## J. E. JACOBS SMASHES THINGS IN LOVE HOME

While Under the Influence of Liquor Jacobs Goes Looking for Man Against Whom He Has An Old Grudge.

At an early hour this morning J. E. Jacobs, a well known express messenger, while under the influence of liquor, went to the home of Bud Love and proceeded to start a rough house. He was looking for Mr. Love against whom he has an old grudge as the result of family troubles. Not finding Love at home Jacobs tore down a screen door, pulled down some curtains and was in a good way of tearing up the place when he accidentally dropped his pistol. The weapon exploded and the bullet struck Mr. Jacobs in the calf of the left leg inflicting a painful, but not serious wound.

George Jones and Ben Gholson, who live in the neighborhood, rushed over to the Love home and prevailed upon Jacobs to leave the place with them. He was assisted to the home of J. A. Milner where he received medical attention. Dr. J. M. Alexander, who dressed the wound, says Mr. Jacobs will be alright in a few days provided no complications arise.

Two warrants were issued for Mr. Jacobs, one charging him with a breach of peace and the second with having made threats against Mr. Love. The warrants were executed by Deputy Sheriff Bailey Huddleston. Jacobs' physical condition being such as to preclude the possibility of a hearing today the trial was postponed indefinitely.

To preclude the possibility of a hearing today the trial was postponed. An effort will be made to place Jacobs under a peace bond to prevent a repetition of the offense.

He is now under a \$400 bond for an alleged previous attempt to injure Mr. Love.

### NOAH COFFEE BREAKS JAIL.

Paducah, Ky., Aug. 24.—For the second time Noah Coffee, charged with house breaking, effected his escape for the county jail at Benton and is still at large. While serving a sentence in jail here it was learned that Coffee had broken into the store of J. W. Province, at Gilbertsville, and he was transferred to Benton. After his preliminary trial a few weeks ago Coffee escaped from jail, but was recaptured and placed in a more secure cell. Surrounding towns and cities have been notified to watch for him.

### WHY HE ADVERTISES.

A prominent business man of Michigan explains why he advertises and why he uses newspapers for that purpose, as follows:

"I advertise in the newspapers because I am not ashamed of my goods or of my work and to let people know about myself, my store and my stock; because I enter to the intelligent class, and they read the papers and I believe in increasing my business because I can talk to more people through the newspapers at a greater distance in less time and at a more reasonable price than in any other way; because my newspaper advertising has brought me greater returns for the least expenditure of any advertising I have done; because when I write an ad. I am not too stingy to pay for placing it in the best possible medium or to have it inserted so it is attractive; because I know my ad. is seen and read by every one in the house where the paper goes."

### CITY MARSHAL DIES AT HICKMAN.

John Dillon Died This Morning As Result of Heart Trouble. Had Been Ill Two Weeks.

City Marshal John Dillon died suddenly of heart trouble this morning at the home of his aunt, in Hickman. He had been ill for about two weeks with inflammation of the bladder but he was rapidly improving and would have soon been able to resume his duties on the police force. His sudden death today from heart trouble was a stunning surprise to his many friends in Hickman and Fulton, all of whom thought he would soon be out again.

Sheriff Johnson, who is a nephew, by marriage, of Mr. Dillon refused to credit the story, when informed of his relative's death, until he telephoned to Hickman for direct information. Mr. Johnson said he went to see Mr. Dillon last night and talked to him a long time. The deceased leaves no immediate family but has many relatives in Hickman. He was a man of unimpeachable character and as true a friend as man ever had. He was a scholarly gentleman, a true southern aristocrat who lived strictly in accordance with the views and teachings of his forefathers. As an officer of the law he was fearless and impartially enforcing the statutes rigidly without fear or favor. He will be sorely missed from his accustomed place in Hickman and his taking is a sad blow to the entire county.

The funeral services will be conducted tomorrow afternoon at 3 o'clock in Hickman.

