Welcome to the 1986 Honors Day ceremony. Honors Day is an annual observance which highlights the academic accomplishments of our students. Our incoming freshmen continue to have the highest A.C.T. scores among the regional universities. Such an accomplishment points to continuing academic excellence and achievement by our students. The combination of dedicated faculty, outstanding and diverse programs, and highly capable students holds great promise for the continued growth and development for this region and the Commonwealth of Kentucky.

The students recognized on this day have in common a record of achievement and dedication that serves as an example to us all. Their pursuit of excellence is ours. It is their interest and determination in particular which make the efforts of Murray State University's faculty and staff important, worthwhile, and ultimately rewarding.

If you are a student receiving an award on this occasion, I heartily congratulate you and wish you continuing success. If you are a guest of Murray State today, I speak for the entire community in thanking you for joining us. I hope you take the time to look around our beautiful campus while you are here.
