THE FULTON DAILY LEADER.

MOTT AYRES

Established 1898

FULTON, KY., TUESDAY EVENING FEB. 18, 1913.

VOL. 15, No. 216

U. S. WEATHER FORECAST.

Colder and fair tonight; Wednesday unsettled.

WEINERWURST MEN

And Lunch Stands May Have to Pay License For Conducting Restaurant.

Frankfort, Ky., Feb. 18.—State Auditor Bosworth, has had the question submitted to him by a number of County Clerks, as to whether lunch stands that sell hamburger sandwiches, weinerwurst and such things, shall be required to pay a restaurant license.

The statute says that all restaurants shall pay a license and the restaurant owners insist that these lunch stands are nothing more than small restaurants. The question has been submitted to the Attorney General for an opinion.

DRAGS PERMITTED.

Contracts Will Not Exclude Their Use.

Paducah, Ky., Feb. 18.—The King split-log drag will be used on the county roads this year.

County Judge James M. Lang realizes the benefit to be derived from the proper use of the split-log drag, and also of the cheapness. Although the McCracken fiscal court voted down the motion to have the drag used by the contractors, the contract for the grading of the roads has been drawn so that the drag can be used on the roads although it is not made compulsory. It is said that the split-log drag has not proved satisfactory in McCracken county because it has never been used properly and consistently.

POWER FRANCHISE GRANTED.

Paducah, Ky., Feb. 18.—The Calloway County Fiscal Court granted the Kentucky Southwestern Electric Railway, Light & Power Company a franchise for an interurban railroad through that county. Under the terms of the franchise the company is exempted from taxation for a number of years. Similar franchises have been granted in other counties. The company expects to begin work on the first division from Paducah to Murray this spring. Preparations are now being made to float \$1,500,000 worth of bonds for this work.

MECHANOTHERAPY.

Nellie A. Cathcart, M. T., Graduate of the Chicago College.

Nervous and chronic diseases of women and children a specialty. Heart disease treated by the "Schott Method," Hydro-Therapy and Mechano-Therapy. Certain diseases treated by "Swedish Movement" as perfected by "Ling," of Stockholm, Sweden.

Effervescent Mineral Baths given. The charge for treatment is extremely reasonable. The patient may take out a Course Ticket which effects a considerable saving over the cost of single treatments.

HICKMAN NOTES.

Anyone wishing to turn in notes for the Fulton Daily Leader will call Miss Lyte Reid, Cumberland Phone No. 69.

Miss Ara Simmons, of Columbus, Ky., is visiting Miss Vera Thomas.

The three years old daughter, of Mr. and Mrs. Chas. Rutter is very low with pneumonia.

The remains of John Ritchie, murdered here Saturday night by C. O. Shelby, were taken to Trenton, Tenn., today for burial. His body was taken from the undertaker's to his boarding place, Mrs. Jurney's in West Hickman, to await the arrival of his father and brother-in-law, who came in on the morning train. His father was a very aged and feeble old man and was a very high degree Mason and a retired preacher. Young Ritchie who was murdered, had been an Odd Fellow, but had dropped out of the lodge, but the Odd Fellows of this city, honored him by taking charge of his remains and holding their services at the depot.

Jesse Bunton, of Dukedom, Tenn., who was implicated in the killing of Ritchie and the confession of Shelby, and who was arrested at his home in Dukedom yesterday afternoon was brought here today by the officers, who drove through from Fulton with him. The officers have been questioning him all the afternoon and many of the people do not think him guilty, while others do, but nothing conclusive has been proven on him. He firmly denies that he had anything to do or knew anything about it. Young Bunton is in jail here and will remain there until some evidence has been found of his guilt or his innocence. The crime is by far the most horrible ever committed in Fulton county.

A wedding of great interest to the society people of Hickman will be that tomorrow evening of Miss Charlotte Hubbard and Mr. Will Amberg, of this city, at the home of the bride's aunt, Mrs. Lilly Wall, in Jackson, Fla. The bride is the younger daughter of Dr. and Mrs. J. M. Hubbard, and one of the most prominent and beautiful girls in the city. Mr. Amberg is the son of Mrs. Alice Amberg, and a promising young attorney, having graduated from Ann Harbor, last year. Both represent two of the best and oldest families of the city. The bride with her mother and sister, Mrs. A. E. Kennedy, have been spending the winter in Florida. The wedding was rather a surprise to their many friends. The wedding will be a quiet one.