### CARD OF THANKS.

We desire to express our grateful appreciation for the many acts of kindness extended and sympathy expressed over the death of our mother. And our relatives away from here desire to express in this way to each and every one who comforted us and them in our sorrow, their gratitude.

HARRY EKDAHL,  
KARL EKDAHL.

### PLAYING TODAY.

As we go to press the famous Martin baseball team is waging a hot battle with the locals for supremacy on the diamond. The visitors have the advantage of good team work but the individual players on the local team are better than Martin boasts of.

The games tomorrow and next day will be great exhibitions.

### BITTEN BY SNAKE.

Carl Kelly, the youngest son of Col. and Mrs. R. E. Kelly, of near town was bitten by a snake Tuesday afternoon while out hunting. Carl, with his older brother, John, had gone into the woods to shoot some squirrels and it was while thus engaged that the little fellow was bitten on the ankle. John Kelly beat up the snake with his gun stock and left it for dead but later it was discovered that the reptile had crawled away.

Dr. Alexander was hurriedly summoned to treat the wound. Although the boy's limb is considerably swollen today he is out of danger.

### ANOTHER KILLING ADDED TO THE LIST.

John Abner, Noted Kentucky Feudist Dies With His Boots On.

Jackson, Ky., Aug. 23.—John Abner, noted feudist, who took part in the Hargis-Callahan-Dutton and Smith factional quarrels, was shot and killed by unknown parties near the river bridge in Jackson last night. Abner was shot several times and death was instantaneous. Bloodhounds have been called from Lexington and an effort will be made to trace the assassins.

Abner had been accused of being one of the men employed by Judge James Hargis and others to assassinate Dr. B. D. Cox, James Cockrell and James B. Mareum during the reign of feud murders eight years ago, but on each trial the jury disagreed and the charges were never pressed to conclusion.

### HEART SEWED UP AND WAITER MAY LIVE.

Was Stabbed By a Patron Who Objected to the Quality of the Soup.

New York, Aug. 24.—With twelve stitches in his heart, Samuel Harman, a waiter, is resting comfortably today in a hospital here. He was stabbed last night by a customer who objected to the quality of the soup he served.

The operation which physicians say is the seventh of this kind in the history of all surgery, was technically successful and it seems more than possible that Harman will live.

### NEW TEACHER CHOSEN.

Hickman, Ky., Aug. 24.—At a meeting of the school board, for the purpose of electing teachers for the new school in West Hickman, Mrs. Avee Journey and Miss Light Farris were elected for the initial term. This school has just been established. Hickman College being so crowded that for the past two years they were compelled to rent rooms elsewhere to accommodate the school children. The primary pupils in West Hickman having to walk so far to Hickman College, it was decided to establish a school in West Hickman for primary children of that section, and to be in connection with Hickman College, under Prof. B. F. Gubby. This branch school and Hickman College will be open on Sept. 12.

### ALLEGED BOOTLEGGER ARRESTED IN GRAVES.

Is Brought Here By Marshal Neel and Lodged in County Jail.

Paducah, Ky., Aug. 24.—Charged with selling liquor without a license, Claude Kennedy, a young planter, of Lynnvill, Graves county, was arrested Tuesday by Elwood Neel, deputy United States Marshal. Kennedy was brought to Paducah and waived examination before Armour Gardner, United States commissioner. He gave bond in the sum of \$100 and returned home.

J. M. Simmons, of Jackson, Tenn., was a caller at this office today. Mr. Simmons is a prominent newspaper man of Jackson and stands a good chance of being sent to the legislature from his home district. He is a thoroughbred Democrat, but don't believe in machine politics. The manager of this paper worked with him twenty years ago in the newspaper business and knows whereof he speaks.

### LAND FOR SALE.

I want to sell 500 acres of fine land 6 miles of Fulton at \$35.00 per acre on easy terms. Will trade for 50 to 100 acres on the deal. Over 300 acres in high state of cultivation. J. F. FALL, Fulton, Ky.

### UPCHURCH JAILED.

and His Young Victim Brought to Mayfield.

