Don't be a Slacker! Buy Some Stock In Fulton's Hospital

Last Call for Clean-Up Week

Starting Monday, April 27, and Continuing to Saturday, May 2

Special Days for Each District to Haul Off Gift Refuse

This is the last call for clean up week, which is all set for next week—Monday, April 27, to Saturday, May 2. Every organization in town has this in mind and is using their influence to help clean up the town. Clean up was started April 27 so as to give everyone plenty of time to get ready for it. The weather has been good and this has enabled everyone to get out in their yards and work. The city wagons will visit the wards as follows:

Business District—Tuesday and Wednesday.

West Fulton—Wednesday and Thursday.

North Fulton—Thursday and Friday.

East Fulton—Friday and Saturday.

The rubbish should be put in boxes and barrels which will be emptied into the wagons and the container left on your premises.

Mayor R. H. Wade has issued a proclamation on clean up week, and sets aside next week as official clean up week for Fulton.

As to What to Clean Up

First, just clean up for the looks of the town, then clean up for the health of the town, then clean up to rid the town of all kinds of pests, mosquitoes, flies, roaches, and rats. Stray dogs and cats are another good nuisance, and stray chickens that stray on purpose are another thing to get rid of.

Rid your premises of breeding places for flies and mosquitoes. Anything that holds water will breed mosquitoes. Tin cans, boxes, bottles, jugs, jars and many other things will hold water, breed mosquitoes. The most unexpected thing will hold enough water to supply a neighborhood with the pests. Rain barrels and gutters on residences are breeders. Some houses have ponds of water standing under them. Sink drains should be connected to the sewer system. Then all piles of filth which breeds flies should be removed.

This clean up week is a spring yard cleaning and a road job should be done the first time trying.

BATTLE ROYAL BETWEEN SUNDAY SCHOOL CLASSES

A battle royal is now on between the Busy Men's Bible Class of the First Methodist Church of Fulton, and the Men's class of the First Methodist church of Dyersburg for supremacy as to who will entertain with a big fish fry at some point on Reelfoot lake, June 7. The contest will be decided by the average attendance of the two classes during the period between now and the closing date. Dyersburg had better be getting the skeletons and fish ready as the Busy Men's Bible Class was never known to be beaten in anything.

A WORKER

Harold Heywood, of Troop 2, Boy Scouts, has the honor of bringing in the first money for work done under the new Employment Bureau established to raise money to defray expenses of the summer camp.

What Becomes of the Fulton Dollars

That Are Sent Away from Home to Mail Order Houses?

If you are interested in Fulton and the prosperity of this city and yourself, you will look at the cartoons and read the editorials beneath them on the BUY AT HOME page in this paper each week.

We are conducting this campaign in which we hope to arouse community co-operative spirit to such an extent that large increases will be manifested in the business of local firms with corresponding decreases in the Fulton business of outside and mail order houses. The Advertiser wants to help educate the people of this community to a realization that their own success and prosperity is closely bound up with that of our local business men, and that to succeed themselves they must help you to success. We want to help "keep Fulton money in Fulton," and the "Try Fulton First" movement.

This is an expensive service to handle, but The Fulton Advertiser stands all the expense.

We want your moral support in this campaign for better business in Fulton. Keep your dollars at home—trade with home industries and make Fulton a better town in which to live.

Improvement in Tobacco Deliveries

Improved weather conditions last week were responsible for a small increase in tobacco deliveries at the Association barn over the preceding six days. The deliveries amounted to 62,465 pounds, making a total to date of 2,144,795 pounds.

Although there were only two registrations for the week up to Saturday afternoon of last week, the deliveries amounted to the above figures, due as stated, to the improved weather, which permitted the handling of the tobacco.

Registrations for the first three days of the present week amounted to 21, and the indications were that the number would considerably increase if the warm, damp weather continued for a few days.

Shipments also fell off, only 40,000 pounds being sold for the week, but it was expected by the managers that this week would show a substantial increase in sales.

The new hydraulic press was put into service the latter part of the week, and while it was not possible to run at capacity, a fair start was made and as soon as the crews are thoroughly acquainted with the work, it is expected that a speed will be shown that will surprise old tobacco men who are not accustomed to the hydraulic method.

Orders were received from headquarters to close the barn for the season on May 15, and special attention is called to this date as there seemed to be an impression that the date for closing would be June 15, or thereabouts. The new date was decided on because of the early date on which receipts began and because of the decreased crop as compared with last year.

All farmers who have not yet delivered their crops should take note of this change in date and endeavor to get their tobacco in by that time.

All Hail the Queen

NEW FIRM FOR FULTON

The Peoples Hardware Co., Incorporated, Successors to Campbell & Jones Hardware Co.

The Peoples Hardware Co., successors to Campbell & Jones Hardware Co., with a paid up capital stock, is a new business firm for Fulton, with the following officers:

W. W. Batts, President.
P. C. Jones, secretary.
S. B. McAlister, treasurer.
J. H. Campbell, manager.

In taking over the stock and business of the Campbell & Jones Hardware Company, the new corporation starts with a clean line of implements, wagons, buggies, harness, stoves, crockery, glassware, aluminum ware, field seeds, hardware, and in fact, everything to be found in a first-class, up-to-date hardware establishment.

The men who have been elected to conduct the business are well known in Fulton business circles and surrounding country.

W. W. Batts, president for the past nine years, has represented the Oliver Chilled Plow Co., and there is not a man in this section of the country better acquainted with the needs of the farmer for making his avocation a success, better than Mr. Batts, and it will be his delight to see that the tiller of the soil gets just the kind of implements to make his burdens the lightest.

P. C. Jones, secretary, is known to every man, woman and child in this end of Fulton and Obion counties, as being a man of fair and honest dealings and was a member of the firm succeeded.

S. B. McAlister, treasurer, who has conducted the business of the Illinois Oil Co., in Fulton for a number of years, is also well known throughout this entire territory as a man of honest dealings.

J. H. Campbell, manager, has been associated more or less in the hardware business in Fulton for many years, and is thoroughly acquainted with every department of the business.

He is held in the highest esteem by the people of the city. With Mr. J. H. Jones he has conducted the business successfully, in a most successful manner and it has grown by leaps and bounds.

With as capable men to conduct the affairs of the incorporation, The Peoples Hardware Co., is assured success.

Railroad News

Mr. H. W. Williams, Supt. I. C., attended meeting in General Superintendent's office at New Orleans, Friday of last week.

Mr. J. J. Polley, vice-president of the I. C., was through the city the first of the week.

Mr. W. W. Claypool and family are visiting relatives and friends in Virginia this week.

Clanton Boyd, son of W. A. Boyd, of the Division office, has been seriously ill for several days.

Mr. M. L. Brooks, of the Division office, spent the week end, last, with his parents in Sharon.

Miss Lois Covington spent Sunday with friends at Halls, Tenn.

Mr. and Mrs. D. C. Ligon spent the week end in Memphis.

Mrs. Rufus Kemp has been quite ill for the last week, but is improving.

Nelson & Company Receiving More New Equipment

The Nelson Company, who is constructing the new line into Fulton, has received some more new equipment. We understand that they received another new locomotive for Camp No. 1, and that they have, or will have received by the time we go to press, some new equipment for the construction of the new Fulton yards.

It is anticipated that the work will start on the new yards shortly, or just as soon as it is possible to get all of the equipment on the ground.

Mr. Nelson and other high officials of the construction company, have been in Fulton several times recently, looking over the new work, and the proposed location for the new

yards.

I. C. Promotes Officers

Mr. G. M. Crowson, editor of the Illinois Central Magazine, has been promoted to Assistant to the Vice-President. Mr. Crowson entered the railway service in 1920 and in 1921 was appointed editor of the Illinois Central Magazine. Previous to his connection with the Illinois Central, Mr. Crowson was in the newspaper business at Maryville and St. Joseph, Mo.

General Foreman Promoted to Master Mechanic

Mr. W. F. Lauer, general foreman of the I. C. Memphis shops, has been promoted to the position of Master Mechanic. Mr. Lauer entered the service of the I. C. in 1920, but had been working in the Mechanical Department of various other railroads since 1897. He came to the I. C. as general foreman, September 26, 1920, in which capacity he was serving when promoted recently to Master Mechanic.

Illinois Central to Repair Old Poplar Avenue Station at Memphis

The Illinois Central is planning extensive repairs to the Poplar Avenue Station at Memphis. For several years this station has been practically abandoned, since the construction of the new terminal at Memphis, but its location is very accessible to the main part of town, and many patrons of the I. C. from this end of the line still insist on using the old station, and the Illinois Central has decided to make it more attractive and comfortable.

U. S. R. R. A. Affairs to Be Completed This Year

According to Director-General of Railroads, Mr. Davis, of the United States Railroad Administration, the affairs of that body will be terminated within a year. All settlements with the railroads as a result of Federal Control have been made, but there remains approximately \$60,000,000 in claims to be settled.

One look at the cost to our Government for the operation of the railroads during the war, should be sufficient to convert any government ownership here.

HOSPITAL COMMITTEE MEETING

The Hospital Arrangement Committee met at the Chamber of Commerce on Monday night and decided that there had not been sufficient publicity given the work to make the campaign a success and it was postponed for a short time to allow for more publicity.

A decided feeling of optimism was shown by those present and when the plans have been definitely decided on the campaign will be started with a rush, and there will be a new feature introduced that will be an entirely original idea in stock selling to the public.

From ideas advanced by several speakers, it seems that there is considerable interest being taken by the farmers of the community in the movement and special facilities will be provided for giving our farmer neighbors an opportunity to subscribe, for in reality, the hospital will be of as much, if not greater benefit to them than to the town dwellers, because the city patients are within much easier reach of the doctors than the farmers, and can receive more constant medical care and have many of the little attentions provided by city homes that are not possible on the average farm.