Rube Waddell, who has been ill with pneumonia, for the last ten days is able to be out again.

Dr. Albright, of Memphis, who has been taking care of the meningitis at Dyersburg, Tenn., was in town today.

FARM INSTITUTE

Will Be Held At Paducah February 25 to 27.

Paducah, Ky., Feb. 18.—Every section of Western Kentucky will be represented at the Kentucky State Farmers' Institute which will be held in Paducah February 25, 26 and 27. Mr. G. N. McGrew, of Bayou, who is a member of the state board of agriculture, was in Paducah today in the interest of the institute and is highly pleased over the prospects. It is expected that at least 600 farmers will be present.

Mr. McGrew has been assured that the program will be high class and the best speakers possible to obtain will be secured.

BOOSTING FOR COTTON.

The farmers in this vicinity are becoming interested in Mr. J. F. Clemmons' Sr., proposition to build a cotton gin in Fulton provided the proper support is forthcoming. In conversation with a representative of this paper today, Mr. Clemmons said a number of farmers had called on him and discussed the likelihood of his building a gin. Many more have signified interest in the movement to revive cotton raising in this community. The unsatisfactory tobacco market of the present season has given rise to considerable dissatisfaction, and many planters are seriously considering the advisability of trying some other crop to bring in ready money. While they do not intend to abandon tobacco altogether, still they are considering the raising of cotton as an additional money crop, and not placing entire dependence on their tobacco.

Mr. Clemmons invites the co-operation of the farmers and business men generally in helping promote the conditions which should render possible the building of an up-to-date gin here.

The Merchants and Business Mens Association members are doing yeoman service in soliciting aid and support from the farmers for the project.

The cost of erecting a modern cotton gin should not exceed \$6,000, according to Mr. Clemmons, and if a sufficient number of farmers will pledge themselves to plant not less than 700 acres of short staple cotton, the gin will surely be built. The money paid out for picking the crop will be earned by people in need of employment at that particular time of the year when the bolls are bursting and the fields whitening. Business would be good, and the season now designated as "dull" become only a memory, being succeeded by one of general prosperity. Get busy and boost for King Cotton.

S. T. HAYDON DEAD.

Union City, Tenn., Feb. 18.—S. T. Haydon died at his home in this city at 2 o'clock Sunday, after a long illness. Mr. Haydon was a native of Lexington, Ky., born there in 1847. He was of Scotch descent. He located in Mobile in 1867, in 1869 in Union City. Here he became senior member of the firm of Haydon & Barry, organized in 1871, which flourished in the grain business for a number of years. He was married in 1875 to Miss Jeanette Green, of Austin, Texas. Three sons, two daughters and Mrs. Haydon survive. A few years ago Mr. Haydon served the county as trustee.

ENTERTAINED AT ROOK.

Mr. and Mrs. Lee Reaves delightfully entertained a few couples at their beautiful country home east of the city last evening. Rook was enjoyed until a late hour, when light refreshments were served. Mr. Lee Reaves and Mrs. W. H. Winsett were the champion players of the entire crowd. Each one departed for their home claiming Mr. and Mrs. Reaves to be ideal host and hostess. Those present were: Mr. and Mrs. Amos Stubblefield, Mr. and Mrs. W. H. Winsett, Miss Lola Mohandro, Miss Willie Reams, Miss Essie Fry, Mr. Algie Fry, Mr. Ollie Reaves, Mr. Horace Reams, Mr. and Mrs. Lee Reaves.

W. T. HAMLETT DIES SUDDENLY

Prominent Tobacconist and Well Known Citizen Dies At Early Hour this Morning.

BURIAL ARRANGEMENTS

NOT DETERMINED.

W. T. Hamlett died suddenly this morning, about 3 o'clock, from an attack of heart disease, at his home on Eddings street. He complained last evening before retiring of feeling unwell, however, no thought of being visited by an acute attack of the disease from which he had been an occasional sufferer, was entertained. Mrs. Hamlett was awakened by his labored breathing and apparent struggles to attract attention to his condition; before a physician reached the bedside death had claimed its own, and a family plunged into grief, and the city deprived of a useful and upright citizen. Pending the arrival of the only daughter, Miss Naomie Hamlett, who is a student at a college in Petersburg, Virginia, plans for the funeral and burial will remain undetermined. Besides the widow and daughter, two boys, Wilford and Robert, are left to mourn the passing of a loving husband and kind, indulgent father.

