## REAL ROMANCE

**Mr. D. Lennis Edwards and Bride Arrive in Murray on Visit to His Parents.**

That Mr. D. Lennis Edwards and his young bride participated in a real romance, with millions in money and irate parents threatening and beckoning, is shown in the following account of their very recent marriage.

Mr. Edwards and his handsome young bride arrived in Murray last Thursday evening on the 7 o'clock train and are now at the home of his parents, Sheriff J. A. Edwards and wife, where they will visit for some time. Since their arrival here they have been the recipients of happy congratulations from scores of friends. The bride, who was true and loyal to her lover, has been the center of attraction since the romance of her marriage became known. All the world loves a lover, has been demonstrated in this case.

Lennis Edwards, the oldest son of Sheriff J. A. Edwards and wife, is a native of this county. He left Murray when only 18 years of age, believing that the great empire west of the mighty father of waters held out a greater future than his native state. Soon after he left he became associated with the Postal Telegraph and Cable Co., and has since been with this company, serving in different capacities, but always with the same degree of energy and integrity that marked his career as a young man while a citizen of his home town. He is true as steel, and when he left the home of his nativity was held in the highest esteem by everyone who knew him.

That his beautiful young bride is loyal and true and deserving of the admiration of everyone who loves a real lover, we leave to the decision of our readers after reading the following account of her marriage. The Muskogee Phoenix says:

To be wedded on a fast rushing passenger train whirled along at a speed of fifty miles an hour—that's a novel experience in itself, but when the couple are also eluding irate parents, when the maid is being married to the man she loves after turning down the son of a millionaire coal king—that's romance, real romance of the true love variety.

Such an adventure befell a certain McAlester lass only the other day who, preferring love in a cottage to life in a brown-stone front, refused her rich suitor and ran off with a humble telegraph operator.

It happened Wednesday a little out of Crowder City, when Rev. Frank Brain, bracing himself firmly against the lurching and swaying of a northbound Katy train, pronounced the words that made Dee L. Edwards, former manager of the Postal Telegraph company at South McAlester, and Miss Esther Doyle of the same city man and wife.

This was the second attempt of the couple to marry.

Once before the handsome and dashing young operator had sought to wed the girl, but his plans had been frustrated. According to his story, relatives of the girl learned of the plans and one of the opposers of the wedding, armed with a 45 Colt's, secured possession of the bride-to-be, took her back home and drove the young lover away.

Edwards' resignation as Postal manager resulted from this episode. But there was no faint heart about him, and he bided his time to win the fair lady.

Tuesday morning the opportunity presented itself.

By some means of communication that only lovers know, the couple laid their plans.

Monday night Edwards came to Muskogee and, with a friend, called up Deputy United States Clerk, Carroll S. Bucher on the phone. Bucher went to the court house and issued the license. Edwards was careful to ask whether the license was legal in the Central district. He wanted to get the license in Muskogee, he said, because as soon as the girl was missing from her home her relatives might call up the McAlester clerk and prevent the issuing of a license and Cupid would thereby be given another cold douche. And the trouble, he said, was all because the young lady's relatives wanted her to marry young Mr. Busby, the son of the millionaire coal magnate of South McAlester, who was just back from college. And this was contrary to the girl's wishes.

The plans worked out to perfection. Next day Miss Doyle slipped out of McAlester on the afternoon Katy train. Edwards left Muskogee on the flyer. The two met in Crowder City. Rev. Frank Brain was secured to tie the knot and the ceremony took place soon after the train left Crowder City.

After a brief wedding trip the pair expect to return to McAlester and ask for parental forgiveness.

The affair has been kept quiet as long as possible, but the story leaked out yesterday and all who heard it are giving the newly married couple their best wishes. Miss Doyle, who is the daughter of Edmund H. Doyle, is a prominent young society woman and is well known in Muskogee, Dallas and San Antonio.

## PREPARATIONS MADE.

**Features of Entertainment And Special Attractions For The Glorious Fourth.—Below Is Printed Program In Full.**

The Murray Camp of W. O. W. boys are as busy as beavers.

Every camp in the county is lending splendid assistance. Everything is about ready for the biggest basket picnic and free barbecue ever held in Western Kentucky. Folks are coming to Murray July 4th to "have a time."

