Curris Center Ballroom

Murray State University

Office of the President
Murray, Ky. 42071 (502) 762-3763

Welcome to the 1985 Honors Day ceremony. Honors Day is an annual observance which highlights the academic accomplishments of our students. This year our entering freshmen had the highest ACT scores of any class during the last decade. Such an accomplishment points to continuing academic excellence and achievement by our students. The combination of dedicated faculty, teaching in outstanding and diverse programs, with highly capable students holds great promise for the continued growth and development for this region and the Commonwealth of Kentucky.

The students recognized on this day have in common a record of achievement and dedication that serves as an example to us all. Their pursuit of excellence is ours. It is their interest and determination in particular which make the efforts of Murray State University's faculty and staff important, worthwhile, and ultimately rewarding.

If you are a student receiving an award on this occasion, I heartily congratulate you and wish you continuing success. If you are a guest of Murray State today, I speak for the entire community in thanking you for joining us. I hope you take the time to look around our beautiful campus while you are here.

Sincerely,

Kala M. Stroup
