THE KENTON TRIBUNE.

VOL. III.

BENTON, KY., THURSDAY, JULY 23, 1891.

NO. 39.

TWENTY REASONS
Why Good Citizens Should Vote for the New Constitution.

1. It provides to nations 3 this property shall be exempt from taxation, real or personal and thus every man shall be treated equally.

2. It provides that none shall be exempt from taxation, except public improvements, school districts, and religious societies.

3. It provides for the disposal of public lands by the several states under such acts and regulations as may be prescribed by the states, in their discretion.

4. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

5. It provides that the state treasurer shall be elected by the people of the state, and that the state shall be divided into districts, and that the state treasurer shall be elected by the people of each district, and that the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

6. In section 6 it provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

7. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

8. In section 8 it provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

9. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

10. In section 10 it provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

11. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

12. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

13. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

14. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

15. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

16. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

17. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

18. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

19. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

20. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

21. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

22. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

23. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

24. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

25. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

26. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

27. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

28. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

29. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

30. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

31. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

32. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

33. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

34. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

35. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

36. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

37. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

38. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

39. It provides that the fees of state officers shall be placed in the treasury of the state, and the same shall be payable to the state treasurer, who shall deposit the same with the state bank, and the interest on the same shall be paid to the state.

Our Position.

"We will try to be the best of all our competitors," said Mr. Benton to his friends on Friday, "and we will do our best to make sure that our patrons are satisfied with our services."

To Close Out all Goods.

"Just received a consignment of 500 pieces of the best French satines! 500 pieces of the best French satines! And we are only selling them for 3.00 each. If you are looking for a good deal, this is the time to buy."

Sold by Retail.

"In order to close out my stock of dry goods, I will offer them at reduced prices."

Immersed Bargains

"In calico, cotton plads, damasks, gingham, muslins, white and black embroidered linens, ham- burgers and swiss embroidery, etc. None of these goods are shelf worn or damaged in any way. I have just decided to quit the dry goods business and put in a different line of goods. I wish to close out these goods by the first of August and will offer you goods in many instances cheaper than they can be bought.

Bought at Wholesale.
