And His New Store Factory.

We paid a visit to the other day to Mr. Roberts, which is located near the depot, and has been built of the best material, and is ready for business. The manufactory is both large and elegant and the location is very convenient. We are pleased to report that Mr. Roberts will be in the drapery line.

The manufactory is very well equipped and the work will be done in a neat and attractive manner. We are pleased to report that Mr. Roberts will be in the drapery line.

Benton, Ky., Oct. 15, 1891.

B. J. ROBERTS.

The Tribune extends a hearty welcome to Mr. Roberts and his new store.

The citizens of the town and country are taking a great interest in the proceedings.

There were four rings, with 57 entries, and the pictures were very much enjoyed, and will greatly add to the capacity. The machinery is now in working order.

Delays are dangerous—then don't delay.