The deceased was born at Pulaski, Tenn., forty-seven years ago, but for the past twenty years had made Fulton his home, moving to this city in 1891. He was a native of Kentucky, and was united in marriage to Miss Gussie Mason, daughter of a prominent Methodist divine, and who was his loving companion, sharing alike his joys and sorrows, until the summons of this morning put an end to the earthly union.

The deceased was in the employ of Mr. Joe Brainerd for 7 years in the tobacco business, rendering faithful and efficient service from the time of his moving to this city, until severing the connection to engage in business independently.

Through all the years following Mr. Hamlett was successful, his thorough knowledge of tobacco, both in the purchasing and handling of the weed, standing him in good stead.

Mr. Hamlett was regarded by those with whom he came in contact, and who knew him best, as a most generous and kindly man, an obliging neighbor, and a citizen who was unselfishly and unswervingly for the highest ideals in civic life.

The grief stricken loved one have the sympathy of a wide circle of acquaintances and friends.

NOTICE OF FIRST MEETING OF CREDITORS.

In the District Court of the United States for the Western District of Kentucky.—In Bankruptcy.

In the matter of Anderson B. Goodin, Bankrupt.—In Bankruptcy. To the creditors of Anderson B. Goodin, of Fulton, in the county of Fulton, and district aforesaid, a bankrupt.

Notice is hereby given that on the 10th day of February 1913, the said Anderson B. Goodin was duly adjudicated bankrupt; and that the first meeting of his creditors will be held at the law office of H. T. Smith in Fulton, Ky., on the 25th day of Feb. 1913, at ten o'clock in the forenoon, at which time the said creditors may attend, prove their claims, appoint a trustee, examine the bankrupt, and transact such other business as may properly come before said meeting.

AT THE ORPHEUM.

The Trimble Amusement Company, of Memphis, has leased the Orpheum Theatre for Wednesday of this week and will present the greatest series of motion pictures ever taken. "A Top 'O the World in Motion," the title of this great feature. These pictures are the original Alaskan-Siberian motion pictures which run one whole season at Weber's Theatre, New York, at 25c to \$1.00 admission and broke all records in this country by running three hundred and thirty days at the Whitney Opera House, Chicago, at prices from 25c to \$1.50. They are now running at Carnegie Hall, New York, at prices up to \$2.00. This picture is in six reels and will be lectured by Mr. Albert Russell, who took these marvelous scenes with a motion picture camera and who risked his life to bring the Arctic regions to the throbbing centers of civilization. This is without a doubt the treat of the season.

T. H. NOONON SUCCEEDING IN COLORADO.

Mr. Thomas Noonon has been appointed as City Clerk to fill the unexpired term of Mr. L. Jones who resigned to take the position of Clerk of the District Court.

Mr. Noonon has become identified with the political conditions of the city and county through his tireless observation and work. He was an important factor of the Democratic party's victory in the county at the last election and his work was faithful and thorough.

He has been appointed City Clerk because of his ability to care for the city's interests and because of the interest he has always taken in the advancement and development of the city. Congratulations, Thomas. —Arapahoe Republican and Englewood Tribune, Englewood, Colo.

Mr. Noonon lived in this county about 15 years ago being the son of County Jailor Joe Noonon, of Hickman, and a cousin of Miss Sarah Noonon and Charles Noonon, of this city. His old friends in the city and county will be much pleased to know of his good fortune.

DIDN'T RECEIVE TELEGRAM AND SUIT FOLLOWS.

The Messenger says:

J. F. Mullins and Bernice Anderson are the plaintiffs in a suit filed against the Western Union Telegraph Company for \$2,000 damages. It is stated that on the third of last November, a telegram was sent from East St. Louis, Ill., to Wingo, Ky., to Will Thornsbrough, asking him to inform J. F. Mullins, living near the city, that his daughter, Mrs. Gladys Anderson, was very low, and for him to come at once.

The plaintiffs assert that the telegram was never delivered to either Mr. Mullins or Mr. Thornsbrough, although the message was prepaid, costing 73 cents. Mr. Mullins asserts that he had no knowledge of his daughter's illness until after her death, and on account of the negligence of the said telegraph company in failing to deliver the telegram, he suffered great mental anguish.

ASK YOUR DRUGGIST ABOUT IT.

There is a New Remedy that Takes the Place of Calomel. Recommended and Guaranteed by the Druggists.

The Owl Drug store never sold a remedy that gave more complete satisfaction than Dodson's Liver Tone—a mild vegetable remedy for constipation, sour stomach and lazy liver.

