## Local Schools Show Increase In Enrollments

Fulton city schools opened last Monday morning with the high school and third grade at Carr Institute showing a good increase in enrollment. Supt. J. O. Lewis talked to the students on Constitution Week Sept. 11-17, pointing out that the economic condition in this country today is just as disorganized and chaotic as it was at the time the Constitution was adopted. He said that President Roosevelt's national recovery program has for its purpose the stabilization of our government and bringing about better economic conditions.

Classes in South Fulton high school have started organization and plans are being laid for various activities throughout the school year.

The senior class elected Martin Henry Warren, president; Harold Holliday, vice president; Mignon Wright, secretary; treasurer; Margaret Valentine, class reporter. The senior reporter will also serve as school reporter. One new member has been added to the class this year in the person of James Cooley, formerly of Water Valley. Two members of the 1933 class, Houston Stubbfield and Charles Allen Williams have returned to do some work they were not able to take before. The class this year numbers eighteen. Mrs. H. J. Priestley is sponsor of the class.

Under the direction of Prof. Lloyd Thomas the Sophomore class perfected the following organization: President, Ralph Cantrell; vice president, Shamos Murphy; secretary, treasurer, Almeda Brown; class reporter, Halit Lou Stubbfield.

Other classes are to hold meetings and organize this week.

Coach Thomas is perfecting plans for an intramural program of athletic contests.

The enrollment continues to increase in both high school and the elementary department. This has made it necessary to divide the first grade and Miss Naomi Rhodes has been employed to assist Mrs. Morris with these pupils. The gymnasium stage has been turned into a class room for the purpose. This makes it possible to handle the 70 beginners more easily. Other grades in ascending order have enrolled the following numbers: 65, 30, 45, 34, 42, 45, and Prof. Orvin Moore teach 90 pupils in the seventh and eighth grades.

Supt. J. M. DeBow was a visitor in the school Monday and commended the school on its enrollment and good quality of work done.

Numerous publications will come to the library and science classes.

## Last Dividend Expected Soon

Herschel T. Smith, Fulton attorney, appeared before the Federal Court in Louisville last Saturday for the purpose of bringing about the payment of the final dividend for the defunct First National bank of this city. Ben Sneed, receiver for this bank, was in Fulton over the week end, and discussed arrangements with Mr. Smith for making the third and final dividend after which it is probable that the receivership will terminate. Mr. Sneed stated that he believed the Comptroller of Currency would direct him to pay this dividend in the next few weeks, and it is estimated that this dividend will be five percent. When this final dividend is declared the payments will have totaled 75 percent, 40 and 30 percent dividends having previously been declared.

## CONCERT DREW GOOD CROWD MONDAY NIGHT

Following the regular monthly singing held in the auditorium of the court house Sunday, the concert on Monday night provided unusual interest for hundreds of people who attended. Some very interesting numbers were on the program and those responsible for the concert deserve commendation.

## J. C. WIGGINS DISCUSSES ADVANCING PRICES

J. C. Wiggins, who operates a modern department store on Lake-St in this city, has recently returned from the markets, where he purchased new fall merchandise at figures that bring savings to the people of this community. Since he obtained his new stock, numerous strikes and labor troubles are causing shortages and delays that mean higher prices. He points out that with the wholesale cost of merchandise steadily increasing, higher retail prices are bound to follow.

He urges that people who are in need of wearing apparel, or merchandise of any kind to consider the actual facts as they are, and take advantage of the present - existing low prices that prevail now. Every indication points to higher prices as conditions and employment improve.

## 10,000 People Attended Fair

The Twentieth Annual Fair, which was held here last week, September 6-9, was attended by approximately 10,000 people, according to an estimate made by the fair association. Crowds started pouring into the fair grounds here on Wednesday and continued coming in increasing numbers up until Saturday night. The fair was held in interest of five counties in this territory—Fulton, Graves, Hickman, Obion and Weakley counties.

Premiums were paid in full, it was announced by the fair association. This in itself speaks well for the success of the fair this year, as many fairs are unable to pay their premiums in full because of small gate receipts but which revenue is gained to pay the cost of the fair. As is generally known the fair here does not obtain any outside aid, or state donation, as some fairs do, but operates by private means. It is non-profit-making, and is highly deserving of the support and cooperation of every citizen and business firm in the entire community.