Most city residences are provided with a constant supply of hot water, and electric lights, for instance, while the farm home must depend on lamps or candles, and a tsekette. The prompt delivery of medicines is another big item in many cases of serious illness that the farmer is not able to obtain, thus losing valuable time and often making a cure virtually impossible.

With a hospital located here, almost any farmer can send a member of his family there and feel that every possible agency will be at hand for the benefit of his loved ones. They will be at such close contact that the loss of a day or two, going and coming to visit the sick one will be done away with, and daily visits may be made by members of the family with scarcely any cost.

Our farmer neighbors will undoubtedly take these facts into consideration and when called on by members of the various teams, will subscribe as much of the stock as their means will permit, believing that they are serving themselves just as much as they are their neighbors, and fully realizing that in order to have a first class hospital, it depends upon the hearty backing of every member of the community that is able to subscribe.

GOOD WOMAN PASSES AWAY

Funeral services were held at the residence Monday afternoon for Mrs. Alfred Bradley, who died at her home in Fulton, Sunday, April 19. Rev. C. H. Warren conducted the service with interment following at Johnson Grove cemetery.

Mrs. Bradley was a consecrated Christian woman and a member of the First Baptist church of this city. She will be sadly missed by a large circle of friends.

Deceased is survived by a devoted husband and adopted son, Cecil Bradley, who have the sympathy of the community.

BILL BOOSTER SAYS

BECAUSE FRESH PAINT IS A GREAT PRESERVATIVE IS NOT THE ONLY REASON I BOOST FOR IT. THERE'S NOTHING LIKE PAINT TO PEP UP A TOWN AND MAKE IT LOOK SHARPER, AND EVERY PROPERTY OWNER WHO HAS HIS HOUSE OR BUSINESS PLACE PAINTED IS A REAL HONEST-TO-GOSH BOOSTER!

POULTRY ASSOCIATION MEETING

At Chamber of Commerce Tuesday Night, April 28.

On next Tuesday night at seven thirty there will be a meeting of the Poultry Association at the Chamber of Commerce rooms. It is desired that all "fantiers" or chicken boosters attend as we wish to make a permanent organization at this meeting, and transact such other business that will come before the meeting.

If you do not raise chickens, but want to help out this new addition to Fulton's many clubs, and societies, come out and join us. You are more than welcome.

We want to boost better poultry in West Kentucky and West Tennessee and replace the common hen with a breed of full blooded poultry that will not only lay more eggs in the same length of time, but will be a healthier fowl, and when placed on the table furnish you with a much better dish than the "old dung hill."

It has been proven beyond all doubt that a thoroughbred fowl can be raised as cheaply as a common scrub and the returns are so far above what the scrub can do that really there is no comparison.

The Poultry Association intends to use every effort to make the chicken show at the fair the best ever held in west Kentucky, and to do this we will have to have your help.

Now, if you haven't anything on for Tuesday night, April 28, come around to the Chamber of Commerce rooms and give us your cooperation and membership.

\$750 FOR BOY SCOUTS QUICKLY RAISED

The campaign to raise \$750 for the Boy Scouts to finance their yearly program and establish a permanent camp for recreation was quickly put over. The committee is to be congratulated on the pleasant manner in which the campaign was launched and all are glad who subscribed to the fund.

COMMENCEMENT EXERCISES OF CAYCE HIGH SCHOOL

The senior class of the Cayce High school announces its commencement exercises Wednesday evening, May 13, at 8 o'clock, High school auditorium, Cayce, Ky.

The class roll this year has twelve of the brightest young ladies and gentlemen in the community as follows: Misses Lois Mayfield, Hazel Fields, Mary Ella Jones, Christine Jones, Hazel Bondurant, Dixie Stallins, Estelle Wade, Ernest E. Arrington, Joseph Lee Lane, Lonnie James Roper, J. Dalton Oliver, Roy D. Taylor.

The baccalaureate sermon will be delivered by the Rev. Ollie J. Sowell, pastor of the First Christian Church, of Fulton, Sunday morning, May 10, at 10 o'clock.

The address to the class will be delivered by James F. Warren, President of Hall-Moody, Martin, Tenn., May 13.

Other features of Commencement week will be announced later in this paper.

The Cayce High school is classed among the best institutions of learning in this part of the state, and too much credit cannot be given Miss Nina Kimbro, principal of the school. Some of the most talented and most brilliant young men and women of Western Kentucky have graduated from this school the six years she has had charge. Miss Kimbro is ably assisted by J. H. Geyer, of New Albany, Ind., teacher of science and mathematics; Mrs. Ora Herring, of Fulton, in charge of the seventh and eighth grades; Miss Mary Ramsey, of Kenton, Tenn., in charge of the fourth, fifth and sixth grades; Mrs. Ollie Verhines, of Cayce, in charge of the primary department.

APRIL 26 TO MAY 2, BOYS' WEEK

The boy is the greatest asset that any community has. The better we train him, in this proposition, the better our business and professional men of tomorrow will be.

Who is going to take over your business or profession when you pass on? The boy of today. Therefore we should dignify the boys we have while they are boys. Make them realize that they will have the responsibility of world affairs in a short time. Prepare them now to take over these responsibilities. Make a pay of your boy and of every boy. They will never fail you once you have gained their confidence.

Boys' Week, sponsored by the Rotary International, will be observed again in Fulton this year, as well as in 2,000 other towns and cities. Beginning April 26, the week will start with "Boys' Day at Church." See to it that your boy attends on that day. There will be something said that he should hear. Following this day, each day will bring a new program, ending on May 2, as "Boys' Day Out of Doors."

It is hoped that all the citizens of Fulton will take an interest in this movement and co-operate wholeheartedly. It is for the benefit of the boys—the greatest asset that we have.

NEW BUSINESS BLOCK

Dr. Seldon Cohn has let the contract for the erection of a two story brick business house with basement on his property near Walnut street crossing of I. C. W. M. Hill & Sons were awarded the brick and concrete work and Valentine Bros., the woodwork. When completed, the building will be occupied by the Holloway Motor company, who sell the well known Durant line of cars, accessories, etc.

Work is now in progress and will be rushed to completion.

CONGRATULATIONS

A large circle of friends join us in extending congratulations to Mr. and Mrs. Adie Rice Lowe. The newly weds arrived in the city from Nashville where they were happily married, and will make this their future home. The bride is a charming young lady of many accomplishments, while the groom is a valued employee of the Illinois Central railroad.

NEW CHURCH BUILDING FOR RICE CITY

Members of the Rice City Methodist church have started a campaign to obtain funds with which to erect a house of worship. J. J. Owen, one of Fulton's public spirited men, is at the head of the movement and we predict that a beautiful new church building will soon be erected. The Rice City membership will go the limit in contributing funds and will appreciate any outside assistance given for the worthy cause.

REV. ADAMS TO CONDUCT REVIVAL AT PADUCAH

The Rev. E. F. Adams, of Galveston, Texas, former pastor of the First Baptist church of Fulton, will conduct a revival meeting at Immanuel Baptist church, Paducah, beginning Sunday, April 26. Robert Jolly, superintendent of the Baptist, is at Houston, Texas, in charge of the song service.

TOM WHITE BUYS INTEREST IN SERVICE STATION

Tom M. White, a well known young business man of Fulton, and an employee of the Illinois Central railroad company, has bought S. B. McAllister's interest in the firm of McAllister & Paschall, agents for the Illinois Oil Company. The firm name is now Paschall & White. They conduct a service station on Fourth street, and deal in Firestone tires, auto accessories and house paints and oils. Paschall & White are clever gentlemen and fair and square in their business dealings.

Mr. McAllister is now associated with The Peoples Hardware Company, Incorporated, successors to Campbell & Jones Hardware Co.

REAL ESTATE TRANSFERS

The following real estate deals have been recorded since our last report:

D. W. Smith to R. E. L. Smith property in Fulton, \$1,500 cash and \$2,500 assured.

W. A. Dodds to Ada Yates, property in Hickman, \$750, monthly payments of \$31.25 each.

J. E. May to B. G. Hale, Sr., property in Hickman, \$700 notes of \$250, due in 1 and 2 years.

Josephine Poyner to H. C. Poyner, property in Hickman, \$100 cash, 1 note \$200 due in 12 months.

Josephine Poyner, to R. L. Jackson, land near Hickman, 25 acres, \$150 cash.

W. S. Johnson to W. E. Caldwell, property in Hickman, \$35 cash.

Mrs. Emma Stahe to J. A. Roper, property in Hickman, \$1,000 cash, 4 notes \$625, due 1, 2, 3 and 4 years.

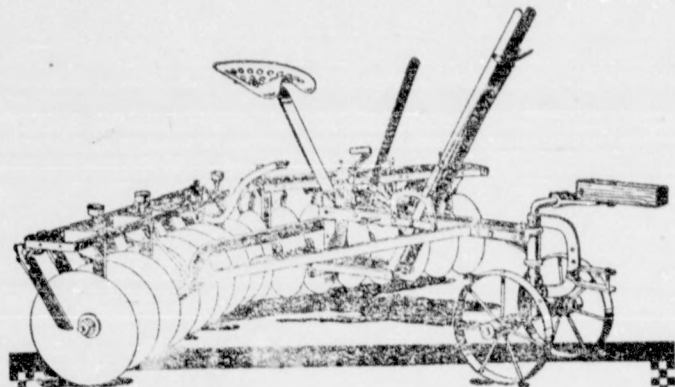

SEBRA EVANS ORCHESTRA PLAYS AT CRUTCHFIELD

Sebra Evans and the following members of his orchestra went to Crutchfield last week to play for the high school class entertainment:

P. A. Barnes, Sam DeMyer, Robert DeMyer, Virgil Brown, Claud Shelby, George Vaughn, Hardy Roberts and Mr. Speeds. All who heard the music are loud in their praises, and enjoyed it immensely.