It is the desire that every man, woman and child come. If you do not feel like bringing a basket come just the same. You will be given the finest barbecue dinner you ever ate, and it will be as free as the wind. Makes no difference, either, whether you are a W. O. W. or not, you are urged to come and be a guest.

Do not think for a moment that anything will occur to mar the pleasure of the day. The picnic grounds and city will be in the hands of scores of deputy sheriffs and police and perfect order will be maintained at any cost. Folks are going to have a good, old-fashioned dinner-on-the-grounds, hand-shaking love-feast.

Every business house in Murray will be closed from 11 o'clock a. m. until 3 o'clock p. m.

Mr. Jno. Melton, of the east side of the county, has been engaged to barbecue the meats. He has a reputation for this class of work that is well known, and the fact that this important part of the work is in his care is sufficient guarantee that the best barbecued meat ever served in this county will be had.

The big picnic will be held just north-west of the city limits in a beautiful grove.

The tobacco association folks are going to assist in the big day. See what the chairman says:

"The Committee of the Dark Tobacco Growers Association of Calloway county met the various committees having in charge of arrangements for the big picnic and barbecue which will be at Murray on July 4th 1907 and we take pleasure in stating that every tobacco grower of Calloway county is urged to be present and bring a basket of good things to eat, and listen to good music, tobacco speeches, and all kinds of speeches upon subjects interesting to us all."

J. B. SWANN Co. Ch'm."

The display of fire works will be the grandest pyrotechnical display ever witnessed in the county and it alone will be worth coming miles to see. This item alone will cost \$150.

The Creal Springs band is the finest band of music in Southern Illinois. This band will be here the evening of the third and furnish the music for the day.

Every W. O. W. is urged to come prepared to participate in the grand mounted parade. Bring your saddles along, it is expected that over six hundred men will be in this parade. The line will form on the levee just east of the railway at 9 o'clock prompt. Get here early Woodmen, as this will be a special feature.

An order was sent from Murray Tuesday for over 50,000 flags and 10,000 yards of bunting. The town will be wrapped in "Old Glory" for the grand time. The picnic grounds will also be beautifully and elaborately decorated. There will be flags for

everybody. Get a handful for your horse and decorate.

A chorus of 100 voices will render patriotic songs for the occasion. This will be one of the grandest features of the entire day.

If you like to see base ball played you will have the opportunity. Cadiz and Murray will play and as both teams are in fine shape and both have many victories to their credit this season the best game of the year is promised.

Come to help entertain and to be entertained. Every body is to be somebody's guest.

Preparations are made to furnish a joyous, glorious time for 10,000 people, and that number will be here, too.

The Murray String Band will participate in the fine program of the day and assist in the furnishing of splendid music. This band is composed of some of the best talent in the county. You will enjoy this music.

Come to the picnic with but the single idea of enjoying the whole day. Do your trading some other time. The merchants want to join you in a day of fun and frolic.

Don't forget a small basket, or possibly you have a large one convenient, bring along something if possible. But remember you are expected to attend regardless.

### SPECIAL.

All who will participate in the chorus are urged to meet the leaders at the opera house Friday night at 8 o'clock. Let every body come out.

Boys with bicycles are requested to meet the program committee Saturday at 2 o'clock at the court house. Boys, you are expected to participate in the big parade.

### Prices Firm and High.

The condition of the local tobacco market remains unchanged, a ready demand for everything offered causing prices to remain firm and high. The season promises to be unusually short, for there is never any hanging over prices or grades, but sales are made promptly in all cases, and those handling the tobacco are only limited by their ability to get it graded. Receipts continue to be fair with the association.

The association, through their local salesman, J. J. Jones, reports the following sales:

8 hogsheads, low lugs at \$6.  
12 hogsheads, lugs at \$6.25.  
6 hogsheads, lugs at \$6.75.  
1 hogshead, lugs at \$7.  
6 hogsheads, lugs at \$7.50.  
1 hogshead, lugs at \$8.  
24 hogsheads leaf at \$8.50.  
25 hogsheads, leaf at \$9.  
16 hogsheads, leaf at \$9.50.  
5 hogsheads, leaf at \$10.  
1 hogshead, leaf at \$11.  
1 hogshead, leaf at \$11.25.  
4 hogsheads, leaf at \$12.  
24 hogsheads, leaf at \$12.50.  
1 hogshead, leaf at \$13.50.  
This tobacco was stored with Long, Fruitema & Co.

