, Albert Lawson, was hanged in the rear of the city lock-up by a mob. Upon the incarceration of Grizzard some practical joker hid himself near the rear wall of the lock-up, and with sundry wails and mourns communicated to Grizzard that the speaker was the ghost of the hung Lawson. The prisoner was frantic with fear and attacked the wall with his bare hands and head, and by a strange streak of luck his assault was made at a point where a previous ineffectual attempt had been made to escape. The prisoner found a loosened brick, and in a few minutes in his frenzy worked his way to freedom.

The police were surprised on returning to find the prisoner had escaped, and were more surprised when he made his appearance yesterday morning and gave himself up, telling the above remarkable story. He evidently had no desire to be a fugitive from justice, but was frightened out of his wits when he thought he was communicating with the ghost of a dead acquaintance.

ROPKE SHORTAGE \$1,200,000

Fidelity Trust Company Will Increase Stock to \$200,000.

Louisville, Ky., Aug. 18.—Stockholders of the Fidelity Trust Company, at a meeting this afternoon unanimously voted to increase the capital stock of the company from \$1,000,000 to \$2,000,000. The net shortage of August Ropke, former assistant secretary of the company, was announced as \$1,200,000, his gross shortage having been reduced considerably by securities and property turned over to the bank. It was announced that through recoveries of securities from Ropke that there would be a surplus of \$25,000 left the company, whereas, it had been previously stated that Ropke had made away with the entire surplus.

Ropke is still in jail awaiting trial in November.

An election of officers of the Fidelity Trust Company will be held in six or seven months hence, it is said.

LID GOES ON WITH "BANG"

Nashville, Tenn., Aug. 18.—Nashville's wine rooms, in which drinks are sold to men and women, were ordered closed by last night by the police, on an order supposed to have emanated from Mayor Howse. He could not be located Wednesday night but the proprietors admitted that they had received orders to shut down. The police would give no statement on the matter.

All pianos in saloons were also ordered taken out.

DIVORCE, HABEAS CORPUS, WARDEN

After Quarrel With His Wife der-Says His Children Taken Away.

Mayfield, Ky., Aug. 19.—James Monroe is hearing an interesting habeas corpus case Wednesday which John Crider is attempting to secure possession of his children. In the meantime his wife is suing for divorce, and he is out warrants charging her with kidnapping. Ernest Lowery, and Pete Hobson were present. Their hearing was postponed until Saturday. He claims that Sunday they forcibly took the children away from him after he had quarreled with his wife. This happened east of Mayfield.

W. FRANK KENDALL.

Martin, Tenn., Aug. 19.—W. Frank Kendall died at his home near Martin very suddenly yesterday at about 12:30 o'clock, from an accidental discharged shotgun kicking him in the pit of his stomach while he was out hunting last Tuesday.

He was an old Confederate soldier. He passed his seventy-fourth year last Monday. Was born in Henry county near Paris.

He leaves two children, Sam Kendall of that vicinity and George Kendall of Memphis.

CELEBRATE GOLDEN WEDDING

Hickman, Ky., Aug. 19.—The golden wedding of Mr. and Mrs. Otto Hertwick, of this city, who are visiting in Fresno Cal., was celebrated a few days ago. Mr. and Mrs. Hertwick were married in Hickman, Ky., fifty years ago, and since that time have lived in Hickman. Mr. Hertwick was the founder of the Hickman Wagon Company of this city. Mrs. Hertwick was the daughter of Louisiana planter. Hickman Ky., was well represented at their golden wedding, there being fifteen persons who formerly lived here.

SPIES AND SPOTTERS.

The men employed on the Cairo and Fulton districts of the Tennessee division of the Illinois Central railroad are now being closely watched by a bunch of spies and spotters whose only chance to hold their jobs depends upon their ability to get some other fellow into trouble. As a result of the efforts of these slick citizens several of the most popular and capable conductors on the road have either been dismissed or are now threatened with dismissal.

These spies get on the trains and report any little negligence upon the part of the employees or if they see nothing of that kind to report they charge the conductor with stealing cash fares and the flagman with undue familiarity with passengers.