Exhibits in the various departments at the fair were many and varied this year, with unusual interest being shown in the agricultural, livestock and poultry divisions. On the racing program were some fast-stepping races that thrilled the crowds and brought them back for more. The free attractions were highly interesting, novel and different.

The fair association was well pleased with the fair this year, and has announced that plans will be laid early next year in an attempt to have even a better and larger fair than ever. An effort will be made to start preparations early in co-operation with the county agents, the 4-H club and farmers in five counties in this section.

It is proposed that a department be opened offering premiums on mules, colts and saddle horses, in addition to poultry, cattle and hogs for the fair next year. Many interested horse shows and good horse flesh will approve this move. The fair here should be looked forward to each year, as it is one of the biggest assets this community has, and deserves the support of the people.

## AUXILIARY INSTALLED NEW OFFICERS TUESDAY

The American Legion Auxiliary met its regular monthly session at the Log Cabin Tuesday afternoon with Mrs. Jes Nichols presiding. The following new officers were installed: Mrs. Elizabeth Snow, president; Mrs. Jes Nichols, first vice pres; Mrs. John T. Price, second vice pres; Mrs. H. B. Houston, secretary and treasurer; Mrs. Cleveland Parker, sergeant at arms; Mrs. W. W. Morris, chaplain; Mrs. Earl Taylor, historian.

After installation of officers Mrs. Snow presided over the business session. A Bible contest was won by Mrs. A. B. Roberts. Mesdames Morris, Robinson and Lowe were joint hostesses.

## Under Wings of the Blue Eagle

The name of the following business firms and individuals in Fulton and South Fulton appear on the bulletins of the post office here as members of the National Recovery Program:

Orpheum Theatre, Sanitary Cafe, P. H. Weeks Sons, Roberts Cafe, Fred Robertson, R. E. Boaz Grocery.

## UNDER THE BLUE EAGLE

The Fulton County News is now enrolled with the NRA. All the time this newspaper has believed in and supported the National Recovery plan and have awaited the approval of a code for small daily and weekly newspapers, in order that we might officially join the program.

H. H. Bugg Grocery, Boaz & Hester, Miller Jones Co., Grison Service Station, H. F. Rucker, U-Tote-Em Grocery Co. No. 8, Sawyer Bros., Guy Hethcock, J. N. McNeely, U-Tote-Em Grocery Co. No. 18, I. C. Huddleston & Co., John Huddleston Plumber, Terry Garage, White Way Barber Shop, J. W. Hodges and Son, Fulton Hardware Co., Kentucky Hardware and Implement Co., Frank Merryman and Son.

## LOCAL MEN HEAD ILLINOIS OIL COMPANY

M. E. Lane, district manager of the Illinois Oil Company, announces this week that Hardin G. Morris and Herman Claud Sams will be in charge of the local station located on Fourth-st across from the Parisian Laundry. Both Mr. Morris and Mr. Sams are well known here, and invite their friends and acquaintances to visit them. The Illinois Oil Company handles gasoline, kerosene and other petroleum products and a complete line of paints.

## MISSIONARY SOCIETY

September term of the general meeting of the Missionary Society of the First Methodist church met with the various circles Monday with meetings held at the homes of members. Sixty three members attended the five sessions. Group A met with Mrs. Smith Atkins in Fair Heights, with Mrs. Atkins and Mrs. Gid Willingham hostesses. Group B met at the home of Mrs. Felix Bright and Mrs. E. E. Mount hostesses. Group C met at the home of Mrs. Harold Owen on Third-st with Mrs. Owen and Mrs. B. R. Camp hostesses. The Kate Lutten Circle will meet next Monday afternoon. East Fulton Group went on a weiner roast Monday night.

## KROGER'S SUGAR SPECIAL

In Kroger's ad this week appears an error, reading 10 lbs. sugar for 52c. This price should read 50c, with a limit of 10 pounds to a customer.

## FRANKLIN RUNS EDUCATIONAL AD

The Franklin Dry Goods and Clothing Company of Fulton is running an educational advertisement in this issue of The News, in which it is set out that with prices certain to advance later, now is the opportune time to buy merchandise at prices that mean savings and economy for thrifty buyers everywhere.

Mr. Franklin states that new fall merchandise has been stocked, with appreciative savings offered in every department, and he points out that any purchase made now at prevailing low prices is wise and economical. Turn to an inside page and read the Franklin ad, which features a few of the many values to be found at this store.