Its Spring Pressure Feature Insures Better Disking

We have in stock, ready for your inspection and use, a supply of disc harrows that are noted for doing a better job of diskings their entire width when going over ridges or depressions, or on side hills, as well as on level land. Come in and inspect the

JOHN DEERE Model "B" Disc Harrow

By means of the third lever, spring and John Deere pivoted yoke, this harrow can be given the required pressure to penetrate at even depth its full width under all the above conditions.

It is a really flexible harrow—penetrates, pulverizes and packs in conditions where rigid harrows fail to work all the soil. Each gang works independently, like separate harrows, and both can be

given the proper angle to pulverize under varying conditions. It is strong—will last years longer than ordinary harrows because of its all-steel main frame and double-bar, riveted gang frames. It has oscillating scrapers with lock-down and lock-off features, and the most convenient grease cups—easy to fill and out of the dust and dirt.

We can furnish the John Deere Model "B" with rear gang and hitch to convert it into a double-action, horse- or tractor-drawn harrow—a good way to save money and yet get good results.

Some new experience for us, but we enjoyed it.

Accelerator Does Vulcanizing in Fifth of Old Time

Baltimore, Md.—Chemical research is now saving the motorists of America \$50,000,000 annually on their bills alone, William G. Geer of Akron, Ohio, stated in a report to the American Chemical Society, which concluded its sixty-ninth meeting here.

The saving has resulted from the discovery and use of organic accelerators in the manufacture of tires and other rubber goods, which permits them to be vulcanized in from one-third to one-fifth the time formerly required.

In his report, Geer also estimated that an additional \$40,000,000 had been saved to tire manufacturers, this figure representing the additional capital investment that would be necessary for equipment to do the work now done by the acceleration process of manufacture.

Not only does the acceleration process of manufacture lessen the cost of a tire, but other chemical research has added materially to its life, Geer's report added.

Twenty years ago, he said, the average running life of a tire was 2,500 miles, while tires now are made which cover 15,000 and 20,000 miles.

Panama Canal Is Paying
Washington.—A check for \$350,000 was transmitted to Secretary Mellon by the War Department, representing a 5 per cent annual dividend from the Panama Railroad Company, owned by the government and operated across the isthmus by the canal zone administration authorities.

Air Mail to Bermuda.
Washington.—Air mail to Bermuda was carried again by the ship Los Angeles when it sails about April 14. Letters will be at the regular rate of two cents but a limit of 200 pounds has been placed on the quantity to be carried.

Choke Crime News
Decatur, Ill.—After a week's trial of segregation of telegraph crime news to the lower left hand corner of the front page of the Decatur Review, each column headed by a small head "crime," opinion differs widely as to this method of handling such news.

The majority of ministers contend that undue attention is called to it while a few have said it places it where it can be skipped without reading.

The Dahlia

No Flower Garden is Complete Without It. Easy to Grow

The Decorative Dahlia is the pride of all Dahlias, standing out pre-eminently. In the garden the plants are strong, sturdy, vigorous growers, with heavy, dark green foliage, and a remarkable constitution. The blossoms are produced in great profusion, which is exceptional for a type of giant flowering Dahlias. For cut-flower purposes they are unsurpassed, having long, straight stems of wiry stiffness and producing their flowers in a pleasing upright manner; then principally their lasting qualities when cut they are unequalled, lasting longer than any of the other types. As an exhibition flower the Decorative Dahlia is the most gigantic of all Dahlias, blossoms having beauty, substance, quality—all essential characteristics of a true "Model

of Perfection." As a decorative flower they are first in every respect; being graceful, adapted to designs, and most artistic.

No flower garden is complete without Dahlias. But all Dahlias are not alike, there are a number of varieties. It is just as easy to grow the best varieties as the ordinary kind.

Book on Dahlia Culture Free With Each Order

I would recommend that you place your order for Dahlia Bulbs now for early spring delivery without taking chances of being disappointed. All orders booked in rotation and delivered accordingly. Our stock is limited so don't wait until too late. R. S. WILLIAMS, Fulton, Ky.

HILL'S "America" THE ROSE OF THE CENTURY

This superb rose, for which the horticultural world has been waiting for so long, is now ready for distribution, and we consider it a great privilege to help the E. F. Hill company in its dissemination.

We have tried it out in our test garden. It blooms continuously from early May until heavy frost, on stems two to three feet long, and the color is the most glorious glowing rose-pink imaginable. The buds are long and pointed and open up most artistically as the out-petals fold back, leaving the high-pointed center fully exposed.

It is as near disease resistant as a rose can be, always having a clean, glossy foliage at all seasons of the year. It rivals the American Beauty in size of flower, and if you are looking for a marvelous rose you will make no mistake in growing "America."

This wonderful rose has captured the prize in every rose show where it has been exhibited. In Paris and New York International show it was awarded the gold medal for being the best pink.

The price is \$1.00 for 2-year old plants, guaranteed to bloom this year. R. S. Williams, Fulton, Ky.

FULTON, KY.

WHY BUYING FARM LANDS IN FULTON AND ADJOINING COUNTIES IS A GOOD INVESTMENT

To view the fertile lands of Fulton and adjoining counties is enough to give any one a new inspiration of love for the country in which we live, surpassing in productiveness the high priced lands of many parts of the country.

Fulton and surrounding counties is in the midst of one of the finest agricultural sections of the entire South. The surface is mostly a rolling level inclining toward the Mississippi river. The soil is as versatile as it is rich and will grow to perfection corn, wheat, cotton, all cereals, clover, alfalfa, grasses, tobacco, the dark variety, fruits, potatoes and vegetables of all kinds.

It is an ideal stock section, on account of the freedom with which grasses grow. The country is well watered by living streams. It would be hard indeed, to find any section of country so well adapted to so many leading crops, to stock raising and all kindred lines of agriculture, and it is inhabited by a happy, prosperous, progressive people.

During his visit to Fulton county some years ago, Morgan O. Hughes, the best authority in America on farming, said it was not factories Fulton county needed, the

duction of the soil was sufficient.

Prof. E. S. Good, head of animal husbandry of the College of Agriculture during his visit some years ago, said, "Blessed is that county that can raise the crops and stock such as raised here."

During their visit here, Messrs. Hughes and Good talked to the farmers and all who heard the addresses were benefited, because every word uttered by these gentlemen was instructive, giving each and everyone an inspiration for higher ideal on the farm.

No farmer in this section is ashamed for you to view his beautiful fields of growing crops, sheep, hogs, cattle, etc. A trip through this section of the country will cure any man who has the "Florida fever."

INVEST IN FULTON PROPERTY AND GROW WITH THE TOWN

Fulton, Ky., is one of the most progressive, healthful small cities to be found anywhere and property values are the lowest. It has a population of about 6,500 and is growing steadily; more than one hundred homes having been built within the past year with extensive railroad improvements in course of construction which will make Fulton the hub of the great Illinois Central, destined to be one of the

large terminal points on its system.

Having two main lines of railroad, Fulton has direct through service to and from Cincinnati, Louisville, St. Louis and Chicago on the North; New Orleans, Birmingham, Memphis, Nashville, Atlanta and Jacksonville on the South, making it one of the most accessible cities in the "Jackson Purchase." Being the largest city between Cairo, Ill., and Jackson, Tenn., it is the distributing center of a large and rapidly developing section; the commercial center of Western Kentucky and Northwestern Tennessee. It is a city of business enterprise and progressive ideas; a city of thrifty, intelligent, cultured, hospitable people, a city of churches and Christian homes.

"The Square Deal" characterizes its municipal life, and integrity is a distinguishing feature of its business life; the atmosphere of its social life is pure and wholesome, while the tone of its moral and religious life is high and refreshing.

Its banking institutions are safe and accommodating; its capitalists are ever ready to assist in establishing and maintaining manufacturing enterprises, its real estate men are always in position to offer inducements in building sites for homes, business houses, or factories, and the city government will do its part to encourage the

new-comer on every hand, and only "Fair Play" is asked of all who become citizens of our city.

The public schools of Fulton are unsurpassed. The eight churches of Fulton represent the leading denominations.

A splendid water system, pure and refreshing.

Her climate not only makes Fulton a pleasant place at all seasons, but is such as to be conducive to healthfulness, and the country surrounding is such as to insure the future of Fulton.

But Fulton can boast of something greater than a city of material prosperity in the midst of a fertile region; more promising than a city producing only wares and merchandise; grander than a city made up of factories, banks and stock exchanges; more to be lauded than a city of much extent and traffic; more to be desired than any other products of civilization—For she can boast of her homes. These are her pride; in them is her happiness; on them her hopes center; from them radiate that influence which has made the future promise better things.

For the professional man, the business man, the laboring man and the capitalist, Fulton has a welcome.

"Come, and if you go away, you will then return to stay."

Beelerton News

Sunday was preaching day at Ruthville. Quite a large crowd attended and Bro. Dun-kin delivered a splendid sermon.

Mr. and Mrs. Wilburn Luther spent Saturday night and Sunday morning with Mr. and Mrs. Edgar Grissom.

Mrs. Helen Carmon Mayhew passed to the Great Beyond last Thursday at Nashville hospital. Mrs. Mayhew had just been married two weeks and was on her honeymoon trip to Memphis and other Southern points when she was taken violently ill and was rushed to the Nashville hospital where she died. She leaves to mourn her death a heart broken husband, an aunt, Miss Mattie Vincent, with whom she had made her home ever since the death of her mother. Two uncles, Albert and Jim Carter of Mayfield, and a cousin, Mrs. R. D. Radd of Fulton. The funeral was held at Sandy Branch Saturday afternoon at 1 o'clock. Burial followed in the cemetery there.

Mr. and Mrs. Wilburn Luther, Mr. and Mrs. Edgar Grissom, motored over to Martin Sunday afternoon.