Why the railroad authorities will take the word of a spotter, who must get some body in to remain on the pay roll in preference to the word of a man who has been an employee of the company for many years is beyond our ability to understand. In all law courts the prisoner at the bar is entitled to the benefit of the doubt. The same rule ought to hold good with the employees of the railroad company. Unless Mr. Spotter can introduce positive proof to back up his charges he should be discredited and kicked into eternity.

TRIAL POSTPONED.

The trial of Will Steven, for breach of peace, and Bill Armstrong, who is accused of shooting at Stevens, an account of which was exclusively given in these columns, was to have been held this afternoon but owing to County Attorney Roney's inability to get here the case was continued until tomorrow.

The weed harvest is ready. Gather it. If you value the economy of saving time never let the weeds ripen their seed to grow an additional harvest next year. Some of our Fulton walks are hardly passable.

A crowing rooster never laid the golden egg, so do not try to impress people with your importance by crowing. If you are really important they will find it out. If you are of no account you will not deceive anyone by acting as though great interests rested in your keeping. The day of pomposity is past, we hope never to return. More people than ever before are intelligent and able to judge those with whom they come in contact. This means that they are able to judge you and place a true rather than a false estimate on your abilities.

Occasionally one will hear the remark, "I wish I was out of this town," and then one feels like saying, "I wish you were," for a man who stands on the street corners chewing and spitting, telling obscene stories, cursing the town, finding fault with his grand mother, because she was a woman, claiming that the merchants are a lot of thieves, that the lawyers and newspaper men would skin a man to a finish, and a whole lot more, is a nuisance and an abomination. Any town pestered with one or more such worthies would be justified in exercising cow-hide authority on the bosom of their pants. No one is obliged to live where he is not suited. If one hasn't an encouraging word for the business enterprise and institutions of his town, he should shut up and "go way back and sit down." If things don't suit you, move to where they will. A growler and sorehead in a town is an enterprise killer every time. It would pay a town to donate him \$5 and tell him to move.

A statement issued Saturday by the Postoffice Department, shows that to date only one Postmaster in Kentucky has asked that his office be made a postal savings depository. But thirty three Kentucky banks have filed applications.

NEWS FROM THE GRAVES CAPITAL

Much Doing In Courts. Several Want Marriage Bonds Severed.

Mayfield, Ky., Aug. 19.—Two sensational damage suits were filed in circuit court Thursday. The plaintiff to each one is Mrs. Ida Ducobu against J. J. Osborn for \$5,000 damages and the other one against John Wright for \$10,000. The attorneys for the plaintiff are Webb & Weeks.

Mrs. Ducobu states in her petition that on or about August 25, 1909, the defendant, Osborn spoke of and concerning the plaintiff these words: "That some person had stolen from John Wright \$400 and that he was satisfied that it was Oscar Ducobu's mother and if they did not return the money was found in some of the prosecute her."

The suit against Mr. Wright for \$10,000 alleges that he also spoke words accusing Mrs. Ducobu of stealing \$400 from him.

About a year ago, it seems that a roll of money, about \$400 at the Wright home got misplaced some way and could not be found at the time. Several months later, it is understood the money was found in some of the trunks or dressers by Mrs. Wright. Mrs. Ducobu claims that the shock by being thusly accused has permanently wrecked her health.

Other Suits.

F. W. D.mie has sued Mamie D.mie for divorce on grounds of desertion. They were married in 1906 and separated last year. Johnson & Wyman are attorneys for the plaintiff.

Elvie Hooper Higgins has brought suit against S. T. C. Smith for \$264.05 alleged to be due on a note. The plaintiff asks for an order directing the sale of certain property to satisfy the claim. Attorney W. B. Stanfield represents the plaintiff.

Mrs. Keren H. Tartt, of Wingo, has filed suit in circuit court against her husband, J. M. Tartt, for a decree separating them from bed and board and for \$2,500 alimony. An attachment on his store was granted and house closed by order of the court.

Through her attorney, W. J. Webb, Mrs. Effie A. Jackson, of Wingo, has filed a suit for divorce from W. R. Jackson. She states in the petition that they were married in South Fulton March 11, 1908, and located afterwards in Peoria, Ill., where they lived until May 2, 1908, where he deserted her. She also desires to be restored to her maiden name of Effie Simpson.