## Thousands Will Attend Big Swift Day Here Oct. 6

Plans are being completed for Swift Day to be held here Friday, Oct. 6. This event is being sponsored by Swift & Co. under the auspices of the Chamber of Commerce, and a splendid educational and entertainment program has been arranged. The program will open in the morning at nine o'clock and continue all day. Among the many features scheduled on Swift Day will be the showing of an educational picture, most of which was taken at the Swift plant here and in rural districts of this vicinity; free lunch at noon; inspirational lectures by prominent speakers, and a variety of special entertainment.

The synchronized motion picture with lectures will be shown at the Science Hall, where hundreds of people may be seated conveniently. Lunch will be served in picnic style in Carr Park. Visitors will be carried through a tour of inspection of the Swift plant here, W. P. Ayers, manager of the local plant stated today.

At a meeting of the Chamber of Commerce Tuesday night the following committees were appointed to assist in the arrangement of the program in preparation in Fulton for any celebration:

Seating Committee: Ernest Fall, Leslie Weeks, and E. C. Hardesty.

Reception Committee: Joe Davis, Bob White, J. Ray Graham.

Park Committee: T. M. Franklin, Joe Browder, Dr. Jones.

Refreshments Committee: W. P. Ayers, Bob Wade, Jim Lewis.

Boy Scouts will direct the traffic and help in handling the crowds.

Merchants and citizens are looking forward to Swift Day with great expectations, and Fulton will welcome with open arms thousands of people throughout this territory.

## FLOOD RELIEF IS SOUGHT IN FULTON

Downtown business sections and some instances, certain parts of the residential districts of Fulton, have been experiencing periodic floods. Inasmuch as this city is not located on a river or large body of water this seems strange. However, it is a fact. So local interests are preparing again this year to prevent these overflows insofar as it is possible.

At a meeting of the Chamber of Commerce Tuesday night a flood committee composed of John Earle, Ernest Fall, Leslie Weeks and Joe Davis, was appointed. This committee is to direct an effort to have the banks of the Harris Fork creek cleared of willows and other obstructions that hold back flood waters and cause overflows inside the city itself. Sixty dollars were subscribed for this work at the meeting Tuesday night, but other contributions will be necessary before the work can be carried out.

## AT THE ROTARY

Bob White, in charge of the program at the Rotary Club Tuesday, introduced W. S. Atkins who made a brief talk on some of the methods of operation of the Federal Loan Banks, pointing out how loans are made. John Earle discussed phases of NRA work as he found them in Nashville. J. O. Lewis read a letter from Rotary International, referring to the pending visit of a Belgian scholar to Owensboro in October, and urging that some Fulton members attend that meeting.

## SCOUT CORPS START PRACTICE

The Boy Scout Drum and Bugle Corps will begin practice next week on regular practice nights at 7:30 P. M. All Scouts who were former members and any new Scouts wishing to join please be present.

## Elks Bring The BisbeeComedians Here Next Week

The entertainment committee of the Fulton Elks Lodge announced this week that the Bisbee's Comedians will play at the lot on Fourth Street next to the Cigar Factory. "The Town Talks," will be the title of a riotous three-act comedy with which the Bisbee Comedians will open their week's engagement in Fulton on Monday, September 18th. The company comes here highly recommended by both press and public to carry one of the strongest dramatic and vaudeville shows that travel the road. The company will show in their tent theater, which is to be located downtown on Fourth-Street.

Among the feature artists of the cast are: Ernie (Tobie) Brown, who thru his genius for fun-making has become known as Kentucky's favorite comedian. In addition to Mr. Brown the cast includes a personell of splendid stars as well as such artists as Mahala, the mater magician, Harry Harvey, Mabel Mason, the folks with the educated feet—one of the most outstanding dancing acts of the present day stage. The musical McWherters head the band and orchestra, which will accompany the show in order that the patrons may enjoy good musical programs during the performances.

The offerings are from late royalty releases, and combine laughs and tears in the plots of the comedy-dramas, with novelty acts and vaudeville presentations furnishing entertainment between scenes. Twenty people contribute their talent to makings the Bisbee Comedians one of the best shows of its kind on the road today.