Mr. and Mrs. Vanford Smiley spent Sunday with Mrs. Mattie Grissom and family.

Mr. and Mrs. Roy Ray spent Sunday night with Mr. and Mrs. Amos Ray and daughter.

Mr. Paul Reams, who has been ill for the last week, is sitting up some now.

Mr. and Mrs. Vanford Smiley, Mrs. Mattie Grissom and two sons, spent Sunday afternoon with Mrs. Cathey of Pilot Oak.

Several people of this community have planted lots of corn. Those who have not are planning on planting this week.

Bundle kindling is the best and most convenient. Order a supply from us today. CITY COAL CO.

McFadden News

Mrs. Gean Holt and little daughter, Christine, spent last week with Mr. and Mrs. O. C. Wolbertson.

Mr. and Mrs. Vester Tuck and children, and Miss Annie Kate Cruice, spent Saturday night with Mr. and Mrs. Walter Tuck.

Mr. and Mrs. Jim Bard were Sunday afternoon guests of Mr. and Mrs. Clarence Bard.

Mr. and Mrs. Jake Smith, of the Highland, spent Sunday with Mr. and Mrs. O. C. Wolbertson.

Miss Lena Tuck gave a party Saturday night. There were 36 present, and all reported an enjoyable time.

Misses Louise and Marie Wolbertson spent Sunday with Misses Mary Frances and Clevevia Bard.

Mr. and Mrs. Jim Walker and children were Sunday afternoon guests of Mr. and Mrs. Aubrey Cook.

Miss Lena Tuck spent Thursday afternoon with Miss Marie Wolbertson.

Layman Bard and Benard Pickering spent Sunday afternoon with James Martin Bard.

Miss Laura Mae Pickering and Johnny Finch attended church at Fulton Sunday.

Messrs. Claude Carver and O. D. Brown spent Saturday night in Fulton.

Messrs. Garry Pickering and Cleveland Bard, Benard Pickering, James Martin and Wallace Bard motored over to the new R. R. Sunday.

Mrs. Aubrey Cook continues ill.

Charles Bowers spent Saturday night with Layman Bard.

The Y. L. C. Society met with Miss Sarah White. All reported a pleasant time.

Mr. and Mrs. Ernest Carver spent Sunday with Mr. and Mrs. Willie Wade of Union City.

Mr. and Mrs. Ed Gates attended church at Union Sunday.

Mr. and Mrs. Al Ferguson and Mrs. Ivan Bard and little daughter, Joyce, spent Sunday afternoon with Mr. and Mrs. Charlie Herring.

Mr. Willie Wade and son, Tom, spent the week end with Mr. and Mrs. Ernest Carver.

Mr. and Mrs. Cleveland Bard and Miss Lillian Bard spent Monday afternoon in town.

Buy your Cotton Seed from CITY COAL CO. They are interested in a good yield the same as you are, and they sell the seed best adapted for your needs.

Cayce News

Miss Maudine Secarce of Bowling Green, spent the week end with her parents, Mr. and Mrs. R. B. Secarce.

Miss Mayme Fry of Hickman, is visiting her cousin, Miss Beaton Polsgrove.

Mr. and Mrs. Davis and Mrs. Gill of Union City, spent the week end with Rev. and Mrs. Cooley.

Mr. Jim McGhee and family of Sylvan Shade community, spent Sunday with Mr. and Mrs. Alvin Maybre.

Mrs. Ed Lusk is very ill with pneumonia.

Misses Ruth and Frances Prather, Miss Mary D. Hutchinson spent Sunday with Miss Maryo Secarce.

Miss Mafy Atteberry is visiting in Union City.

Mr. and Mrs. C. L. Bondurant spent Sunday with Mrs. Lucy Burnett.

The Seniors were delightfully entertained Friday evening at the home of Estelle Wade.

One of the interesting features of the evening was a State Guessing Contest. The prizes were won by Lois Mayfield and Harold Hampton.

Late in the evening the guests repaired to the dining room where delicious refreshments were served.

Sousa's Kitchen Cabinet Band gave a delightful entertainment here Saturday night. The members of this burlesque band were the ladies of the P. T. A. of Hickman.

Miss Christine Jones is ill with an attack of appendicitis.

Miss Beulah McNemar, monodramatic entertainer, of Keyser, W. Va., will give a recital

here Friday evening. Price of admission, 25 and 15 cents.

The music pupils of Mrs. Fowler and Miss Clarice Bondurant will give a recital Saturday night.

Mrs. Ora Herring has just learned of the honor conferred upon her daughter, Miss Evelyn, who is a student of State University. Miss Evelyn has been chosen by her sorority, Alpha Gamma Delta, as a member of the Pan Hellenia Council for this year and next year also. This shows Miss Herring's popularity with her sorority sisters, as this is the greatest honor that can be conferred by a local chapter.

There's a Frigidaire for Every Home

17 Styles and Sizes—

Either mechanism for your present ice box or complete cabinet. Sizes for the smallest apartment or the largest home.

Prices \$25.00 up to \$100.00. Dayton, Ohio.

Frigidaire is not expensive. It is not a luxury.

It is as vitally necessary in the home as any modern household utility.

Not in a few homes—but in every home—there is a distinct need for this method of keeping food always in a safe, healthful condition.

And every home can have Frigidaire. In the wide range of styles and sizes there is one that will meet the needs of your home at a price you can afford to pay.

Frigidaire operates electrically—from ordinary home current. It can be installed in your own ice box in a few hours. Once installed Frigidaire eliminates for all time the muss and nuisance of ice delivery. It provides a constant safeguard to the health of your family.

See Frigidaire. Take advantage of our liberal purchase plan. Have your home equipped now with modern, safe, economical refrigeration.

KENTUCKY BRIEFS

Bowling Green—Inner Rivers Re-Store's plant was damaged but no one was injured when a boiler exploded. The plant is at Scottsville.

Danville—The City Council of Danville ordered new sidewalks built in Crescent Heights, the new addition on the west side of Danville, at a recent meet held here.

Louisville—After dragging the rocky bed of Speed's quarry for five hours coast guards found the body of John Titman, 38, who drowned in the swift waters while swimming.

Lexington—Miss Nellie Mae Hill, 24, died in a hospital here of effects of poison she swallowed. She was unable to speak when found and no reason can be assigned for her act.

Glasgow—Malcolm Dearing walked into a glass door in the dark at his home and received severe cuts. Loss of blood rendered his condition serious and he was rushed to a hospital.

Paris—Everett Jackson, negro lad, was held to the grand jury on a charge of breaking into the store of R. R. Darnaby at Clintonville. He was held in jail in default of bond.

Corbin—Samuel Baker, of Cumberland Gap, Tenn., wanted at Williamsburg on charges of forgery, was shot and killed near Corbin by Deputy Sheriff D. J. Bryant, of Whitley County.

Danville—Malcolm G. Welsiger announced he probably would build a theater on his lot on Main Street adjoining the courthouse this summer. He intends to spend about \$100,000 on the building.

Pikeville—In the mining village of Wadip there are 70 cases of smallpox and five persons have died of the disease. A member of the State Board of Health has been called to the stricken community.

Frankfort—With over 3,400 students enrolled in the four white normal schools, Kentucky, in the near future, will be supplied with more trained teachers than ever before in the history of the state.

Carlisle—Mrs. James E. Scott, 70, died suddenly in front of a store when her horse, harnessed to a buggy, became frightened and reared when a goat came near. It is believed fright caused her death.

Danville—A gold medal, with an engraving showing Floyd Collins in a cave, purchased with money raised by citizens here, was presented to Albert Marshall who did heroic work at the attempted rescue of Floyd Collins at Sand Cave.

Lexington—George W. Wallace was acquitted in Circuit Court here on a charge of shooting Herby Tomlinson. Wallace claimed self-defense. It was brought out that had feeling existed between the two. Wallace was injured in the fight with Tomlinson.

London—Miss Bertha Denton, 18, fell into a deep pool in Rockcastle River where she was visiting her uncle, Hobart Denton, 18, her cousin, dived and found her unconscious at the bottom. He swam with her to shallow water and she was resuscitated.

Versailles—Residents of Versailles are wondering just what use to put their police force and city judiciary, too, as it was brought out in a meeting of the City Council that not an arrest had been made and not a trial held in the Police Court during the preceding month.

Tompkinsville—A large number of candidates for the Republican nominations for county offices have announced. County Judge J. M. Jackson and ex-county Judge A. C. Pinckney and Captain Harlan are opposing each other for the Republican nomination for county judge.

Versailles—The City of Versailles has let a contract for the erection of a concrete water reservoir to Clark Stewart Company and a contract for the installation of steel pumps in the new water works to the J. F. Shouse Company of Louisville. The reservoir is to cost \$3,301 and the pumps \$624.

Carrollton—The large dairy barn and silo on the farm of Louis and Oscar Harris, on the Carrollton and Ghent Pike, four miles above Carrollton, was destroyed by fire here. The Carrollton fire department was called out and succeeded in saving the corn crib and other adjacent buildings with a chemical extinguisher. The loss is placed at \$7,000.

Murray—Edward Williams, 6 years old, the child of L. W. Williams, died at the William Mason Memorial Hospital here from wounds inflicted by the discharge of a toy pistol with which he was playing at his father's home.

Burkesville—Mrs. Susan Barton of Merrowbone, this county, died after prolonged illness at the home of her granddaughter, Mrs. Jim Gray. She was 83 years old. She was one of the oldest white women in this county at the time of her death.

ASHLAND SCHOOLS MAY CLOSE DOORS

LACK OF REVENUE TO OPERATE CAUSE OF CONTEMPTED MOVE.