### The Town Beautiful.

The beginning of summer is a season when the women of every village and town in the country may well organize work for the preservation and creation of beauty. Streets, commons, schoolyards, cemeteries, all need constant care, and in many towns there are no officials who are entrusted with this duty. In fact, the men who work on the roads too often destroy beauty when they should protect it. Enlightened park commissioners now encourage the growth of bushes and small trees beside the highway at great expense; but in the county regions these very bushes are cut away, with a misdirected zeal for making things tidy.

Ten women banded together into an association for beautifying and cleaning the town can accomplish wonders. There is a certain village where such a committee has wrought something like a miracle. They have put the sidewalks in condition by picking off the stones, cutting side drains, and keeping the turf at the edge neatly clipped. Waste-barrels have been set in different parts of the village; they are emptied twice a week, and relieve the streets of the hateful wind-blown papers. The bill-board nuisance has been abated. The women have painted in a pleasant green an old covered bridge, which had been disfigured with advertisements for twenty years. They have also set up a well-drained watering-trough, in place of an unsanitary wooden one.

Finally, each of the ten women has cultivated an attractive flower garden in front of her house, and taken down the fence separating it from the street. Thus at one stroke they have forced the citizens to keep cows and hens off the streets, and built up a healthy emulation in lawns and gardens, until in June the whole village literally blooms like the rose.—The Youth's Companion.

Examinations for scholarship in the Kentucky A & M college will be held in this place by the county superintendent Saturday July 13th. Calloway is entitled to two scholarships.

Geo. Downs, Warren Swan and Gaius Adams have purchased the Edwards barber shop and bath rooms. Mr. Adams will conduct the business. Mr. Edwards will remain with the chop.

## EXPLODED

**Saw Mill Boiler at The Van Doran Mills Explodes With Fearful Results.**

The boiler at the Van Doran saw mill, located in the extreme southwest corner of Calloway county on Tarrapin creek, exploded early last Monday, instantly killing Charles Brooks, a mill employee, and badly scalding three other men.

Brooks was a young man and a citizen of Westley county, Tenn. We failed to learn the names of the injured persons. The accident occurred early in the morning soon after the fire was placed under the boilers. Mr. Van Doran has been conducting a saw mill in that section for sometime, coming to this state from the north. He is a good mill man and made a specialty of sawing fine timber.

### Mayfield Was Easy.

It was a real shame the way the Murray ball team treated those chaps from the windy capitol of Graves. Took three straight games, hardly let the visitors know whether they were playing before it was all over but the shouting—and there was plenty of shouting, too.

Large crowds attended each game and enjoyed the sport very much.

The Murray team is the best in this end of the state and are taking on and shelving all comers alike. The Cadiz team comes over for the big fourth to get theirs.

Cecil Beach, of the Browns Grove section, narrowly escaped being killed by lightning last Sunday. He went to North Pleasant Grove to attend church in the morning and had alighted from his buggy and hitched his horse to a large tree near the church house when lightning struck the tree killing his horse instantly.

B. A. Woodruff, of Cadiz, was the guest of his brothers, J. I. D. and L. Y. Woodruff, the past week.

## Make Your Guess Early as Possible.

## A Live Wire

Every nerve is a live wire connecting some part of the body with the brain. They are so numerous that if you penetrate the skin with the point of a needle you will touch a nerve and receive a shock—pain it is called. Aches and pains come from a pressure, strain or injury to a nerve; the more prominent the nerve the greater the pain. When the pain comes from a large nerve it is called

**Neuralgia** whether it be the facial nerves, or the heart, stomach, sciatic or other prominent nerve branch. To stop pain, then, you must relieve the strain or pressure upon the nerves. Dr. Miles' Anti-Pain Pills do this.

"I suffered intense pain, caused by neuralgia of the face and head, and various rheumatic pains without getting relief until I began taking Dr. Miles' Anti-Pain Pills. They did me more good than all the medicines I ever used. They never fail to cure my headaches, and their use never leaves any bad after-effects."

MRS. W. M. BECKMAN, 414 W. 4th St., Erie, Pa.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money. 25 cents, 50 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.

Marshall County Tobacco Crop.

