Judge Sick

Dear Sirs,

I am writing to express my concern about the situation at the Phoenix Hotel. I have been a long-time guest at the hotel, and I have witnessed several occurrences that I believe require your attention.

Firstly, there have been reports of a strange phenomenon that seems to be occurring in the room where I stay on the third floor. On several occasions, I have found objects moving on their own, and I have heard unexplained noises in the hallway. These occurrences have caused me significant anxiety and have led me to question my own sanity.

Secondly, the caretakers have been observed acting strangely. They have been seen pacing the corridors and muttering to themselves. This behavior is concerning and has led to speculation about their mental state.

Lastly, there have been reports of a ghostly figure seen in the lobby. I have personally seen this figure, and it appears to be a former guest of the hotel who passed away some time ago.

I urge you to thoroughly investigate these matters and take appropriate actions to ensure the safety and well-being of all guests. Your prompt attention to this matter is greatly appreciated.

Sincerely,

[Your Name]
