Dress-Up With The Gladstone Springtime

The spirit of spring is abroad in the land. Every pouplng
blossom tells as raining to the world the promise of
warmer days. The birds are busy with their nests,
calling to the coming of the warbler and the swallow.

What world could be fairer than for men, women and chil-
dren? Fulton is likely to have the choicest bloom of
all for purposes of pleasure and recreation. Men and
women stimulate the new growth with new vigor and
hope. The children are in high spirits. Fulton is
made up in the choicest bloom of all. The new system
will provide for all the environs of our life style.

The American Legion has organized a military
department for the funeral, and bade its dead
of the years "bide his time" in the years to come.

THE WELCOME ANNOUNCEMENTS

To the Voters of Fulton County

I take pleasure in announcing the opening of the
bids for the building of the new county courthouse.

As the result, I would like to offer the following
amenities to all who will be contributing to the
building of the new courthouse. First, the new
building will be situated on a beautiful site near
the center of the town. Second, the building will
be constructed of the finest materials and will
be designed in a style that is both functional and
cost-effective. Third, the building will be
completed on time and within budget. At the
same time, the courthouse will provide ample
space for future growth and development.

When I was sheriff before, I always took pride in
being the most open and transparent sheriff in the
county. I was always willing to discuss any issues
with the community and to make decisions based
on the best interests of the county. I hope to be
able to bring the same dedication and commitment
to the position of sheriff.

The Chamber of Commerce is the clearing house of the people. A good director to the area is a necessity. It combines the efforts of those who think in terms of commerce.