For the past ten days we have  
been gathering all the informa-  
tion, we possibly could from the  
farmers of the county, as to the  
amount of tobacco set, and as to  
how much more would probably  
be set during the month of June.  
From all the information we  
have been able to gather, we  
think the following estimate con-  
servative and approximately cor-  
rect. There will be set about 60  
per cent of the acreage that the  
farmers intended to plant this  
year, which will be about 65 per  
cent of an average crop. The  
best land has been and will be  
planted, and with a favorable or  
average season from now on, we  
may reasonably expect something  
like 75 per cent, in pounds of an  
average crop. We do not think  
this is overestimated, and unless  
the fall season should prove  
very favorable, it would prob-  
ably fall 10 per cent, lower.—  
Benton Tribune-Democrat.

to a letter which reads: "After  
suffering much with liver and  
kidney trouble, and becoming  
greatly discouraged by the fail-  
ure to find relief, I tried Electric  
Bitters, and as a result I am a  
well man to-day. The first bot-  
tle relieved and three bottles  
completed the cure." Guar-

## Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind,  
disheartens and lessens ambition; beauty,  
vigor and cheerfulness soon disappear  
when the kidneys are out of order or dis-  
eased.

Kidney trouble has become so prevalent  
that it is not uncommon for a child to be  
born afflicted with weak kidneys. If the  
child urinates too often, if the urine scalds  
the flesh, or if, when the child reaches an  
age when it should be able to control the  
passage, it is yet afflicted with bed-wet-  
ting, depend upon it, the cause of the diffi-  
culty is kidney trouble, and the first  
step should be towards the treatment of  
the child and the immediate effect of  
Swamp-Root is soon realized. It is sold  
by druggists, in fifty-cent and one-dollar  
bottles. You may have a sample bottle  
by mail free, also a Home of Swamp-Root  
pamphlet telling all about Swamp-Root,  
including many of the thousands of testi-  
monial letters received from sufferers  
cured. In writing Dr. Kilmer & Co.,  
Binghamton, N. Y., be sure and mention  
this paper. Don't make any mistake,  
but remember the name, Swamp-Root,  
Dr. Kilmer's Swamp-Root, and the ad-  
dress, Binghamton, N. Y., on every  
bottle.

Women as well as men are made miser-  
able with kidney and bladder trouble,  
and both need the same great remedy.  
The mild and the immediate effect of  
Swamp-Root is soon realized. It is sold  
by druggists, in fifty-cent and one-dollar  
bottles. You may have a sample bottle

cured. In writing Dr. Kilmer & Co.,

**Committee Meeting.**  
The Democratic committee of  
Calloway county, is called to  
meet, at Chairman J. H. Cole-  
man's office, in Murray, Ky., on  
Tuesday morning, July 2nd,  
1907, at ten o'clock A. M. to  
transact any and all business that  
may properly come before it.

**Obituary.**  
On the 5th day of June 1907, at  
half past 2 o'clock, God visited  
the home of Mr. and Mrs. Luther  
Farmer and took from them their  
little darling Irene.

She was sick only a short time  
when God saw fit to relieve her  
of her suffering and take her to  
a home above. Yes, little Irene  
is dead and the home is so lonely  
without her, but God knows best.

The brightest are often taken  
first. The writer had the priv-  
ilege of visiting that home dur-  
ing little Irene's sickness. It  
was heart-rendering to see that  
father and mother striving to do  
everything in their power to re-  
lieve her but there was a vacant  
seat in Heaven which God wanted  
filled; she was too pure and too  
good to remain on earth long.

Fond parents you may meet  
your darling again in Heaven.  
She can not return to you but  
you can go to her, this ought to  
bind your souls closer than ever  
to a home in Heaven. M. J. S.

I will mail you free, to prove  
merit, samples of my Dr. Shoop's  
Restorative, and my Book on  
either Dyspepsia, The Heart or  
The Kidneys. Troubles of the  
Stomach, Heart or Kidneys are  
merely symptoms of a deeper  
ailment. Don't make the com-  
mon error of treating symptoms  
only. Symptom treatment is  
treating the result of your ail-  
ment, and not the cause. Weak  
Stomach nerves—the inside  
nerves—mean Stomach weak-  
ness, always. And the Heart,  
and Kidneys as well, have their  
controlling or inside nerves.  
Weaken these nerves, and you  
inevitably have weak vital  
organs. Here is where Dr.  
Shoop's Restorative has made its  
name. No other remedy even  
claims to treat the "inside nerves."  
Also for floating, bilious-  
ness, bad breath or complexion,  
use Dr. Shoop's Restorative.  
Write me to day for sample and  
free Book Dr. Shoop, Racine,

by Dale & Stubblefield and H.

