**SMITH-PIERCE VOWS ARE SAID SATURDAY EVENING, SEPTEMBER TWENTY-FOUR**

Miss Patsy Smith, daughter of Mr. and Mrs. Leonas Smith of Benton, and David Pierce, son of Mr. and Mrs. Guy Pierce of Paducah, were united in marriage at four o'clock Saturday afternoon, September 24, in the Union Hill Church of Christ by Charlie Taylor, of Cleveland, Tenn., who performed the double ceremony.

The couple said the vows before an altar banked in gladioli, dahlias and other autumn flowers. The rostrum held a miniature bride and groom which stood under a silvered arch of flowers and wedding bells with graduated candles at either side.

Miss Betty Jo Smith, sister of the bride, was maid of honor, while the groom was attended by Mr. Clarence D. Klapp. The ushers were, Leonard Curry and Frank Nichols. Candles were lighted by John Nichols.

The bride wore grey-Kaube one taffeta with jewel buttons and tulle accessories, a gift of the groom, and a shoulder corsage of red roses.

Miss Smith chose black crepe with chiffon trim, forest green accessories. Her corsage was of yellow rosebuds.

Mrs. Leonas Smith, mother of the bride was attired in steel grey crepe with black accessories and had white carnations at her shoulder.

Mrs. Guy Pierce, mother of the groom wore a grey gabardine suit with pink and black accessories and a shoulder corsage of pink carnations.

Mrs. Pierce is a graduate of Benton high school in the class of 1947.

The groom attended Mayfield high school and received his diploma while serving in the U. S. Air Forces. He is employed at the Regal Studio in Paducah.

Immediately following the wedding a reception was held at the home of the bride's parents. The table was covered with a handmade lace cloth and the central appointment was a bridal cake topped with a miniature bride and groom.

Mrs. Smith was assisted in serving by Mrs. James Thompson, Mrs. Shelton Owens and Mrs. Nina Cox.

Out-of-town guests attending were: Mrs. T. S. Klapp, C. D. Klapp, Mrs. Nina Cox, Mr. and Mrs. Guy Pierce, of Paducah; Mrs. Shelton Owens, of Chicago and Mrs. Lena Durard, of Detroit.

Following the wedding C. D. Klapp entertained the wedding party and a number of friends at his home in Paducah.

Mr. and Mrs. Pierce left from Paducah on a short honeymoon trip to Illinois and upon return will be at home here at 205 W. 12th street.

L. W. Peck, of Route 6, was a Benton business visitor during the past week end.

## A Plan For The Future Or A Plan for the Present

THE BIRKE has simple, functional plan, suitable for a small family. It features generous closet space with a minimum of wasted space.

Because of the simple wall and roof lines of The Birke the cost of construction is reduced. Corner windows featured in The Birke have wide eave overhang which takes away the box-like effect, often associated with small rectangular house plans.

Coat closets are provided for each entrance of The Birke. There are large convenient wardrobes in the bedroom hall. All rooms in The Birke have pleasant cross ventilation.

The Birke's kitchen is modern and large. It is efficiently arranged to allow a large dining space.

Exterior walls of The Birke are of frame. However, concrete blocks can easily be adapted as a substitute for the frame. The roof is pitched low and covered with asphalt shingles.

Overall dimensions of The Birke are 32 feet by 26 feet.

We hope we can be of service to you on plans for a New Home. We Invite you to discuss your plans with us.

(Editors Note) All PTA Organizations are invited to send in the news of their organizations for publication in this column each week. It is best that this news be turned in each week by Tuesday morning.  
A diamond in the rough, is a diamond sure enough before it is a diamond.  
It is made of diamond stuff.  
First someone must find it.  
Before it ever can be found.  
Then someone must grind it.  
Before it ever can be ground.  
When it is found, and when it is ground -  
It keeps on shining.  
With its everlasting light.  
Just as the most precious of all jewels is the diamond coming from an unpolished stone in the rough, so are our potential citizens of tomorrow, coming from the tiny pieces of humanity placed by God into ones to be nurtured and developed by parents into human beings of everlasting good and worth.  
This, then, is an invitation to you from the P. T. A. of Benton, Ky. to help us in our program of work - Yes, the P. T. A. does need you for help in the world is more world-shall or more essential than the welfare of children and youth.