Folks who have suffered for years rather than resort to dangerous calomel have found after one trial that this pleasant tasting vegetable liquid gives that long sought relief without bad after-effects.

Dodson's Liver Tone is guaranteed by the Owl Drug Company to be a safe liver stimulant and to be absolutely harmless—without bad after-effects. You will find many persons in this locality who have tried it and every user will speak a good word for Dodson's Liver Tone. It livens up a torpid liver and makes you feel fresh, healthy and clean.

The price of a large bottle is 50 cents—money back if not pleased. The success of Dodson's Liver Tone

has brought many medicines into the field that imitate its claims, and some have name very similar and package same color, but remember Dodson's Liver Tone is guaranteed by the Owl Drug Company who will give you back your money if you want it.

FIFTH SET OF TWINS

Mayfield, Ky., Feb. 18.—Twin boys were born to Mrs. Jake Perkins, living at Tenth and South street. The sprightly youngsters are the fifth set of twins that have been born to Mrs. Perkins, and is the first pair of twins born in the city of Mayfield since the vital statistics law went into effect a year or more ago. Mrs. Perkins is only 34 years of age, has been married 17 years and is the mother of 15 children, all of whom are living.

SAYS PREVENTION WILL

BE FUTURE'S PANACEA.

Boston, Jan. 6.—"Preventative medicine," said President (emeritus) Charles W. Eliot, of Harvard university, in a public lecture at the Harvard Medical school, "is capable in the future of doing away with poverty and misery, of remedying industrial disputes and of contributing to the cause of international peace."

The medicinal practitioner of the future, he declared, would be one who prevented disease rather than curative medicine.

Muco-Solvent is the greatest preventative of serious development that we have known of in all of our experience in medicine.

If when getting the feet wet, or after being out in a cold, drizzling rain, a few doses of Muco-Solvent are taken, no bad effects will be noted.

The germ of meningitis, diphtheria, scarlet fever, nor the typhus germ, can possibly survive in Muco-Solvent, longer than a period of five minutes and it usually destroys in three minutes.

Booklet around each bottle gives full proof of these statements, and we urge you to have a bottle on hand. It is the most remarkable preventative of serious developments before the public today, and the safest. Absolutely harmless even to infants.

The Hessig-Ellis Drug Co., Memphis, Tennessee, are not manufacturers of Muco-Solvent, but they are paying for this space to tell you about it. It is for sale in your town by all druggists, 50c and \$1.00. Adv.

ORDINANCE.

An ordinance to amend section 4 of an ordinance ordaining the original construction by grading and macadamizing of Lake street in the city of Fulton, Fulton county, Kentucky, adopted and approved June 7, 1909.

Be it ordained by the board of council of the city of Fulton, Fulton county, Kentucky, as follows:

Section 1. That section 4 of an ordinance ordaining the original construction by grading and macadamizing of Lake street in said city of Fulton, Kentucky, adopted and approved June 7, 1909, be amended by striking out the words, "Five hundred dollars," and substituting in lieu thereof the following words, to-wit: "One hundred dollars," so that said section, as amended, shall read, and be, as follows:

Section 4. Within thirty days after the advertisement for sale of said street improvement bonds as provided in section 3 above, the mayor of the city is hereby empowered and directed to issue bonds, but not to exceed the amount of the unpaid assessments together with the cost of advertising said bonds for sale, printing and engraving said bonds, and all other expenses attending the issue of the same, as set out in the next preceding section. Said bonds shall be signed by said mayor and city clerk, and shall be sold and disposed of by the mayor, city clerk and treasurer then in office for the most advantageous price, in no event, however, to be less than par, with accrued interest at the time of sale. Said bonds may be redeemed by the city as follows, to-wit: In ten annual installments as nearly equal as possible, beginning in one year from the date thereof. Said bonds shall bear interest from the date thereof until paid at the rate of six per cent. per annum, payable semi-annually, and the same and all interest thereon shall be payable at the First National Bank of Fulton, Kentucky. The bonds shall be numbered consecutively from No. 1 to the number required, and shall be in denominations of one hundred dollars each, except that one may be for smaller amount than said sum to cover any remaining fractional part of one hundred dollars said work may cost (which bond shall be included in the first maturing installment), and with appropriate interest coupons attached to each bond. They shall all bear date as of the day said work was completed and accepted by said city council, and until negotiated shall be left in the custody of the treasurer, who shall be liable for the safe keeping thereof on his official bond.