People of this community are familiar with the charity work of the local Elks Lodge, and a percentage of the proceeds from a week of excellent entertainment, will go into the Elks charity fund for helpful work this fall and winter. So, you will not only have an enjoyable time, but will be supporting a good cause. Be there yourself, and bring along your friends—A good show every night.

## SCHOOL BOARD IN MEET MONDAY NIGHT

The Board of Education met in regular session at the Fulton high school building Monday night with Mrs. W. G. Hill, Gus Bard, R. E. Goldsby and R. H. Wade present. Mr. Wade presided as chairman. It was pointed out in the meeting that children attending school in Fulton but not residents of the city will have to pay tuition themselves, or have the county to pay the tuition in the high school, as is the custom. All below high school will have their parents pay the tuition if they do not live in this school district. Principals of the various schools were instructed to have them withdrawn from school unless this tuition is paid.

The board discussed collection of back taxes and also delinquent school tax accounts, which were turned over to D. Fred Worth for immediate collection. A two percent discount will be given on this year's school taxes if paid before Nov. 15. Congested conditions in the high school brought up the question of following in this capacity: Misses to put in full time instead of part time, but this was deferred. The enrollment this year is sharply higher than last year in the high school with the result that there are not enough teachers and classes.

Married women were ruled from the eligibility list as substitute teachers, and the board elected the following in this capacity: Misses Elizabeth Carter, Mildred Graham, Mary Belle Warren, Anna Watt Smith, Mary Louise Smith, Helen Tyler, Laverne Gossum and Charlotte Lewis.

## WEST KENTUCKY PRESS MEETS IN PADUCAH

Members of the West Kentucky Press Association at a meeting in Paducah Friday will devote much of the day to the NRA and an explanation of the code for small newspapers and print shops. The Fulton County News will be represented at this meeting.

IT IS UP TO YOU

Our president stated when the  
National Recovery Program was  
first announced that: "I cannot  
guarantee the success of this nation-  
wide plan, but the people can guaran-  
tee its success." So after all, it is  
upon the people themselves that the  
outcome of the national recovery

program depends, and the time has  
passed when employers should delay  
immediate cooperation with the pro-  
gram.

The nation over employers every-  
where have rallied under the banner  
of the N R A, with the result that  
hundreds of thousands of people have  
returned to work. But until all em-  
ployers sign up and operate under  
the Blue Eagle the goal for which we  
all strive cannot be attained. The  
president has appealed to the peo-  
ple for their support and co-opera-  
tion, and realizing that our national  
welfare is for our own individual and  
personal good, Americans are march-  
ing over difficulties and onward to  
better times.

If you are not in step, you should  
be.

URGES HOMEMAKERS  
TO SOW BLUEGRASS

Homemakers are urged by Miss  
Anna Cuto, Home Demonstration  
Agent for Fulton-Hickman counties  
to sow bluegrass seed in their lawns  
on Sept. 15. This date has been se-  
lected for a state-wide drive among  
members of homemakers clubs and  
all other interested persons to re-  
seed lawns. It is said that 7000 mem-

bers of homemaker's clubs will co-  
operate in the movement.

Miss Cuto says that there is no  
better grass than Kentucky blue-  
grass. There is no need to consider  
any other kind in the improvement  
of the lawn. Just scatter two or  
three pounds on Sept. 15, unless the  
lawn is extra large, when more  
should be sowed.

The ordinary lawn needs nothing  
done to it other than the scattering  
of the bluegrass seed. Extra hard  
spots, around the doors of the house,  
gates or paths, may require that the  
soil be loosened up, but in most in-  
stances the simple scattering of the  
bluegrass seed will be sufficient.

Sept. 15 is considered the best of  
the year to sow bluegrass in lawns,  
says Miss Cuto. It will begin to  
grow in two or three weeks and be  
well started by winter, and ready to  
start off early in the spring.

UNION CITY LOSES  
FIRST SUNDAY GAME

Well it took the boys from Mur-  
ray. "In Ole Kaintuck" to show the  
fast and furious nine of Union City.  
Last Sunday Union City brought on  
the Murray Blackhawk for a game  
and What A Game. By the twinkle of  
an eye you could tell that Murray  
was bent on winning the game and  
they did but not as easy as they ex-  
pected.

The game opened with Murray  
scoring in the first. They scored  
again in the 3rd as did Union City.  
Their last marker came in the 8th  
while Union City did their last  
scoring in the 8th also.