**Palestine News**

Hello friends!  
I want to try and write a few lines  
about Palestine, as I have  
written in a week of two.  
Mr. and Mrs. Hampton Boggs  
have returned home from a few  
days' visit in Palestine.  
Mr. and Mrs. Ross Littleton,  
of Albion, Ill., are visiting Mr.  
and Mrs. Jones' parents, Mr. and Mrs.  
Gordon.  
The Palestine school teacher,  
Mrs. Lola Watson is suffering  
from some broken ribs she re-  
ceived while playing ball with  
some school children.  
Mrs. James Clayton is on the  
sick list this week.  
There will be a singing at the  
Palestine Methodist church ev-  
ery fourth Sunday night. Every-  
one is invited to attend.  
Betty Jo Copeland, of near  
Benton, spent Monday night  
with Margie Lee.  
Mrs. James Clayton and son,  
Charles Glen, Mrs. Fannie Lee,  
Lugene Booker, Mary Miller and  
Mr. and Mrs. Richard Hutchens  
were Sunday visitors of Mr. and  
Mrs. Roy Lee.

Mr. William Culver, of Route  
1, was a visitor here Friday.

Samuel Myers, of Route 1, was  
a town Friday on business.

Marlene Smith, of Gilberts-  
ville Route 1, was among the  
best visitors during the week  
end.

Mr. Chester Downing, of Gil-  
bertsville Route 1, was a shop-  
ping visitor in town during the  
week end.

Miss Jean Rose, of Route 4,  
was a shopping visitor in town  
Friday.

J. D. Woods, State Game War-  
den, of Benton during the past  
week end.

**UNITY NEWS**

Those that have been on the  
sick list are very much improv-  
ed.  
Charles Lovett, of Dexter R.  
1, spent Saturday night with  
his sister, Mrs. Charlie Shep-  
ard and family, of Paducah, and  
they all went to Advance, Mo.,  
Sunday to visit with another  
sister, Mrs. Nellene Jones and  
Mr. Jones.

Mr. and Mrs. Ray Anderson  
and Mr. and Mrs. Paul Mathis  
left this week for a home in  
Chicago, after spending sev-  
eral days here visiting relative  
and friends.  
Mr. and Mrs. Richard Hutch-  
ins, of near Olive, were Sun-  
day visitors with relatives on  
Hardin and Dexter Route 1.  
These visiting in the home of  
Mr. and Mrs. John Booker Sun-  
day.

Mr. and Mrs. Elen  
Lee and daughters, Elita Mathis,  
Mr. and Mrs. Elroy Warren and  
baby, Marsha, Mr. and Mrs. Ray  
Anderson and daughter, Sue, of  
Chicago, Mr. and Mrs. Eura Jones,  
Mrs. E. B. Lee, Wayne Lee  
and Joe Warren.

Mr. and Mrs. Ray Smith, of  
Hardin Route 1, were visitors  
with Mr. and Mrs. Bill Johnson  
and children, of Route 5, Sun-  
day.

So long for now.  
Hilbilly

J. D. Sholar, of the county, was  
among the visitors in town dur-  
ing the week end.

Clark Derrington, of Route 7,  
was a Benton business visitor  
during the week end.

Frank Nichols has returned  
to Benton after serving for one  
year in the U. S. Navy.

