SOUTHERN KENTUCKY: FORTUNE 25TH, 1943

Diphtheria Cases Increase In Fulton

Records available to the Public Health Nurse from Kentucky show that there were 25 cases of diphtheria reported in the state in 1943. The number of deaths from diphtheria in Kentucky has increased in recent years. In 1940, 14 cases were reported in the state, and in 1941, 16 cases. In 1942, the number of cases increased to 20, and in 1943, to 25. The increase in cases of diphtheria is due to the lack of immunization and the use of ineffective vaccines. The Public Health Nurse has been very active in the fight against diphtheria in Fulton County.

With the advent of the new musical, "Gold Diggers," the screen is treated to a lavish pageantry of scenes, which "Footlight Fever" reflected upon at the Warner Brothers theatre on Sunday, in every one of which the actors were depicted in their most lovely pose. Certainly the setting for the production has never been more perfect, and the lighting of the scenes has never been more artistic. The actors are all in their best form, and the story is one of the most interesting to be found in any musical of the year.

"Gold Diggers" and its sequel, "Gold Diggers of 1933," are both rated as of the year's gems of musical theatre. They are both directed by Warren Beatty, and the cast is comprised of Joan Blondell, James Cagney, and Astor Warren. The film is noted for its beautiful scenes of...

LEADERS OF MEN

"He was a leader of men." In a popular song of 15 years ago, these
words were used to describe a leader who, in the opinion of the
song-writer, was possessed of ability and qualities necessary to
inspire confidence and to guide his followers. What is the true
meaning of leadership? Leadership is the direct result of inherent
talents. The leader is born with the power to lead. That power
is a spiritual inheritance from God. In the male and female
species, in all walks of life, it should be recognized as a

A Message To The Voters
Who Go To Poles Nov. 7

The General Election for Senator from the Sixteenth District in the Kentucky legislature will be held on November 7th. It is important that we ensure the victory of Mr. Withers in his bid for re-election and victory in the polls is the surest way of accomplishing this.

Mr. Withers is a man who has fought vigorously for the cause of good roads. He is opposed to the present way of giving out charity rolls. He is a man who believes in the principle that the funds derived from motor vehicle license fees should be used for road construction, and consequently the state highway department should give the state road fund to the counties to construct their roads and maintain them.

If Mr. Withers is re-elected, he will have the state road fund to the counties to construct their roads and maintain them. This will reduce the number of unemployed people in Kentucky.

Every motorist in Kentucky is interested in good roads, and if Mr. Withers is re-elected, he will have the state road fund to the counties to construct their roads and maintain them.

Mr. Withers is a man who is not interested in any political organization. He is interested in the welfare of the people of Kentucky. He is opposed to the present way of giving out charity rolls. He is a man who believes in the principle that the funds derived from motor vehicle license fees should be used for road construction, and consequently the state highway department should give the state road fund to the counties to construct their roads and maintain them.