All money paid, received and collected upon the assessments against the lots as in this ordinance provided, and interest on the deferred annual payments, and all money arising from the sale of bonds herein provided for shall be kept by the city treasurer as a separate fund to be known as the "Street Improvement Fund," and said assessments shall be secured, paid and collected as provided for in like cases in section 3575 of Kentucky

Statutes (Carroll's Edition), as amended by an act of the General Assembly of the Commonwealth of Kentucky entitled "An Act to amend and re-enact certain sections of the Kentucky Statutes, Chapter 89, Article 5, relating to cities of the fourth class," and approved March 24, 1908, and in section 3576 of the Kentucky Statutes (Carroll's Edition.)

Section 2. That this ordinance shall take effect and be in force from and after its passage and publication as required by law.

Approved, this February—1913.

J. F. FALL, Mayor.

RESOLUTION.

Be it resolved by the board of council of the city of Fulton, Fulton county, Kentucky, as follows:

That the city of Fulton, Fulton county, Kentucky, cause to be inserted, previous to March 1, 1913, in some newspaper published in the cities of Memphis, Tennessee, Louisville, Kentucky, and St. Louis, Missouri, notice of the sale of an electric light franchise by said city, and further cause the following advertisement to be published for three consecutive days in the Fulton Daily Leader, the first of said days to be at least ten days prior to March 1, 1913, said newspaper being published in the city of Fulton, Kentucky, and being authorized to publish advertisements required by law:

Sale of Franchise.

KNOW ALL MEN BY THESE PRESENTS: That by a resolution of the Board of Council of city of Fulton, Fulton county, Kentucky, said city proposes to receive bids and sell to the highest and best bidder the following franchise:

There is hereby granted to the right and privilege of constructing, operating and maintaining electric plants within, for and near the said city of Fulton, Fulton county, Kentucky, for a period of twenty (20) years from and after the passage of this ordinance, for the supplying of said city and its inhabitants with electricity for public and private uses, and to use the streets, alleys and public grounds of the said city within its present and future corporate limits for the placing of poles, wires and other devices and structures requisite for the supplying of electricity for said city and people. All wires used for the circuit, or circuits, shall be of the best quality. All poles or other devices erected in or upon the streets, alleys or other public places, and all wires and guys shall be so strung and at such a height as not to interfere with the free use of said streets, alleys or other public places. All excavations made in or upon said streets, alleys or other public places for the purpose of planting, changing or removing poles or other devices shall be refilled, packed and leveled to the same condition as before said excavation was made, and all poles shall be changed or removed when same shall become dangerous to the life or property of the citizens of said city. All of the buildings, structures or other devices erected, maintained or operated by said grantee during the life of this franchise shall be substantial and safe, and the said grantee shall not, during the life of this franchise, charge said city for its lamps or lights of kind, or kinds, mentioned more than the following schedule, to-wit:

For each 60 watt incandescent street light, operated all night, including lamp renewals, at the rate of twenty five dollars (\$25.00) per year, provided that the number of such street lights in use shall not be less than one hundred (100.)

For each standard arc light of six and six-tenths (6 6-10) amperes, operated all night, including maintenance, at the rate of seventy-five dollars (\$75.00) per year.

The grantee shall not, during the life of this franchise, charge private consumers in excess of eleven (11) cents per kilowatt hour for electric current, subject to a discount of one (1) cent per kilowatt hour when the bill for service is paid at the office of the grantee hereunder within ten (10) days after its rendition, except

that a minimum monthly charge of one dollar (\$1.00) may be made to each consumer; nor shall the grantee hereunder charge in excess of a net rate of eight (8) cents per kilowatt hour for the lighting of stores, factories, shops, offices, hotels, and other bona fide business establishments whose business is done and whose lighting requirements occur principally in the day time, provided the consumption of such consumers for lighting purposes reaches a minimum of thirty seven and one half (37 1-2) kilowatt hours per month, but in case said consumption shall not reach said minimum of thirty-seven and one half (37 1-2) kilowatt hours per month, then the private consumer's rate as set forth above shall apply; nor shall the grantee hereunder charge in excess of six (6) cents per kilowatt hour for power service when not taken during the lighting peak load and provided the consumer's monthly consumption for power exceeds one hundred (100) kilowatt hours, but in case said monthly consumption for power does not exceed one hundred (100) kilowatt hours, then the private consumer's rate as set forth above shall apply; nor shall the grantee hereunder charge more than sixty-five (65) cents per month for each sixteen (16) candle power incandescent light on flat rate; nor shall existing flat rates for electric service be increased, but in case of dissatisfaction therewith by either the grantee or consumer a meter shall be installed by the grantee, and established rates shall then apply.