With No Relief in Sight 5,400 Children May Be Turned Out of School When Money Becomes Exhausted

Ashland, Ky.—The public schools of this place may close their doors and 5,400 students forced to discontinue their studies for an indefinite period if relief measures are not forthcoming by the close of the month of April, was the general import of a statement made by the president of the school board, John W. Woods, following the council meeting recently held. At that meeting the levy of one dollar proposed by the board for the maintenance of the Ashland public schools was rejected by the board of aldermen and the schools cut off without a cent of revenue for the coming year.

The schools are facing an ever-increasing deficit which is piling up at the rate of about \$5,000 a week, the secretary of the board A. J. Brown shows, and with the revenue from taxation cut off there will be no other alternative than to close the doors and discontinue studies until some relief is forthcoming.

The aldermen based their decision on the grounds that the levy of one dollar proposed by the board of education is illegal and that they, the aldermen, would be jointly guilty with the school board in certifying such a levy to the tax books. The school board's reply was that the schools here could not exist upon the seventy-five cent maximum allowed by law and that unless a dollar were appropriated the schools could not operate.

At the preceding meeting of the two bodies of council the budget containing the dollar levy was passed and forwarded to the mayor for his signature. Mayor Salisbury vetoed the measure and named as one of his reasons the excess levy of the school board. The mayor caused to be read the statute pertaining to the levy which states that the maximum sum shall be seventy-five cents. Faced with the probability of a grand debacle over their act the two bodies voted the levy this time eliminating the school item. This left the schools in a position of pending bankruptcy and with no revenue at all in sight.

At the plea of President John W. Woods the council voted to reconsider the matter after hearing of the drastic course in view for the schools and upon another vote the budget carried with the dollar levy. This vote was taken in the face of the fact that the statute carries a section which provides a fine of \$100 and a term in prison for any legislative body which appropriates money in excess of the statutory limit. Several of the councilmen expressed their willingness to serve their time and pay the fine rather than see the schools close.

After the paper had been carried on to the board of aldermen for final passage a rebuttal occurred when the members of this body declined to certify the dollar levy owing to the fact that the illegality of the act rendered it not feasible and liable to contest in the courts when the school board would be no better off than before. The matter was referred to the next meeting and, in the meantime, the school board will meet and consider its course of action.

UNITED STATES AID ASKED

By Highway Commission; Delegation File Petitions With Highway Commission at Frankfort.

Frankfort, Ky.—Good roads boosters from various counties sought Federal aid and endorsement of projects. The Highway Commission was used as an intermediary. Excepting counties that have local road funds available to match Federal aid, no progress was made toward new construction.

A feature of the meeting was the presence of legislative candidates and politicians with delegations in petitioning the Highway Commission. With no funds available for new construction until July 1, 1920, the Highway Commission now is an agent of the counties to petition for Federal aid. In some instances the commission promised to build parts of the projects later, if the county would match the Federal aid for construction on other parts of the roads this year.

Union County Plans Plague Fight. Morgantown, Ky.—The Fiscal Court of Union County appropriated funds to pay traveling expenses while in the county of a government veterinarian on tuberculosis testing for a period of two years. Work will probably be started in the county on July 1 if sufficient men are available for county work.

Attendance Large at Normal Schools. Frankfort, Ky.—With over 3,400 students enrolled in the four white normal schools, Kentucky, in the near future, will be supplied with more trained teachers than ever before in the history of the state. Reports made to Mollie Rhoads, superintendent of public instruction, by the presidents of the four normal schools, show that the Western Normal has an enrollment of 1,000; the Eastern Normal, 1,200; the Murray Normal, 700; and the Morehead Normal over 500.

New Radiator

Harrison Honeycomb Radiator with shell of highly polished, non-rusting airplane metal adding greatly to the appearance of the car.

New Clutch

Single plate dry disc type—easier, smoother, more positive, requires no lubrication. Clutch and fly-wheel fully enclosed.

New Axles

Rear axle re-designed, strengthened and enlarged; gear contact greatly increased; one-piece banjo type housing. Front axle strengthened.

New Springs

Semi-elliptic chrome vanadium steel springs—rear springs underslung—Aluminate lubrication.

New Frame

Longer and stronger. Five sturdy cross members. Deep channel steel construction.

New Bodies

Open bodies longer and roomier; modern full stream lines; beautiful, durable upholstery on deep cushion springs. Closed models have new and more beautiful bodies by Fisher.

New Finish

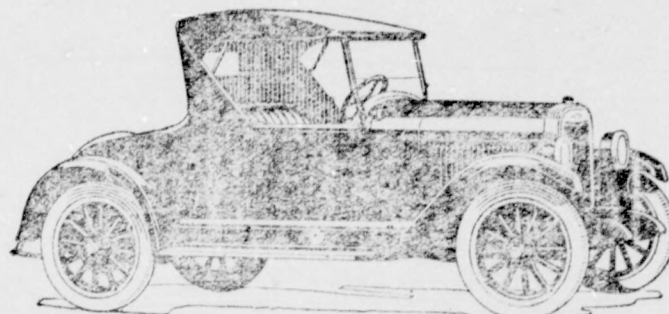

Lustrous, durable Duco. Open models and Coach in rich dark blue. Sedan, aquamarine blue and black. Coupe sage green and black.

New Motor Refinements

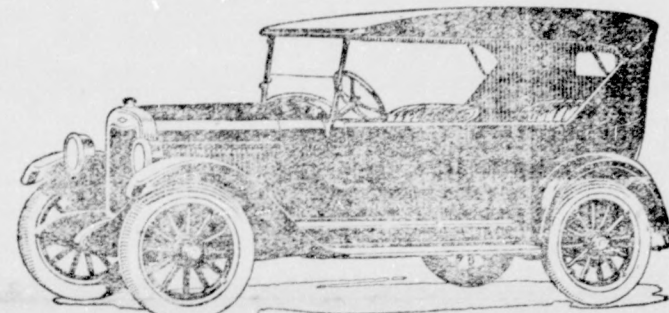

Improved construction for carburetor and manifold. Extra wide crankshaft bearings. Rocker arms and valves enclosed for better lubrication and protection from dust and dirt.

New Windshields

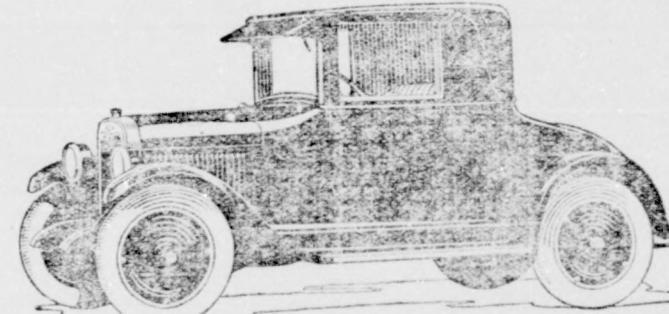

Closed models have new type VV one-piece windshield with automatic windshield wiper. Open models with new pattern windshield with very low bottom panel, rubber weather stripped.

OBION COUNTY TO VOTE ON ROAD BOND ISSUE APRIL 30

An election has been called
in Obion county, Tenn., April
30th to vote on an issue of \$1-
000,000.00 thirty year serial
bonds for the purpose of build-
ing 85 miles of hard roads.

Should this bond issue carry,
it will mean much to Fulton,
connecting us with roads radia-
ting in all directions south of
us. It behooves every citizen
of Fulton to use his best efforts
in working for the bond issue.
While we have no vote coming,
we can use our influence in lin-
ing up our friends. It would be
a calamity to lose the said
bond issue. We can hardly
conceive of a man voting
against it, but of course there
are some men mean enough to
vote against their wife buying
a new Easter hat. Every com-
munity has its knockers and
slackers in every good move-
ment and it requires double en-
ergy on the part of all loyal
citizens to combat with them.

Your garden and flowers
need food. All this is furnish-
ed a sack of our Homestead
fertilizer. Get a sack today.
CITY COAL CO.

BUYING STOCK IN FUL- TON'S HOSPITAL A SAFE INVESTMENT

The Hospital Committee of
the Chamber of Commerce are
exerting every effort this week
to see every man in Fulton who
has a drop of red blood run-
ning through his veins to sub-
scribe for stock in Fulton's
hospital. Not one cent are
these men getting for doing
this work. For the good of
Fulton and to show their loy-
alty they are neglecting their
business and private affairs.
They are not out asking for
charity. It is just as much
your hospital as it is theirs and
it is not a charitable institution
at all, but like all well regulat-
ed hospitals, some charity
work will be done.

When you buy stock in Ful-
ton's hospital you are making
a safe investment. You are
helping yourself by improving
the town. You are showing
your loyalty as a citizen and
your faith in its future. You
are joining other public spir-
ited citizens in establishing an
institution which may be the
means of saving your own life
or that of a loved one.

The leading business men of
Fulton are in charge of the
campaign of selling \$30,000
worth of stock. They are men
who have made a success of
their own affairs and will make
a success of Fulton's hospital.
Every cent subscribed will be
wisely spent, and you, Mr. Cit-
izen, will be glad to be num-
bered among the stockholders.
Don't let the opportunity slip to
make a good investment. And
"for the love of Mike," don't
be placed in slacker list.

MEXICANS IN TOWN

Fulton residents were treat-
ed to an opportunity last week
to try out their knowledge of
the Spanish language, as there
were three Mexican men and
one woman and baby here.

The men were on their way
north looking for work, and
as they spoke little English,
were rather handicapped in
their efforts.

Numerous students made at-
tempts to talk to them with
more or less success, and the
fact that they had had an op-
portunity to converse with a
real live Mexican undoubtedly
stimulated their interest in
study of the language of Cer-
vantes, and will have an en-
couraging effect in mastering
the language of our southern
neighbors.

MARY SUE THEDFORD PASSES AWAY

Mr. and Mrs. W. M. Thed-
ford have the sympathy of the
entire community in the loss of
their sweet little daughter,
Mary Sue, who fell asleep in
the arms of Jesus Sunday morn-
ing at 7 o'clock at their home in
Riceville.