# THE BEST FRIENDS OF PE-RU-NA ARE THE MOTHERS AND CHILDREN

**Peru-na Should Be Kept In Every Household**  
Where There Are Little Children.

Peru-na should be kept in the house all the time. Don't wait until the child is sick, then send to a drug store. But have Peru-na on hand—accept no substitute.

Children are especially liable to acute catarrh. Indeed, most of the afflictions of childhood are catarrh.

All forms of sore throat, quinsy, croup, hoarseness, laryngitis, etc., are but different phases of catarrh.

**Peru-na Contains No Narcotics.**

One reason why Peru-na has found permanent use in so many homes is that it contains no narcotic of any kind. Peru-na, if taken according to printed directions, is perfectly harmless. It can be used any length of time without acquiring a drug habit. It does not produce temporary results, but it is permanent in its effect.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh.

Mrs. F. Brookman, 818 Meade street, Appleton, Wis., writes:  
"I have never had a return of the catarrh, which had made me so miserable and unhappy before I began taking Peru-na."  
"I would not be without it in the house, now."  
"I have a baby boy, two years old, to whom I give Peru-na for a cold, and my husband also takes Peru-na."  
"I thank you and wish you well."—Mrs. F. Brookman.

**No Doctor Required.**

Mr. Edward Otto, 927 De Soto street, St. Paul, Minn., writes:  
"I cannot say enough for Peru-na. It has done great work in my family, especially for my oldest boy. We had doctor with three or four different doctors and they did not seem to do him any good."  
"We gave up hopes of cure, and so did they, but we pulled him through on Peru-na."  
"We had several doctors and they said they could do no more for him, so we tried Peru-na as a last resort, and that did the work. Since then we keep it in the house all the time, and no doctor is required."—Edward Otto.

There are a multitude of homes where Peru-na has been used off and on for twenty years.

Such a thing could not be possible if Peru-na contained any narcotics.

**The Benefit Which the Children of the United States Have Received From Peru-na Can Never Be Put Into Words.**

The chronic ailments it has prevented, the suffering it has mitigated, will never be fully recorded.

But at least this much can be said that the coming generation owes a great debt to Peru-na for it is the tender years of youth that slight ailments are liable to develop into lasting disease, thus blighting the whole career of the individual.

The mothers who are bringing up their children today to believe in Peru-na are speaking from their experience.

These children brought up to believe in Peru-na from the start, will, when they become heads of families themselves, use Peru-na with unquestioning faith.

**A Child's Life Saved.**

Mr. G. H. Farmer, New Martinsville, W. Va., writes:  
"Our little son, Harry, is well and healthy now and we think if we do as you directed us, he will keep his health and grow strong."  
"We know that our little son's life was saved by your wonderful medicine, Peru-na, and we shall always praise Peru-na and use it in our family when needed."  
"Should we have any more catarrhal trouble in our family, we shall always write to you for treatment."  
"Mr. W. F. Doring, Mt. Vernon, Mo., writes:  
"I have used Peru-na to my entire satisfaction and am exceedingly well pleased with the results, having suffered greatly with catarrh of the stomach."

Mrs. J. C. Sterling, 123 Brown Avenue, Norfolk, Va., writes:  
"My little boy, Meredith, suffered with indigestion so badly he could not eat anything without it making him very sick, so I thought (as many others have) that I would try Peru-na, and it worked like a charm."  
"Now he eats anything he wishes, and I would not be without it for anything."  
"My other little boy, Alfred, two and a half years old, has taken it and received as much benefit from Peru-na as his brother."  
"I hope my testimonial may be of some benefit to others, as I feel as though I cannot praise it enough."—Mrs. J. C. Sterling.

Mr. Howard Andrew Sterner, 424 Canal street, Reading, Pa., writes:  
"I have Peru-na in my house all the time and won't be without it. It is good for children when they take a cold or croup. It cured my baby boy of croup."  
"I have introduced Peru-na into six families since I received your last letter, and four have seen relief already."  
—Howard Andrew Sterner.