Mayfield, Ky., Aug. 24.—It was a strange sight yesterday when Chief of Police McNutt got off the train, taking in his custody Riley Upchurch, a young man, almost blind, handcuffed, and a small girl, Margaret Riley, 11 years, following closely behind. Upchurch and the girl left mysteriously two weeks ago, leaving the girl's mother that they were going blackberry picking. Although a diligent search had been made they were not heard of until arrested at New Madrid, Mo.

Upchurch was landed in jail on the charge of abduction, and the trial set for Friday.

Malinda Thompson, mother of the girl, embraced her daughter as she stepped from the train, and the scene was a pathetic one.

The great crowd of people that had assembled at the depot, strange to say, made few remarks and no demonstration, and the law will be allowed to take its course. Upchurch claims to be 46 years old, but looks much older.

The girl is very small for her age.

### HERRMAN ON MARRIAGE.

Bachelor Magistrate Moved to Speech By Case Before Him.

New York, Aug. 24.—Magistrate Herman, who is a bachelor, had a case of non-support before him in the Yorkville court yesterday that led him to say:

"The evil of the times is that too many boys and girls get married before they reach an age of good judgment as to what married life really is. A pretty face makes a boy think he must either die or get married. Usually he gets married. Then children come, and the young man's loss of usual income begins. Then child and child finding, and the husband skips out and the relatives or the community is called on for the support of the abandoned ones."

"It would be a good thing for the community if there was a law prohibiting marriage under 21 years."

### LAMB-ARNOLD.

Gleason, Tenn., Aug. 24.—Miss Addie, daughter of Mr. and Mrs. Ledbetter Arnold, of near here, and Silas Lamb of this place, were married Sunday while seated in their buggy at the home of Squire W. L. Gainer. Squire Gainer said the ceremony, after which a reception was given them at the home of the bride's parents.

### HAND SEVERED

BY BUZZ FAN.

Girls Almost Faint When Severed Hand Falls Into Midst.

Paducah, Ky., Aug. 24.—While oiling an electric buzz fan, at the Paducah laundry Company, Fifth and Jefferson street, Tuesday night, Warren Parker, a negro, 38 years old, of 320 South Second street, slipped and his right hand was thrust into the blades. With its broken fingers, the hand that had been chopped off at the wrist fell among a dozen or so young girls working below.

Several of them came near fainting. Men in the pressing department ran up the ladder and got Parker down. He was hurried to Riverside hospital, where Dr. W. J. Bass amputated the mangled arm below the elbow.

Although badly hurt, it is the opinion of Dr. Bass that Parker will survive the attendant loss of blood.

### FOREST FIRES SWEEP- ING THE NORTHWEST.

Almost A Thousand Men Are Reported to Have Lost Their Lives.

Spokane, Wash., Aug. 24.—The loss of life will reach high into the thousands as indicated by reports from various sections of the Pacific northwest, over which forest fires have been raging for the past four days.

Word from Butte, Mont., says that 600 fire fighters who left Thompson Falls four days ago are reported lost.

A dispatch from Wallace, Idaho, says that Forest Supervisor Weigle has received word that 200 men have perished at the headquarters on the St. Joe River.

Fires in the great Coeur d'Alene national forest are beyond control and threaten millions of dollars in timber.

Fires on Coeur d'Alene Indian reservation and the Palouse national forest have been checked.

The United States is the largest loser and next in importance are the losses sustained by the Chicago, Milwaukee & Puget Sound railroad company, which has suffered the destruction of bridges, buildings and timber lands for forty miles.

In Montana the fires have covered an area more than fifty square miles according to Forest Supervisor Fenn.

The weather service says that no rain is in prospect.

Spokane, Wash., Aug. 24.—That Elk City is still on the map and out of reach of the forest fires ravaging the surrounding country, which is ablaze for miles, is due solely to the heroism of the women of the town, who, while the male population was fighting the advance of the conflagration, guarded their homes and the business incipient blazes started by brands carried from the burning forests. Many of them stayed on roofs of the buildings all night, and but for their bravery, the town would have been a mass of smouldering embers.

