HORSE IN AN AUTO.

Unusual Sight Witnessed by Fulton Man in Tennessee.

Robert Taylor, the traveling man, says he witnessed a unique thing yesterday, down in Tennessee. He had seen horses pull in refractory automobiles, but on yesterday between Sharon and Greenfield he saw a horse in an auto and the big machine was going at a lively clip with its unusual freight. The animal was a Shetland pony and he was placed in the rear end of the machine and seemed contented at the novel ride he was receiving.

JUDGE SMITH HERE.

Judge Robert L. Smith, the new judge of the First Judicial District, appointed yesterday, passed through Fulton this morning en route home from Frankfort. He was accompanied by the Hon. Goulder Johnson, the new postmaster at Hickman, who had been to Frankfort also, on business.

FISHING PARTY RETURNS.

The fishing party of Fultonians arrived home last night from their trip to Reelfoot lake. Those in the party were Hon. J. F. Fall, Messrs. Henry Polsgrove, H. McDade, and W. H. Powers. The fish did not bite well and the catch was light.

WOMAN BURNS TO DEATH.

Mrs. Mary Allen, 86, Dies When
Home is Consumed.

Milan, Tenn., April 23.—The home
of Lee Allen, a farmer, seven miles
north of here caught fire from a de-
fective fire Tuesday afternoon. The
house and entire contents were de-
stroyed. Mrs. Mary Allen, 86 years
old, Mr. Allen's mother, was alone in
the house. The entire roof fell in
before she was aware of the fire and
she was burned to death. Only a
few small bones and ashes were
found of her remains.

Mr. Allen lost \$250 in cash, which
was concealed in the home. The
loss on home and contents is esti-
mated at \$1,800, with no insurance.
Two sons survive Mrs. Allen. Fun-
eral services were conducted Wed-
nesday evening by her pastor. Burial
occurred at Baker's cemetery.

my interest are
 because the community that
 is good enough for me to live in
 is good enough for me to buy in.
 Because I believe in transact-
 ing business with my friends.
 Because I want to see the
 goods I am buying.
 Because I want to get what I
 buy when I pay for it.
 Because my home merchant
 will take care of me when I run
 short of cash.
 Because some part of every
 dollar I spend at home stays at
 home and helps work for the
 welfare of the town and the
 county.
 Because the home merchant I
 buy from stands back of his
 goods, thus always giving value
 received.
 Because the merchant I buy
 from pays his share of the coun-

 Because the merchant I buy
 from helps support our poor and

 our lodges and homes.
 Because if ill luck, misfortune
 or bereavement comes, the
 merchant I buy from is here