The funeral and burial took
place Monday in Bradford,
Tenn., conducted by the Rev.
Crocker.

contracting with the William J.
Burns International Detective
Agency, Inc., for protection
against perpetrators of these
crimes. A number of mer-
chants have had these con-
tracts for the past year, but ow-
ing to the fact that most of the
cold checks and forgeries were
committed by people living in
the vicinity of Fulton, these
crimes were not reported to the
Burns Agency as it was thought
the guilty parties would make
their irregularities good.

As a fair warning to the
criminally inclined, the mer-
chants taking contracts are dis-
playing the Burns Warning
Signs on their premises. Here-
after, every cold check and
forgery will be turned over to
the Burns Agency whose op-
eratives will locate and arrest
the guilty parties, and they will
be prosecuted to the full extent
of the law as the Burns Agency
will not make arrests unless
the merchants agree to prose-
cute.

LET A BOY SCOUT DO IT FOR YOU

The Boy Scouts have estab-
lished a Handy-Andy head-
quarters at the Chamber of
Commerce and may be found
there every afternoon after
school, four to six, and ready
to perform such jobs as lawn
mowing, screen pointing, run-
ning errands, etc.

The desire of the boys is to
earn money with which to en-
able them to attend the Boy
Scout summer camp, and their
well-known reliability and en-
ergy will recommend them to
the citizens of Fulton who want
small jobs done and done prop-
erly.

A telephone call to the
Chamber of Commerce will
find one of the boys on the job
every afternoon from four to
six and we are sure that prompt
attention will be given any S.
O. S. sent out by Fultonians.

SPLENDID MEETING

Mr. Editor: It has been my
privilege to attend and do per-
sonal work in the Howard S.
Williams meeting at Bardwell,
Ky., this being a part of my
territory as missionary of West
Kentucky association.

The meeting resulted in
about 150 conversions and cre-
ating a happy community spir-
it. The entire town and coun-
try about was benefited, social-
ly, morally and spiritually.

The work Williams is doing
deserves support and encour-
agement by the entire country.
He is a Godly, sincere man.

EARL GOOCH,
Fulton, Ky.

EARLY MONDAY MORNING FIRE

The first real fire in the busi-
ness district of the city for
many months badly damaged
the grocery and meat stock of
Paul DeMyer & Co., establish-
ment on Fourth street early
Monday morning about 1:30
o'clock. Had it not been for
the heroic work of Fulton's Fire
Department the entire block
would probably be a smolder-
ing pile of ashes today. The
flames were confined to the
interior of the building and did
not get a chance to spread to
the adjoining property. Ful-
ton certainly has a 100 per cent
fire department and we are
proud of Lee Roberts and his
assistants.

ASHLAND TO GET \$500,000 ARCADE

JOHN C. MAYO, JR., ANNOUNCES
PLANS FOR NEW BUILD-
ING THERE

Work To Start In May On One Of
The Largest Commercial Building
Projects Yet Undertaken In Ash-
land.

Ashland, Ky.—John C. Mayo, Jr.,
son of the late John C. Mayo, noted
financier, announced the construction
of a \$500,000 arcade and store-
house structure which will be one of the
largest commercial building projects
yet undertaken in Ashland.

Associated with Mr. Mayo in the
new project are his mother, Mrs.
Alice Mayo Fetter, and his business
partner, Alexander Cameron, and W.
H. Dawkins.

The first steps of the undertaking
were accomplished when contracts
were closed giving the builders a
fifty-foot strip running 300 feet thru
the square and fronting on both Win-
chester and Carter Avenues.

Through the center of this plot will
be built a sixteen-foot arcade connect-
ing Winchester and Carter Avenues
and fronting on the arcade will be a
double tier of shops on either side
totaling fifty-four in all.

The stores on the second floor will
be reached by convenient stairways
and elevators which will give access
to the mezzanine promenade fronting
the second tier of shops on both sides
of the arcade. These elevated walks
will be joined at intervals by bridges
over which shoppers may pass from
one side of the arcade to the other
without descending to the street level.

Albert P. Kiehn, Ashland architect,
has worked out the plans.
The fifty-four store-rooms, two
large ones will face on Winchester
and two on Carter Avenue. The others
will be designed with a fifteen-
foot frontage each, but so arranged
that two or more units may be ef-
fectively used together if desired.

Each shop will have a basement
room, besides which there will be over
5,000 square feet of basement space
for other purposes.

The residence on the Carter Ave-
nue lot has been sold and will be re-
moved immediately. Actual construc-
tion will probably begin about the
middle of May.

Mr. Mayo said that a careful sur-
vey of the city had convinced him
and his associates that there was a
real demand for additional merchan-
dise stands in Ashland and eld the
fact that the Chamber of Commerce
has had applications for such accom-
modations on its files for years from
out-of-town firms which desire to lo-
cate or to open branches in this city.

GIRLS WANTED

We can place from 10 to 15
girls, 18 to 30 years of age, in

In Case of Emergency

When you want a thing in a hurry,
you rush to a local store and get it.
But do you realize that the exist-
ence of our stores depends upon
continued business.

If every person in this community were
to use the stores only for emergencies
there would soon be no more places
to satisfy those urgent needs.

**The
Best
Buying
Policy**

You should do your part towards keep-
ing local business alive and in a con-
stant state of betterment by doing all
your trading at
home. It will be pro-
fitable to you as well
as to the entire com-
munity.

First Christian Church

O. J. Sowell, Pastor.

The Sunday school was well attended last Lord's day, in the absence of the Supt. Mr. Dobbins took charge of the opening and closing exercises.

The church service was well attended Sunday morning and Bro. Sowell preached a great sermon on "My Father's Business."

The topic of the evening sermon was "The Greatest in Heaven." There was a sharp contrast between the standard of classes here on earth and in Heaven. "When the Apostles asked Christ as to who would be the greatest in the Kingdom of Heaven," He said, "except ye become as a little child, ye shall in no wise inherit the Kingdom of Heaven." Everybody will be on the same level in Heaven; just children of the Father saved by grace.

The L. T. L. met at the church Sunday afternoon at 2:30 o'clock. A good many were present and good work afternoon was enjoyed.

The Sara Dean Bible Class met with Mrs. Herman Gwynes Monday afternoon at three o'clock. A fine lesson was enjoyed and many things discussed for the betterment of the Sunday school work, after which refreshments were served and enjoyed by all present.

The Ladies' Aid Society met with Mrs. L. C. Browder Monday afternoon at 2:30. A fine program was given and a good attendance was enjoyed.

The W. C. T. U. met with Mrs. Lon Berninger on Jefferson street Wednesday afternoon. There was a fine attendance and much rejoicing over the fine work that is being done by the organization.

Mrs. S. A. Hertzler has returned to her home in Ralston, Okla., after spending several weeks with her daughter, Mrs. O. J. Sowell.

Mr. and Mrs. R. C. Pickering spent Sunday in Jackson, Tenn. with Mrs. Pickering's aunt, who was quite ill.

Mr. and Mrs. D. C. Ligon spent the week end in Memphis with Mr. Ligon's sister.

Mr. W. H. Falwell spent the

week end out of town on business.

Mrs. Paul Pickering is up after being ill for some few days at her home on Eddings street.

Mrs. Stewart Brown is much better after being ill for some few days at her home on Third street.

Miss Sunshine McCraw has been visiting her sister, Opal, in Memphis.

Next Sunday morning will be boys' day at the church. The boys will be in charge of the Sunday school and church service.

Sunday school, 9:45.

Lord's Supper and preaching 11:00; Sermon topic, "The Four Seasons of Life."

Junior Endeavor, 7:00.

Church service, 8:00. Sermon topic, "The 100 Per Cent Christian American."

Prayer meeting Wednesday night 7:30.

You are invited to attend all the services. Visitors are always welcome.

FELL ASLEEP IN THE ARMS OF JESUS

Died at the home of his parents, Mr. and Mrs. Glenn Robertson, their son, Glenn Neil, aged two years.

A brief funeral service was held at the home Friday afternoon, conducted by the Rev. C. H. Warren, interment following at Fairview cemetery.

Thus, over a happy home, the shadow of a little grave has fallen; and as another has said, it is wonderful how long a shadow a little grave can throw.

This beautiful baby life was so precious, so fraught with blessing to his parents that he seemed a flower of paradise, permitted to bloom for a brief season by their side, then recalled to its native skies, leaving the earth road for them dark and lonely indeed.

The sympathy of the entire community goes out to the bereaved.

Bundle kindling is clean and easily handled. Makes a fire quickly. Call us for your needs. CITY COAL CO.

What is the Chamber of Commerce?

The Chamber of Commerce is the voice of the city. It reflects the ideals of the community.

It expresses the aspirations of the people.

It gives direction to the aims of the Citizenship.

It combines the efforts of those who think in terms of helpfulness.

It reduces unorganized elements to an organized unit.

It speaks in defense of the good name of the city.

It defends the city against the trader.

It is the spotlight that reveals activities that are worthy.

It leads in behalf of the voiceless.

It is the center of worth while enterprise.

It is the magnet that draws the outside world to your midst.

It is the clearing house of civic pride.

It is the power house of progress.

It is a composite picture of a city in its citizenship would have.

STANDING COMMITTEES OF THE CHAMBER OF COMMERCE

The following are the standing committees of the Chamber of Commerce:

Agriculture—Leslie Nugent, chairman; Enoch Browder, J. C. Brann, W. W. Morris, Jr., John W. Thompson, J. H. Duncan, R. L. Jonakin, Ed Gates, L. F. Burke, E. A. Thompson, Norman Terry.

Entertainment—H. H. Murphy, chairman; Paul Hornbeak, Dr. J. C. Seruggs, R. T. Taylor, T. D. Clark, C. A. Karmire, Frank Carr.