Murray used a pitcher from  
Shreveport of the Dixie League  
while Union City relied on their  
star, Newt Daniels who did a bril-  
liant job by allowing only 7 hits.

Next Sunday will be a gala day in  
Union City when they bring the fast  
Camden Vols there for a second  
game. The first game Union City  
won by the narrowest score.

Union City has now won 22 games  
and lost five. On Sunday, Sept 24th  
Union City will play the Nashville  
Southern League club and it is  
hoped they can secure the pitching  
services of Dizzy Dean of St. Louis  
to face Nashville.

4-H JUDGING TEAM ATTENDS  
KENTUCKY STATE FAIR

A Junior 4-H Club livestock judg-  
ing team representing Fulton county  
left Monday Sept. 11th for Louisville  
to attend the Kentucky State Fair  
and to compete in the State Live-  
stock Judging Contest for club mem-  
bers held during the fair. The mem-  
bers making up the team are: Hugh  
Garrigan, of the Jordan club, Glenn  
Knighton of the Lodgeston club and  
Robert Cole of the Sylvan Shade  
club. These three boys made highest  
scores in the county tryout held Fri-  
day Sept 8th in which 18 boys of the  
county competed.

The trip is made possible thru the  
cooperation of the Illinois Central  
Company in providing free transpor-  
tation for the team and the county  
agent who acts as coach, thru the  
east premiums given by the Bourbon  
Stock Yards of Louisville and the  
Courier Journal totaling \$132.00 and  
the \$50.00 trophy given by the Bour-  
bon Stock Yards. The State Fair is  
furnishing free admission to the

fairgrounds and cots for sleeping.  
The boys will sleep in a vacant part  
of the Grandstand building.

County Agent O. R. Wheeler ac-  
companied the team on the trip. The  
boys and Mr. Wheeler expect to re-  
turn on Thursday Sept.

"HANK, THE HIRED MAN"

FORD V-8 WINS ELGIN STOCK  
CAR RACE AVERAGING 80.22  
MILES PER HOUR

Here's a story of Ford V-8 per-  
formance that you cannot repeat too  
often.

It's the story of the road race of  
stock cars of 230 cubic inch and un-  
der, held Saturday morniny, August  
26th, at Elgin, Ill., under the aus-  
pices of the Elgin National Road  
Race Corporation and under the sat-  
elton and direction of the Contest  
Board of the American Automobile  
Association.

Fifteen stock cars were entered in  
the race including—11 Ford V-8's,  
each driven by a licensed A. A. A.  
driver.

The race was for a distance of 230  
miles, 1896 feet, over a course 8  
miles, 2499 feet long. The course in-  
cluded bad turns and concrete Tar-  
vin and gravel roads.

Fred Frame, nationally known  
driver and Indianapolis speedway  
champion, drove the winning Ford V-

8 at an average speed for the race of  
80.22 miles per hour, breaking the  
course record established in 1920 by  
Ralph DePalma. On one lap he pass-  
ed the grandstand on the concrete at  
a speed of 100.3 miles per hour.

Of the cars that finished, the sev-  
en in the lead were all Ford V-8's.  
Frame was first with an average  
speed of 80.22 miles per hour. His  
elapsed time for the race was 2  
hours, 32 minutes and 6.1 seconds.

Average speeds of the six other  
leading Ford V-8 car were as fol-  
lows:

Car driven by Lou Moore, 79.57 m.  
p. h.; car driven by Jack Petticoat,  
78.17 m. p. h.; car driven by Russell  
Snowberger, 77.82 m. p. r.; car driv-  
en by Shorty Cantlon, 76.89 m. p. h.

This race afforded the opportunity  
for the Ford V-8 to meet its oppo-  
sition on the open road, under the vigi-  
lant eyes of the country's highest  
automobile authority, and there it  
proved its all-round superiority be-  
yond any question of doubt.