### FULTON'S GREATEST ADVERTISING MEDIUM

Is the Fulton Commercial & Farm Journal That Circulates Throughout This Entire Section.

Only those who advertise in the Fulton Commercial & Farm Journal know its real worth as an advertising medium. Why? Because it goes into nearly every home in a radius of twenty-five miles of Fulton and is read by at least 5,000 people every week. Therefore quick results follow. The Commercial is doing more to bring trade to Fulton than all other combined sources. The Commercial is recognized by the people of the surrounding country as the best paper ever published in Fulton. It contains not only all the home news, but gives a summary of the news of the nation.

The majority of people who live in Fulton do not realize what such a paper is to the town, but if they place an advertisement in its columns they can readily see the results. Go out in the country and see for yourself how the Commercial stands in the rural districts. Call at the Commercial office on Lake street and ask for a copy of the paper and you will get twelve pages brimful of news and advertisements of Fulton's progressive merchants who have learned long ago that it was an uphill business to get the cream of trade unless they advertised their wares and let the people know when they have bargains for them.

If your advertisement is not in the Commercial that accounts for dull times around your place. Perhaps you do not have an opportunity to get up your advertisements. If that is the case let us get them up for you. Twenty years experience along that line and the constant study of advertising places us in a position to shape your advertising in an attractive way. Try us.

## CLINTON NEWS.

(Gazette.)

Pastor A. C. Moore began a protracted meeting at the Spring Hill Methodist church Sunday, and Rev. B. J. Russell of Fulton is assisting in the preaching.

Mr. W. B. Finch asks the Gazette to call the Farmers' Club to meet in Clinton on Monday Sept. 5, to take steps to prepare an exhibit of county products at the State Fair which opens Sept. 12th. All farmers and others interested are requested to attend this meeting.

Harry Jordan is in Fulton visiting his boy friends Enlow West and Wade Cox until tomorrow.

W. B. Finch has been appointed to a position in the State Fair which will be held at Louisville Sept. 12. The duties of Mr. Finch, as well as Mr. Graham, will be those of guide and instructor to visitors, and this will be a good thing for those of our own people and our neighbors who attend the Fair.

The Hickman county institute opened yesterday morning at Clinton college and will continue until Friday afternoon. Prof. Shipp, of Winchester, Ky., is the conductor and the program for the week is highly practical in tone and will open a line of investigation and discussion which should be helpful to those teachers who are in earnest and bring thought and intelligence to their aid in their school work. All the public schools in the county are suspended this week in order that the teachers may attend the institute.

Sunday afternoon at the railroad crossing in the west part of town the horse of Mrs. Bruce Lindsay was driving got frightened at a train passing over the trestle above him and ran away. Before he had run far the buggy was over turned, and Mrs. Lindsay and her little girl and Charley Rennie were thrown out. None of them were badly hurt though Mrs. Lindsay was right sharply bruised and shaken up. The horse which was Mr. Rennie's old family nag, cut a large tendon in one of his hind legs, which may permanently retire it from the turf.

### THIS IS CERTAIN

The Proof That Fulton Readers Cannot Deny.

What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills cure permanently.

Home endorsement should prove undoubtedly the merit of this remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test.

Mrs. M. A. Hawkins, Fourth and Pearl streets, Fulton, Ky., says: "In 1903, I told the residents of this vicinity through the local papers that I had taken Doan's Kidney Pills and had been relieved of pains across my loins and kidneys. My trouble was so severe at times that I could not stoop or lift and in the morning I often arose, feeling as tired as when I went to bed. I just as strongly recommend Doan's Kidney Pills now as I did when they first came to my notice. Over-exertion has often return attack of backache, but at such times I have taken a few doses of Doan's Kidney Pills and they have always brought prompt and satisfactory relief. I think there is nothing equal to this remedy for disordered kidneys."
