THE FARMERS BANK

"GROW WITH US"

FATHER KNOWS

The value of a Checking Account when it comes to paying bills. He finds it so necessary at home as he does in his business. Were he to carry all the cash he needed with him, he'd soon run into difficulties of one kind or another. But that angle is not the only advantage of a Checking Account. A check serves not only a receipt and record of any financial transaction.

So take Father's advice and open a Checking Account with us today.

THE FARMERS BANK

"GROW WITH US"

You must see them to believe them. The delicate args come in the fine mesh with the plain vanity cases.

Of many interests that seek to influence the American nation, there is no more important than the one that seeks to influence the American nation in the direction of Christ and Christianity without God or church.

"During Constitutional Week the states are constitutionally free to establish any form of government they please. The American nation has no right to require of any state a form of government that it does not wish to have. The American nation is free to require of any state a form of government that it does not wish to have."

The occasion for Mr. Edmistons speech was the reading of the Bible in the U. S. A., as well as for relations with the great the Bible Fellowship of Citizens and for the usual way: regardless of any ru-
