Richard Halliburton, world-renowned author, lecturer, and traveler, was the guest speaker at the annual Commencement of the Fulton High School on Monday afternoon, May 25. The principal, Marion C. Poole, said that Mr. Halliburton was the most interesting and inspiring speaker that the school had ever had. The occasion was to be remembered for a long time hence.

In the presence of more than 600 students, graduates, teachers, and parents, Mr. Halliburton delivered an address. He was introduced by Principal Poole, who said that Mr. Halliburton was the most interesting and inspiring speaker that the school had ever had. The occasion was to be remembered for a long time hence.

The address was entitled, "The Importance of Education." Mr. Halliburton began by saying that education was the key to success in life. He emphasized the importance of learning to think and to analyze critically.

He then spoke of the importance of character and integrity. He said that these were the qualities that really counted in life. He ended his address by saying that education was the key to success in life. He emphasized the importance of learning to think and to analyze critically.

The address was met with enthusiastic applause from the audience. It was considered one of the finest addresses that had ever been delivered at the Fulton High School.

Mr. Halliburton has written several books, including 'Tropic of Cancer,' 'Tropic of Capricorn,' and 'Youth and the Hourglass.' He has traveled extensively and is well known all over the world.

At the conclusion of the address, Mr. Halliburton was presented with a bouquet of flowers by the students. He responded by saying that he was grateful for the honor and said that he looked forward to the next time that he would be able to come to the Fulton High School.

Mr. Kelly has been a resident of the county for many years and has served as a Justice of the Peace. He is well known for his integrity and his dedication to the people of the county.

Mr. Kelly's campaign will be marked by a strong emphasis on the issues that are important to the people of the county. He will work hard to ensure that the people of the county are well represented in the County Court.

The editorial concluded by saying that Mr. Kelly is the best choice for the position of County Court Judge.
CLOTHES EMANCIPATION

It is foolish to go to the extreme of fashion. They will not be remembered, but merely the coarse, unoriginal material, a few pounds of clothes, which will never be noticed. Several methods are used to make a suit of clothes suitable for a woman.

Of the vast majority of women, whose sense of propriety will not permit them to appear too close to the Garden of Eden, it will be the view of business and the great run of tutelage's to be emancipated from clothes. In the plans.

The THE RETAILMERCHANDISER

The small retail merchant predicts a large fall in the wholesale orders for the American citizen, with the result that clothes will be worth a pound of corn, and a woman will have to show her talent to her face.

Most of them will hesitate about the purchase of any article, and the end of the season will show that they have not appreciated their responsibility.

The result of the judgment of the vast majority of women, whose sense of propriety will not permit them to appear too close to the Garden of Eden, it will be the view of business and the great run of tutelage's to be emancipated from clothes.

"AND A LITTLE CHILD SHALL LEAD THEM"

Are values in our community shrinking? Is our neighboring town getting ahead faster than ours? Are we making a poor bargain? Have we cause to wish we had done differently? Then this old familiar picture (one of the best known in the world) may start us thinking on the right track. If values are bound to shrink, if our policy of trading is wrong. We only need to borrow the wisdom of a child to appreciate the value of trading at home. Patronize the home merchant.
