HOW SHALL WE ESCAPE IF WE NEGLECT SALVATION?

Dr. Harrell Delivers Two Sermons Yesterday

ATTENDANCE AND INTEREST INCREASING

STANDARD ranging No. 1076

Dr. F. A. Harrell delivered two great spiritual messages to attentive audiences at the First Baptist church yesterday. At the 10 o'clock service he preached on the subject of Hearing before, and brought many beautiful truths to us for those who are hardened for the salvation of souls.

At the evening service he spoke on the vital subject, How shall we escape if we neglect salvation. Among so much others, he said:

Dr. Harrell said:

The writing of this wonderful scriptural story, not by accident. Give attention, give attention. One of the greatest helps to a preacher is to use properly that which is immediately before him. You do not know that there are not many who hope to hear. So the writer starts out by giving attention. Give attention. Give attention, as if to say to the preacher, if you are going to do the work of a preacher, you must do it in such a manner that even the most thoughtless mind cannot help but understand it. The advantage of the writer is that he shows by the Bible that there are always those who understand it. That there are always those who are set for the work of salvation. The church is the only place in the world. Why was this book written? Just this. This was written on earth, nor in heaven, nor in hell. It was written for the living. It was written for the living. It was written for the living. The interest was in the living.

But I pass to the other word. This is a great salvation. It is the best of all the possible things in this world. It is the only thing in all the world that will reach the heart of man. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child. It will wash out all the sins of the man, and wash out all the sins of the woman, and wash out all the sins of the child.

Great and mighty salvation because of its pow.

First of all, it is a great salvation because it can be preached. It is the only work in the world that can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preached, and can be preach

"Thank you," instead of repeating the number, is far more convenient. The practice has already been introduced in a number of places and the telephones in the offices and homes believe it will be popular with the public.

According to telephone officials, there will be considerable. One saving to subscribers is the result of the brevity of the phrase which the operators now use. It is estimated that the time saved enables the operator to call the next number, which is considered by the public as an improvement instead of the old practice. The new practice has not become general. The local line operators have been selected on a basis of the cities in which it is to be tried and until its success has been demonstrated it is extended to other offices.

TEACHER WINS SUIT FOR JOB

Owensboro, Ky., Sept. 16.—The Daviess county board of education lost in the Daviess circuit court Wednesday when Judge George G. Wilson, in an oral opinion, said he would enter an order directing the board to elect Ellis H. Van Over as teacher at the Panther district school. Van Over, who has been a teacher for eighteen years, was not re-elected this year by the school board claiming he did not have sufficient teaching credits. He filed suit asking the court to issue a mandamus directing and compelling the board to appoint him, citing the fact that he had been recommended by the subdistrict trustee. Judge Wilson held it mandatory on the board to name a teacher recommended by the subdistrict trustee. The board of education will appeal the case.
