TRUE HOME TOWN PATRIOTISM
Patriotism, like other lovely virtues, begins at HOME. It is only given to the few to serve in HIGH places. Not all of us have the opportunity to serve at HOME. Loyalty to the HOME town is the test of REAL patriotism. When we fail to support Home Trade and Home Industries, we fail in our loyalty to our country and to ourselves. Good are the rewards of Home Town Patriotism. Good are the results of "Our Town First" as our slogan, our progress is assured.

In Case of Emergency

When you want a thing in a hurry you rush to a local store and get it. But do you realize that the existence of your store depends upon continued business.

If every person in this community were to use the store only for emergencies there would be no place to satisfy those urgent needs.

In order to keep local business alive and in a state of readiness by doing your trading at home, it will become necessary for you as well as for the entire community.