Freight Rates—H. R. Butt, chairman; T. T. Boaz, H. F. McGinnis, J. E. Boaz, T. J. Kramer, Ramsey Snow, W. H. Seates.

Publicity—Thos. H. Chapman, chairman; Hoyt Moore, Herbert Carr, C. R. Pickering, Hardy Boaz, Jas. W. Gordon, J. W. Hillman, R. S. Williams.

Roads—Joe Browder, chairman; J. D. Lewis, Lon Pickle, J. H. Stubblefield, Leslie Weeks.

Hospital—Rev. C. H. Warren, chairman; D. F. Lowe, secretary; Dr. Selden Cohn, W. R. Butt, G. G. Bard, L. A. Winstead, P. C. Ford.

Finance—N. G. Cooke, chairman; I. W. Dobbins, Warren Graham, Bertis J. Pigue, Philip C. Warren.

COOLIDGE UPHOLDS IMMIGRATION LAWS

SAYS DRASTIC RESTRICTION HAS BEEN OF BENEFIT.

LIKELY TO BE PERMANENT

Two Million Immigrants Would Have Come to U. S. Annually, President Declares in Speech to Convention of D. A. R.'s.

Washington.—Restriction of immigration, a revolutionary policy in American government, has been of benefit, not only to this country and the nations of Europe, but also to the immigrants themselves, President Coolidge told the assembled Daughters of the American Revolution, in the huge Washington Auditorium.

The president lauded the work of the patriotic organization, especially its accomplishments in educational and Americanization fields and at Ellis Island during the 35 years of its existence. He praised the efforts of the D. A. R. in raising the civil ideal, but pointed out that until the citizenry attains an almost perfect self-government, "from within" the continued intrusion of the federal government into business and private life will be a necessity during the transitional period.

"In the last few years," he said, "we have entered on a new policy toward immigration. It is still rather experimental, but with every appearance of being likely to secure permanent acceptance. Restriction of immigration is nothing less than a revolutionary change from the older days when we boasted that this country offered refuge and opportunity to all who desired them. The policy of restriction seemed necessary in view of the certainty that unprecedented numbers would flow to us from Europe following the war; more than we could be sure of assimilating, more than the European countries could well spare. Had there been no limitation the number of newcomers among us in the last four years would probably have been several million greater. If we had been called upon to receive and place such a number, it may well be doubted whether they would have found their condition here much better than it was in Europe. Certainly, our problem of helping adjust them to the new conditions and the hard competition of such a situation would have been far more difficult."

President Coolidge declared it would be manifestly impossible to know how many would have come to our shores during the last four years had no limitation been placed.

FORTY NATIONS TO TAKE PART IN ARMS PARLEY

Ireland and Argentina Latest to Accept Invitations.

Geneva.—Ireland and Argentina accepted invitations as members of the arms traffic conference, bringing the total number of nations in the conference to 40.

Argentina's entry breaks the Latin American bloc of 13 nations and the league expects at least 10 more South and Central American countries to follow; especially in as much as the United States has indicated its intention to do business by naming a committee delegation.

Ireland's announcement breaks the British dominions, but Canada, New Zealand, South Africa, Australia and Egypt have not yet accepted.

Negro Confesses Killing Man

Nashville, Tenn.—John Henry Wallace, young Marshall County negro landed in jail here by Sheriff J. G. Cromer after a race through four counties with a mob, according to officers, made a confession of participation in the murder of Everett Hedgcock, while attempting to rob the latter's home near Cornersville, Marshall County. Wallace is said to have been in trouble and needed money, which his mother failed to send him. Wallace is quoted as saying that another negro knew that Hedgcock had considerable money and that they had planned to rob the home. The story continues that they had been in the house several minutes before Hedgcock awoke and that Wallace shot at him when discovered; that when Hedgcock followed the negroes out of the house the other negro seized the shotgun from Wallace and fired the shots that killed the young farmer. Mrs. Hedgcock, who was painfully wounded in the shooting, according to Lewisburg reports, will recover.

Washington.—The treasury has notified the new executive committee of the Stone Mountain Memorial Association that it will be recognized in delivering the Stone Mountain half dollars, provided a certified copy of the by-laws are forwarded here.

Inquiry was made by S. H. Venable of Atlanta. Half of the coins have already been delivered to the association and the remainder are awaiting delivery when the money to pay for them is forwarded.

LAND MARINES ON HONDURAN SHORES

WILL PROTECT FOREIGNERS DURING PERIODICAL REVOLT.

REBELS NEARING CEIBA

Gen. Ferrera, Defeated Candidate for Presidency, Reported Heading Revolution to Overthrow Tegucigalpa Government.

Washington.—A detachment of 165 officers and men from the United States cruiser Denver was landed at Ceiba, Honduras, to protect lives and property.

The landing was made by order of Capt. W. N. Jeffers, commanding the Denver, at the request of George P. Walker, American consul at Ceiba, and local authorities of the port, who joined with the consul in asking protection of the navy forces.

The revolutionary movement in Honduras, reported to be headed again by Gen. Gregorio Ferrera, defeated candidate for the presidency of that country and leader of several revolutionary juntas in the past, already has been marked by fighting in the vicinity of Ceiba and disorders along the Salvadorean border.

Local disorders in Ceiba also have been reported, but advices received from American agents in Honduras have failed to mention the capture of Ocotepec, and the advance of rebels toward Comayagua, near Tegucigalpa, capital of Honduras, as reported by Nicaraguan sources.

Intelligence reports received by the Washington government within the last 24 hours, however, that Gen. Ferrera was believed to be in Guatemala. In the event these reports prove correct, officials here who are familiar with Gen. Ferrera's tactics said they believed he was in Guatemala, waiting assurance that the revolution had been successfully started and expanded to proportions where his personal command was required. When that moment arrives, if it does, officials said the general unquestionably would re-enter Honduras and move energetically to overthrow the Tegucigalpa government.

Meanwhile, however, government forces will be mobilized presumably in an attempt to crush the revolutionists before their movement has had time to spread throughout the country.

The situation in which the Tegucigalpa authorities find themselves at present is said to verge on the critical. They have been in office less than three months and despite progress made in stabilizing government and restoring peace, broken for the past several years by domestic violence and civil war, it is felt here that the new government still is unprepared for another armed struggle with revolutionists.

AIR MAIL MAKES FIRST GULF TO LAKES FLIGHT

Carries \$3,000,000 Cargo From New Orleans to Chicago.

Chicago.—The first air mail flight from the Gulf of Mexico to the Great Lakes was successfully completed here when the 400 horsepower de Havilland plane which started from New Orleans at 5:39 o'clock in the morning landed with registered mail valued at more than \$3,000,000.

Postoffice authorities and air mail officials who observed each stage of the flight said it was a complete success, and that if such a service were made permanent it would mean a saving of from one to two days in bank clearings to the west.

The mail matter brought in the plane reached here in time to make connections with the regular transcontinental air mail service westward and mail matter which left New Orleans was being rushed toward the Pacific Coast. The mail matter eastbound reached here in time to make connections with fast express trains leaving Chicago for the east.

Indian's Income \$1,000 a Day

Cromwell, Okla.—Willie Alexander, 210-pound Creek Indian of Bixby, will give some other Redskins of the Five Civilized Tribes a close race before the end of the year in a contest for the title of "richest Indian." Willie's income from his 30-acre allotment in the Cromwell field is now \$1,000 a day. The Mid-Continent Production Corporation has completed four wells on the tract that are producing 4,000 barrels a day. Of this the Indian receives an eighth. Sixteen wells may be drilled before the oil is exhausted. Willie is classed as an incompetent, and has a guardian who attends to his business matters.

Sheik Said to Hang

Constantinople.—Sheik Said, leader of the Kurdish rebels, who was captured at Gerdji on Wednesday, was sentenced to be hanged.

Chicago.—A bullet in her right wrist, Mrs. Mary Tomanello fought desperately to save her husband when five blackhanders attacked him near their home.

The woman's frantic effort was in vain. Tomanello died with three bullets in his head and three in his body.

The Folly in Buying Blindfolded.

How many men and women in this community do their shopping blindfolded? Funny when
you think of it that thinking men and women will play "Blind Man's Buff" with their money.
You don't have to shop blindfolded unless you want to. The Out-of-Town Houses started the
Big Game of "Blind Man's Buff." But, it's a dangerous game for us to play in our town. It
isn't a fair game. It isn't fair to ourselves. It isn't fair to our community. It isn't fair to
our home merchant. He is helping us, co-operating with us, working with us to upbuild and
improve all our home institutions. Then, let us play fair with ourselves and with him. Let us
give the home merchant the first chance. That is all he asks.

Sunday School 'Lesson'

(By REV. D. H. FITZWATER, D.D., Dean
of the Evening School, Moody Bible
Institute of Chicago, Western Newspaper Union.)

Lesson for April 26

STEPHEN, THE FIRST MARTYR

LESSON TEXT—Acts 6:1-7; 9.
GOLDEN TEXT—"Be thou faithful
unto death, and I will give thee a
crown of life."—Rev. 2:10.

PRIMARY TOPIC—The Story of a
Brave Man.

JUNIOR TOPIC—Stephen, the First
Martyr.

INTERMEDIATE AND SENIOR TOPIC—Stephen a Christian Hero.

YOUNG PEOPLE AND ADULT TOPIC—Character and Message of Stephen.

I. Stephen the Deacon (6:1-8).

The early church was threatened with disruption over suspected partiality in the distribution of alms. Thus we see that as soon as the church had relief from external troubles, difficulties arose from within. A congregational meeting was called, and the case was placed before the church, which was instructed to select seven Spirit-filled men of good reputation to administer the temporalities of the church, thus giving the apostles the necessary time for prayer and the ministry of God's word.

II. Stephen Before the Council (6:9-15).

The success of this movement soon came to be noted by the enemies of Christ.