All extension of lines or poles that the city may see fit to have made in connection with the installation of extra street lights shall be done at the expense of the grantee, and the regular established rate for street lights shall apply to said extra lights installed.

The grantee shall within three (3) months after the sale of this franchise establish and maintain twenty-four (24) hours alternating current service.

The said grantee shall file with the city clerk of said city within thirty (30) days after the passage and approval of this ordinance.

Bids for said franchise will be received by the mayor publicly at his office in the city of Fulton, Fulton county, Kentucky, on the 1st day of March, 1913, at 2 o'clock p. m., or thereafter. Said city reserves the right to reject any or all bids.

Approved, this February 10, 1913.

The Tone of a PIANO

There is perhaps no article purchased, for the home that is as hard to select intelligently as a piano, for the reason that there are comparatively few who are in a position to know what constitutes a first class piano. As a usual thing, but one instrument is purchased in a lifetime, consequently it is not like buying furniture or other articles of common use, the knowledge of which becomes almost instinctive.

In a piano not only the eye should be pleased, but the vital part, TONE, must be taken into consideration, and the knowledge of what constitutes good tone is a life study. The difficulty of producing the right quality of tone, developing each individual note, building the piano so it will retain for years the same quality, with the lack of knowledge on the part of the purchaser, opens wide the field to many of placing on the market a piano at a greatly reduced price, in which no thought, time or money has been expended on the very life of the instrument—the tone.

UNUSUALLY EFFECTIVE

The lining of the stomach and bowels might be called a continuation of the tissue of the face and body, and Milks' Emulsion has the same effect upon it that an application of cold cream, or glycerine and sweet oil would have upon a face that was chafed and sore from exposure to the wind and sun. The usual cathartic has no effect upon solidified feces that adheres to the lining of the bowels in chronic constipation. It simply keeps an open passage-way, never dissolving the solidified matter. The oil in Milks' Emulsion, however, dissolves in a few hours all decayed and solidified matter, thoroughly cleaning the bowels to the lining, and not until this has been accomplished can a start be made toward repairing the lining and muscles of the bowels and stomach. Nature is then able to do its work.

KEEP YOUR MONEY.

It has come to my notice that a certain concern in Chicago is advertising through the medium of cards and circulars, to loan money at 5 per cent, simple interest, to people of Fulton. It so happens that I am fully acquainted with the methods used by this concern, and I believe I am in position to give you some information concerning them which will be of value to you. Before you pay them anything it will be to your advantage to call me up or come round and talk to me about it.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have a much faith in its curative powers that they offer a hundred dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHAPNEY & CO., Toledo, O. Two Fine Farms.

One of the finest farms in Fulton county lies within two miles of Fulton. This place has 112 acres in it, and an automobile can be driven over every foot of it. It has a splendid dwelling; 2 good stables, a buggyhouse, cow house and wheat house on it; also a high grade water works system and bath. Fences all in good shape, and conceded by many to be absolutely the best farm in 10 miles of Fulton. We have this farm for sale at the right price.

Another farm of 56 acres, four miles from town on the State Road; good dwelling; 1 tobacco barn, 1 stock barn, two good ponds; 1 good three room tenant house; market for farm products close. This land will produce tobacco on every acre. Has at present 12 acres in wheat and 7 acres in clover and grass. As good a small farm as anybody wants. We have until March 1st to sell this property. If you are interested ask about it now. The price is very reasonable.

Why It Pays to Pay More for Omega

All the proposed substitutes for OMEGA sell for a little less

because they have to, or not sell at all. But this lower first cost does not mean they are that much cheaper, for they produce so many more baking failures that the loss from this amounts to more than the difference in the price. The best, therefore, costs you no more. All progressive grocers sell Omega.

THE TREAT OF THE SEASON

To Users of Foreign Flour:

An effort has been made in Fulton to create a demand for a hard wheat flour, because it is cheaper than the product from soft wheat. We will supply users of this grade of flour with the Hubbard Milling Company's "University" at the following prices, which are consistent with the current hard wheat flour market:

Per Barrel	\$5.40.
Per 24 lb sack	\$0.70.
Per 48 lb sack	\$1.35.
Per 100 lbs loose	\$2.65.
