The Pride of Fulton.

O. K. STEAM LAUNDRY
FULTON'S BIGGEST ATTRACTION THIS WEEK

O. K. STEAM LAUNDRY this week was a source of considerable pride to the people of Fulton. Mr. O. K. Dew, owner of this establishment, has been working very hard for the past few weeks to improve his laundry and make it the best in the county. With the help of his new press and the latest equipment, he is now able to clean and press a larger amount of clothes in less time than ever before.

The laundry is run by Mr. Dew and his wife, and they are both very experienced laundry workers. They take pride in their work and are always willing to go the extra mile to make sure that each customer's clothes are clean and pressed to perfection.

The laundry is located at 123 Main Street and is open every day from 8:00 AM to 5:00 PM. They offer a wide range of services, including dry cleaning, laundry, and pressing. They also offer a same-day service for those who need their clothes pressed in a hurry.

The laundry is very clean and well-organized, with a large amount of equipment and supplies. The employees are all well-trained and take great pride in their work. They are always willing to go the extra mile to make sure that each customer is satisfied.

In summary, O. K. STEAM LAUNDRY is a great addition to the community of Fulton. They offer high-quality services and take great pride in their work. They are a great asset to the community and are sure to continue to thrive in the future.

The Union Pacific Railroad has made some changes in tariffs at the Bloomington passenger terminal. The changes are effective immediately and will affect all passengers traveling to and from Bloomington.

The changes include an increase in the cost of first-class and second-class tickets, as well as the cost of luggage. The changes are intended to help offset the cost of providing better service to passengers.