Mountains

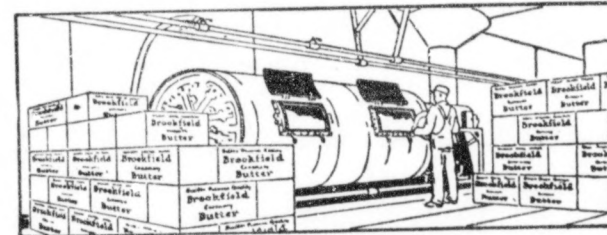

(of Butterfat)

Must Be Moved

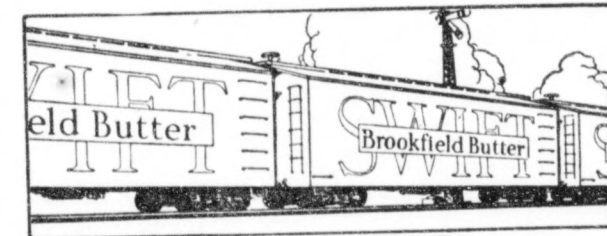

THE MOUNTAIN

Hundreds of thousands of farmers daily have butterfat to  
sell. In the counties, even the states, where most is pro-  
duced, there is surplus. This surplus must be sold to faraway  
consumers in the cities.

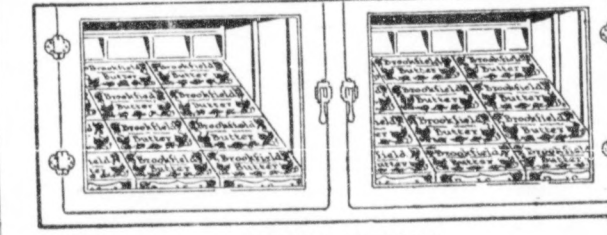

MANUFACTURE

Swift & Company, with its more than 100 produce plants  
and many buying stations, buys for cash. The next step is  
processing in a modern churn. Swift makes the finest grades  
of butter and packs them in attractive style.

TRANSPORTATION

Then distribution. Butter often rides a thousand miles to  
reach a purchaser. Swift & Company ships in carload lots to  
a nation-wide market, in which thousands of salesmen dig  
up and foster demand.

READY BUYERS

So to the retailer. He may be in any one of many thousand  
cities. Butter goes wherever demand is keen. Swift &  
Company has hourly information on market requirements  
—and is able to serve them quickly.

MOUNTAINS of butter-  
fat in the producing  
areas must be taken care of  
without delay; else they  
would lose value. There must  
be a connecting link between  
the producer of butterfat (and  
poultry and eggs as well) and  
the retailer and consumer.  
Swift & Company is a vital  
link. With a minimum of lost  
motion and expense, it sends  
the surpluses to places where  
shortages would exist with-  
out a steady flow of produce.

Swift & Company undertakes  
all the work of processing, of  
shipping and of selling to a  
nation-wide market, an es-  
sential service which the  
farmers can not perform.

Cash prices paid to pro-  
ducers by Swift & Company  
are competitive and are based  
strictly on what consumers,  
through retailers, will pay  
for the entire supply offered.  
Sell your poultry, butterfat,  
and eggs to Swift & Com-  
pany.

Swift & Company

Purveyors of Fine Foods

World's Fair visitors are cordially invited to go through the Swift plant in  
Chicago. It is only thirty minutes on the South Side Elevated from downtown.

## SLEEP!

When the worries, noise, confusion, high-tension work, or hectic pleasures of your waking hours "get on your nerves," here is a simple time-tested preparation that will bring a feeling of calm and relaxation and allow you to get a good night's sleep.

Dr. Miles Nervine quiets your nerves. It is not habit-forming and does not depress the heart. Why take chances with dangerous habit-forming drugs? Why use narcotics that make you dull and depressed?

Millions have found relief, relaxation, sleep, by using Dr. Miles Nervine. Although first used more than fifty years ago, Dr. Miles Nervine is as up to date as today's newspaper. Nothing better for the home treatment of overtaxed nerves has ever been discovered.

Your druggist sells Dr. Miles Nervine. We guarantee relief, or your money back, with the first bottle or package.

## The Road To Health With the Auto Electronic Radioclast

**A TESTIMONIAL—**  
"About Ten Years Ago I suffered a complete breakdown. Every possible form of treatment was resorted to with no permanent benefit. On March 6th, 1933, I was examined by Dr. R. C. Conley on the Radioclast Instrument, and was found to have an infected kidney, an infection of the lungs and ovarian trouble. My vitality was low and body poisons were high. I began taking treatments at once, and immediately I began to improve, and after two months the kidney and lung troubles were completely cleared up.