**Peru-na Protects the Entire Household.**

As soon as the value of Peru-na is appreciated by every household, both as a preventive and remedy, many lives may be saved and thousands of chronic lingering cases of catarrh may be prevented.

**The Mothers Hold Peru-na in High Esteem.**

Not only because it has cured them of their various ailments, but because it promptly restores the children from the throes and grasp of catarrhal diseases.

We have in our files many testimonials from mothers whose children have been cured by Peru-na. However, the large majority of mothers who use Peru-na, we never hear from.

But we do hear from a great number of mothers who are so overjoyed at some special good they have received from Peru-na that they cannot restrain their enthusiasm. They are anxious to share these benefits with other mothers.

**When Sickness Comes to the Little Ones**  
It is the Mother Who Chiefly Suffers.

She suffers even more than the child who happens to be sick.

Her sympathy is deeper than that of any other member of the family.

The mother looks forward with dread to the torrid heat of summer, thinking of her children and the many habitations to disease that are before them.

Spring and summer are sure to bring ailments, especially among the little folks.

It does not take a mother very long to discover that Peru-na is the best friend she has in time of illness among the children.

**A Multitude of Mothers**

Have discovered that Peru-na is their stand-by, and that in many of the ailments of spring and summer to which the children are subjected, Peru-na is the remedy that will generally quickly relieve.

Whether it is spring fever or stomach derangement, whether it is indigestion or bowel disease, a catarrhal congestion of the mucous surfaces is the cause.

Peru-na quickly relieves this condition of the mucous membranes. Its operation is prompt, the children do not dislike to take the medicine, it has no deleterious effects in any part of the body.

It simply removes the cause of the disagreeable symptoms and restores the health.

Peru-na is a household remedy for all catarrhal ailments of winter and summer, acute or chronic.

The mothers all over the United States are the best friends that Peru-na has.

Mr. C. Hallcock, Antwerp, Ohio, writes:  
"My daughter Allie, after taking three bottles of your Peru-na is entirely cured of catarrh of the head of two years standing. We have used Peru-na as a general tonic as well as for catarrh and are well pleased with it and recommend it to anybody who has catarrh."

**The Mothers Hold Peru-na in High Esteem.**

Not only because it has cured them of their various ailments, but because it promptly restores the children from the throes and grasp of catarrhal diseases.

We have in our files many testimonials from mothers whose children have been cured by Peru-na. However, the large majority of mothers who use Peru-na, we never hear from.

But we do hear from a great number of mothers who are so overjoyed at some special good they have received from Peru-na that they cannot restrain their enthusiasm. They are anxious to share these benefits with other mothers.

We are authorized to announce the candidacy of J. F. MILES, for representative in the lower house of the state legislature, subject to the action of the democratic party.

Editor Huffman, of the Sikeston Herald, says that he has published free, over 720 columns of temperance matter and 330 columns devoted to religious work and the elevation of the morals of the community, refused wine and whiskey advertisements to the extent of \$3,000 and by doing so greatly offended and antagonized the liquor elements, immoral people and law breakers generally, and after doing all this, he says there remains in Sikeston "a lot of weak-kneed temperance people who would send their work to New York, or even cable it across the ocean, before they would give it to him." "I was ever thus."

Quit "beating" about the cow ordinance until after the big picnic. The W. O. W. boys will get confused in the matter and possibly understand you to mean that all the cows in town are to be slaughtered for the big barbecue. The boys believe that they have enough meat for everybody without killing the town cows. Seriously, the ordinance didn't have that ordinance passed in order to lower the price on beef cattle.

# O. T. HALE & COMPANY,

SEMI ANNUAL, CUT PRICE, UNLOADING SALE.

Beginning SATURDAY MORNING, JUNE 29th we will inaugurate our big semi-annual, cut price, unloading sale, and for TEN days, until Wednesday night, July 10th, the low prices that we name in this "ad." and many items not here mentioned, will prevail. The condition of the market at present, with everything high enough, and with good prospects of even higher prices, this sale offers an opportunity to every shopper in Murray and Calloway county to supply their needs with goods far below their market value. Behind every fact there is a reason. The fact is that we have got entirely too many goods in some lines to take a chance on carrying them over, and we prefer to cut the price on them NOW, in some cases at less than cost of production. As we have repeatedly stated we do not consider any transaction closed until you are satisfied. We want you to tell US when anything goes wrong with goods you buy here.