1. Disputing With Stephen (vv. 9-10).

Certain foreign-speaking Jews took the lead in this controversy. Perhaps the fact that Stephen was a Greek Jew provoked them to act. He was more than a match for them while the debate was carried along the lines of reason and Scripture. Beaten along these lines they had him arrested and brought before the council.

2. Charged With Blasphemy (vv. 11-14).

They trumped up this charge and endeavored to support it by secretly finding and inducing men to perjure themselves in their testimony. Stephen showed in his preaching that God's purpose is progressive, and that the policy instituted by Moses should be superseded by the new faith since it was the culmination of what Moses began. He showed that the old dispensation would be superseded by the new, and that the church would come into the liberty of Christ. Christianity did not destroy Judaism but caused it to blossom forth into the glory of the new order.

3. Stephen's Face Transfigured (v. 15).

He was so completely filled with Christ that as he saw the angry mob and realized how soon he would be violently dealt with and pass into the presence of the Lord, his face shone as the face of an angel. It was the glory of Christ shining through him.

III. Stephen's Defense (7:1-53).

In refuting their charge he showed by the history of God's dealing with the Jews that they had always resisted Him. Therefore their attitude was because of their unwillingness to move forward with the divine purpose. As indicated by Dr. Stiller, four points stand out in his defense:

1. God's dealing with the Jews showed progress. The end was not reached by a single leap, but by gradual stages.

2. The temple was not the only holy place. God appeared at different places and at different times.

3. Israel invariably opposed God as He tried to lead them on.

4. He showed his loyalty to Moses by constantly referring to him.

IV. Stephen Stoned (7:54-60).

His words were too much for them so they gnashed upon him with their teeth.

1. He Looked Steadfastly Into Heaven (v. 55).

Instead of looking about upon his murderers in their raging fury, he looked up to heaven. This was the secret of his calm. If he had looked about him, he might have been afraid.

2. He Saw the Glory of God (v. 55).

A vision of God's glory can only be seen by those who are loyal to Him, even unto death.

3. He Saw Jesus Standing on the Right Hand of God (vv. 55-56).

The fact that Jesus was standing shows that He was actually interested in the suffering of His faithful witness.

4. They Cast Him Out of the City and Stoned Him (vv. 58-59).

5. His Prayer (v. 60).

He knelt down, and cried with a loud voice, "Lord, lay not this sin to their charge." How like the prayer of Jesus on the cross! Christ so completely filled him that he could thus act.

6. He Fell Asleep (v. 60).

The Christian's death is only a sleep. This sublime scene must have vitally affected Saul, who was consenting up to his death.

Worth Remembering

Over and over again we need to comfort and strengthen ourselves with the remembrance that there is a very wonderful, enduring quality to the things that are good and clean and sound and honest.

Prayer for the Day

Let each new day bring to our lips the prayer: "Make me sane, and sweet, and strong for all the day holds of care and contradiction, of toil and trouble."

Hats CLEANED AND REBLOCKED

AT THE O. K. STEAM LAUNDRY.

You need not send your hats out of town any more, for we can do the work here. Call 130 and we will call for your work.

LET US SERVE YOU

When you call No. 130 you get in touch with the liveliest organization in the city of Fulton. We clean anything, and when we clean an article, we mean to say that we take the dirt out. General laundry work, French Dry Cleaning and Pressing, Rug and Carpet Cleaning—in fact, cleaners for the entire community.

Dry Cleaning Department

In addition to laundry work, we dry clean all sorts of clothing. We clean handkerchiefs, gloves, hosiery, fine waists and blouses, furs, rugs, carpets, coats, suit overcoats, fine dresses and coat suits. There is no longer any need of discarding articles because they are soiled. Call 130 and let us show you what we can do to restore the new look which you want.

This service means a saving in money to you. Many an old suit or overcoat, which you think is useless, can be restored to active service by our process. We employ the latest machinery and the most expert workmen, and the results will surprise you. Call us today, and let us prove our statements.

Laundry Work and Family Wash

Let us do your laundry work and family wash. Simply call 130 and we will do the rest.

O. K. Laundry

Methodist Church

Rev. J. V. Freeman, Pastor

Sunday school, 9:30 a. m.
Epworth Leagues, 6:45 p. m.
All young people are cordially invited.

Prayer meeting every Wednesday at 7:30 p. m.

Preaching each Sunday at 11 a. m. and 7:30 p. m. by the pastor. Everybody welcome.

Both services of last Sunday were exceedingly well attended, and Bro. Freeman preached two splendid and most helpful sermons. Special music at both services.

Next week is boys' week, and the boys will have charge of all the services Sunday with exception of the sermons, which will be preached to boys 5 years old to 90 years, by Bro. Freeman. The boys will teach practically all the classes in the Sunday school.

The Busy Men's Bible Class and the Men's Bible Class of Dyersburg, are in a contest to close in eight Sundays, the losers to treat the winners to a fish fry on the Lake. Every man in Fulton is urged to attend Sunday school this Sunday and then help eat fish. Since the Class room is small and a large attendance is expected, this class only, will meet at the City Hall for the Sunday school session. Men, come and bring a friend.

The District Conference of this district is in session this week in Hickman, a goodly number of the membership are attending. The regular delegates are: Mrs. Redfern, Mrs. J. V. Freeman, Messrs. Boyd Bennett, R. E. Pierce, Chas. Fields, Chas. Pain, Joe Davis, W. R. Butt, A. G. Baldrige, J. J. Owen. The Alternates: Messrs. Sam Bennett, W. O. Shankle, Eli Bynum.

The Warner Blackard's will meet with Mrs. G. H. Dickey and Mrs. C. A. Wright, Monday at 3 p. m.

The Methodist Missionary Girls will meet Tuesday with Elizabeth Butt, at her home on Pearl street at 4 o'clock.

The Lambert Circle met with Mrs. M. V. Harris on Fourth street, Monday.

The meeting was called to order by chairman, Mrs. Thomas. Minutes read. Mrs. Wolfgrain had charge of devotions. The special topic for the afternoon was, "Stewardship of Life." Interesting clippings were read by Mesdames Nolen, Beadles, Looney and Harris. A letter was read from the Conference President. The president, Mrs. Butt, presented items of general interest.

The finance committee inaugurated the mile of pennies plan and the envelopes were passed.

The Circle welcomed Mrs. G. T. Vaughn as a new member. The meeting adjourned to meet next time with Mrs. W. R. Butt. During the social hour, delicious refreshments were served.

Few people realize, now that European immigration is restricted, how rapidly the migrant Mexican is finding his way northward and eastward, chiefly along railway lines and into mining areas. The census of 1920 shows that more than 10,000 had moved north. It is a very conservative statement to say that this number has doubled since 1920. Since census figures are very low, it is probable that there are now 40,000 or 50,000 Mexicans scattered from Iowa to New York.

The Junior Missionary Society met Thursday afternoon with Jane Seates, a good program was given by the children assisted by their capable Supt. Mrs. Hardin.

The Senior Epworth League met at its usual hour last Sunday evening. Officers for the coming year were elected as follows: Wade Jayner, president; Mayme Bonnette, vice-president; Marie Duncan, secretary and treasurer, and Robert Duncan, era agent.

Bundle kindling is clean and easily handled. Makes a fire quickly. Call us for your needs. CITY COAL CO.

C. H. Warren, Pastor

Sunday school, 9:30 a. m.

Services, 11:00 a. m., 7:45 p. m.

Prayer Meeting Wednesday Evening, 7:30 p. m.

B. Y. P. U. 6:15 p. m.

Intermediate B. Y. P. U. 5:45 p. m.

The Brotherhood will meet Friday evening at the church, 7:30.

Special music every Sunday.

We cordially invite the public to attend these services.

Railroad News

(Continued from page 1)

liever, that the railroads should remain as at present. The Government loses money on most any industry they endeavor to operate, and of course this deficit has to be made up out of the taxpayers' pockets, and we certainly do not need to add to the already over-burdened taxpayer, and at the same time decreasing the efficiency of the service now rendered by the railroads of the country.

Gross Earnings of Railroads Decrease

The gross earnings of the railroads in February this year compared with the same period last year, decreased \$24,457,300. Net operating income decreased \$6,695,360 under February last year, of this amount \$5,514,000 was maintenance of equipment expenditure, while the expenditure on maintenance of way increased \$504,000.

Car Loadings and Business

There has been recently much talk of a "slump" in general business. There have been sharp declines in prices on the grain and stock markets, but car loadings are a good index of general business activity, and they do not show the effects of any general decline of production or commerce. In January the number of freight cars carried one mile was almost 10 per cent greater than in the same month of last year. In February the business handled was less than last year, partly because the month was one day shorter. In March, loadings were larger in every week than in March last year. In the first thirteen weeks of the year coal shipments were 119,606 carloads less than last year, but shipments of other commodities were 36,638 carloads larger.

Since there are now probably 25 million tons less coal in storage than there were a year ago, it does not seem probable that coal shipments will long continue to be as small as they are now. Shipments of merchandise and less than carload freight thus far this year have been larger than ever before, and in the week ending March 28 amounted to 262,757 carloads, which was a new high record. In the same week shipments of forest products were the largest ever reported except in two weeks. It is impossible to find in such facts any evidence that there has been a decline of production and commerce in general.

HERRICK

THE ARISTOCRAT OF REFRIGERATORS

**Your Biggest Wishes
Answered!**

**You Get Extra Service if You Own a
Herrick Refrigerator**

There are two reasons for this double economy. The first is the HERRICK design, which insures a constant, self-purifying circulation of cold dry air throughout the interior of the refrigerator. The second reason is the construction of the HERRICK. From the kiln dried solid oak used for the frames to the lever fastener placed on the doors, everything that goes into a HERRICK helps to keep cold air in and warm air out, and strengthens its resistance to heat, dampness and deterioration.

Your old ice box will be taken as part payment on a