"So, from my own experience I KNOW that the Radioclast Instrument not only diagnoses accurately, but is an effective treatment as well."—(Name on Request)

J. D. Ferguson happened to a painful accident at school Monday when a baseball hit his thumb and

## Why be NERVOUS

There's a time-tested, harmless, preparation, compounded by a specialist in nervous disorders, for the relief of Sleeplessness, Irritability, Nervous Indigestion, Nervous Headache, Restlessness, the Blues and Hysterical Conditions.

During the more than fifty years since this preparation was first used, numberless other nerve sedatives have come—and gone. But the old reliable has always been in constantly increasing demand.

Only one medicine fits this description.

## DR. MILES NERVINE

If you are nervous, don't wait to get better. You may get worse. Take Dr. Miles Nervine. You can get Dr. Miles Nervine—Liquid and Effervescent Tablets—at your drug store.

**HELPED 98 PERCENT** Interviews with 800 people who had used or were using Dr. Miles Nervine showed that 784 had been definitely benefited. Isn't anything that offers a 49 to 1 chance of helping you worth trying?

Get a package of Dr. Miles Nervine today. If it fails to help you—take the empty bottle or carton back to your druggist, and he will refund your money.

broke the bone. He was taken to Fulton for treatment.

Mrs. Nora Byrn visited Mrs. Will Weatherspoon Monday afternoon.

# FULTON COTTON WHEAT GROWERS REDUCING ACREAGES

The wheat growers of Fulton county are co-operating with the Agricultural Adjustment Administration in the effort to reduce the surplus of wheat, by signing agreements to reduce their acreage by 15 per cent of the three year average. On Saturday, September the 9th the total number of applications received by County Agent, O. R. Wheeler was 34, with a total average acreage of 2,226.3.

The administration of the wheat reduction plan for the next two years will be in the hands of the growers themselves, who select committees to work allotments for each producer. The allotment committee selected by the wheat growers of Fulton County is composed of H. M. Hewitt, Chairman and member of the district board of directors and J. P. DeMyer and M. E. Shaw. This committee will meet in the office of the County Agent on Friday, September 15th to begin working out allotments for each individual grower. All wheat growers in the county, who have signed applications or expect to, are urged to have their applications and production records complete by that date, so that the committee may work out the allotment, as soon as possible.

## HOMEMAKERS HAVE TRAINING SCHOOL

Sixteen Home Improvement Leaders from eight Homemakers Clubs of Fulton-Hickman Counties attended the Home Improvement Training Schools conducted by Miss Ida C. Hugman, Home Management Specialist from the University of Kentucky on Thursday, September 7 at the home of Mrs. Charles Clarke in Hickman and on Friday, September 8 at the home of Mrs. C. V. Heaslet in Clinton.

The lesson, which was "Flower

Arrangement and Finishing Touches" was the first one for the fall project which is "Accessories in the Home", this project being a continuation of the one carried in the spring.

Ideas for arranging for color, containers and effect were discussed and demonstrated.

Leaders that attended and the clubs they represented are: Mrs. Mabel Bradley and Mrs. Erma Freeman, Sasafra Ridge; Mrs. Charles Clarke and Mr. C. P. Mabry, Hickman; Mrs. Birdie Hewitt and Mrs. Poynter DeMyer, Cayce; Mrs. Ed Thompson, Palestine; Miss Mary Flowers and Miss Ruby Taylor, McFadden; Mrs. Hubert Moss and Mrs. Newt Cannon and Mrs. Roy Cornwell, Shiloh, and Miss Anna Culton, Home Demonstration Agent.

## EXCURSION BOAT AT HICKMAN FRIDAY NIGHT

Hickman, Ky., Sept. 14. (Special)—The J. S. Steamer DeLuxe, one of the finest excursion boats on inland waters, will be in Hickman on Friday night, September 15th, for a Moonlight Excursion and Dance under the auspices of the Hickman Elks Lodge. These semi-annual moonlight excursions and dances on the Mississippi river, sponsored by the local Elks, have been one of the most popular features in this section for many years past.

The J. S. will feature Earl Dantin and his Mississippians, one of the best known dance orchestras in the Mississippi valley. This band has proved highly popular during the last summer when the J. S. was running out of St. Louis regularly. C. K. Davis, exalted ruler of the local Elks lodge, said today that one of the largest crowds ever to attend these popular Moonlight Excursions was expected on the J. S.

## This and That

Certain scientists believe that years ago the head of the Gulf of Mexico was located in the vicinity of Hickman and Columbus. The cliff at Hickman contains the remains of salt shell fish and other evidence that that section was once partly covered by salt water.

George Bingham has this to say about Dr. J. T. Sutton, pioneer country doctor of Milburn: He has gained nation-wide attention thru a briefly written article published about him in the American Magazine. Dr. Sutton is 93 years old, is hale and hearty, and still makes calls on the sick. He travels either on a bicycle or roller skates. He usually goes barefooted at all seasons and wears only a shirt and pair of pants. He sleeps naked in a cold room without any cover, and keeps a barrel of water in his room for his bath. He climbs into the barrel every morning the year round even if he has to break the ice. To get more exercise he has built a race track around the barn, where each day he takes a strenuous workout. During the Civil War Dr. Sutton saw much hard service as an army surgeon. He doesn't think much of the present generation.

The cost of the special session of the Kentucky legislature was estimated Saturday as about \$48,000.

Fifty years ago women wore hoop skirts, bustles, petticoats, corsets, high buttoned shoes, ruffled cotton drawers, flannel nightgowns, puffs in their hair—did their own cooking, baking, cleaning, washing, ironing—raised big families—went to church Sunday—were too busy to be sick. TODAY women wear silk stockings, short skirts, low shoes, no corsets, an ounce of underwear—have bobbed hair, smoke, paint and powder, drink cocktails, play bridge, drive cars, have pet dogs, and go in for politics.

Fifty years ago men wore whiskers, square hats, Ascot ties, red flannel underwear, big watches and chains—chopped wood for stoves—bathed once a week—drank ten cent whiskey and five-cent beer—rode bicycles, buggies or sleighs—went in for politics—worked 12 hours a day—lived to a ripe old age. TODAY men have high blood pressure, wear no hats, and some no hair, shave their whiskers, shoot golf, bathe twice a day, drink poison, play the stock market, ride in airplanes—never go to bed the same day they get up—are misunderstood at home—work five hours a day, play ten—die young.

August employment on the Class 1 railroads of the country was in excess of 1,000,000, for the first time since October, 1932. August showed an increase in employment of 25,749 over July.

Maybe there's nothing to it, but a fellow predicted the Century of Progress at Chicago would "fall in the lake" October 1. So, Sam Bennett says he wouldn't like to attend the World's Fair on that date (not that he believes there is anything to the prophecy) but he contends with all the amazing sights to be seen and peculiar noises, he thinks it might

be hard to keep the nerves from being jumpy.

Common sayings about town: Set me up to a bottle or mug of beer, or a "shot"; I won on the tip board today; the races took me for a cleaning; the machines will beat you in last night; hear about the fight, two married men went home with black eyes; drunk again, jail again; two cars crashed downtown; don't tell my wife; my husband must never know.

Minister Edmond Miellet of France wants another star added to the American flag to "mark the friendship of France for the United States." He made suggestion in an address commemorating the 19th anniversary of the Marne battle. A good suggestion, after France pays her debt.

Wood carvings. Kelly Lowe has an unusual display in his window. Two hearts locked as one, unbroken chain, pliers that work cut out of one piece of wood, a complete chair enclosed in a small neck bottle, etc. This exhibition is worth seeing.

## Kingston Victor Over Pierce By The Score of 7-2

Kingston defeated Pierce last Sunday by the decisive score of 7 to 2. Four errors and three hits gave Kingston their runs in the 2d, 3d and 4th innings. Ross of Kingston had the Pierce boys well in hand and only allowed eight widely scattered hits and seemingly fanned the batters at will, getting 13 strikeouts.

Batteries: For Pierce—Weaver, Speight and Stubblefield; Kingston—Ross and M. Nannery.

Pierce plays at home next Sunday and efforts are being made to get a double-header. Everybody invited to attend this game.

## FULTON HIGH SCHOOL ALUMNI ASSOCIATION TO BE FORMED

A meeting for the purpose of organizing an Alumni Association of Fulton High School graduates will be held in the Chamber of Commerce rooms next Thursday night at 7:30 P. M. It is the duty of every Fulton high school graduate to attend and lend a helping hand in organizing this association.

The formation of such an organization would mean much to the school in many respects. With football season fast approaching and the possibility of a winning combination the team needs all the support possible. The greatest spirit any team can have is the backing of the graduates. Only proper support and backing can guarantee such an organization, so let's all be there.