T. R. Poust, of Calvert City  
Route 2, was a business visitor  
in Benton during the past week  
end.

**Sports Afield**

With the fishing season ta-  
cing off into fall and the  
hunting season about ready  
to pop around the next cor-  
ner, I have a suggestion to pass  
along. Get out the old shotgun  
throw a box of No. 6's into your  
hunting coat and go crow shoot-  
ing. It's a swell sport.

Henry Broadshaw, casually  
known author and sportsman,  
once remarked that crow shoot-  
ing was the nearest thing to  
waterfowl gunning he had ex-  
perienced. And who's going  
to kick about a sport resem-  
bling duck shooting.

Several times each summer I  
put away and go after crows.  
I've found it to be a sport al-  
most second to none in good  
gunning. Crows are smart; out-  
witting them requires patience  
and a little know-how on the  
part of the hunter. And after you  
have had a successful day of  
shooting, with anywhere from  
one to a dozen or more black  
mauranders on the ground and  
you can pat yourself on the  
back for a job well done.

Some hunters build blinds  
use decoys and make a setup  
that is similar to duck shoot-  
ing. I've found it easier to  
drive along a country road,  
stopping here and there when  
a crow is spotted for some shoot-  
ing. But a crow call is almost a  
must, unless you are just plain  
lucky in getting them into  
shooting range.

Then if you happen to find  
a place where the crows are  
roosting, you are in for some  
fast and fancy shooting. You  
can keep your old scattergun  
hot for a few minutes before  
the crows decide it would be  
healthier to find another rest-  
ing place for the night.

And you don't overlook the  
important conservation angle in  
shooting crows. This bird an-  
nually is blamed for the loss of  
millions of acres of birds and an-  
imals through attacks on nests.

So then you have it -- fine  
sport and a definite aid to con-  
servation. This dual purpose is  
hard to beat.

## SAY YES FOR YOU and YOURS

It's you, fellow Kentuckian—it's all of us everyday citizens—who suffer because the state constitution limits public salaries to \$5,000 a year.

Because of that limit we can't open our five new tuberculosis hospitals. Doctors with the necessary training and experience can't be had for \$5,000. And so Kentuckians will die and others will sicken, and you and yours and all your kinsfolk and friends will have to run the risk of infection.

Because of the limit, our hospitals for people ill in mind are kept to a care-taker basis. The help that would make useful citizens out of thousands now in custody can't be hired at the 1891 level of pay.

Because of the limit, our whole school system suffers. Who wants to enter a state profession in which the highest officer can earn only \$5,000?

Because of the limit, our colleges and our university suffer, too. They lose men and women to out-of-state institutions. They lose men and women to industry. They feel insecure.

Because of the limit, our public-health program throughout the state is badly crippled, and is being crippled more and more day by day.

Because of the limit the farmer is poorer. Agricultural specialists, research men, conductors of experiments—these aren't attracted to a state that offers them no future. If attracted, they don't stay. The men we do have remain in their positions only out of great devotion to their institutions and their state.

Because of the limit we can't develop and operate our park and recreational system so as to give healthful enjoyment to our own people or so as to attract tourists and get the tourists' dollars.

Because of the limit our highway program is faltering and expensive. We have to engage on a part-time or job basis—at far more than a \$5,000 annual rate—the experts without whose help we just can't proceed.

Because of the limit every service of state itself is limited. Every one is made needlessly, expensive in terms of performance.

What we're saying is: Because of the limit, you suffer. You pay. But you don't get full service for your tax dollar. You get a partial, unsatisfactory, expensive, pinch-penny service. And it's your fault, and ours, and every citizen's. It's our fault because we haven't seen earlier that we'd have to remove the constitutional barrier to progress.

At the election November 8 you'll have an opportunity to make a better Kentucky—a better Kentucky for you and yours—by voting for Constitutional Amendment No. 2. It will make possible an adjustment of official salaries. And it will help mightily to cure our ills.

If you want to know more about the working effects of the salary limit, fill out the coupon below. We'll send you, without charge, a booklet that tells the full story. It's honest, it's factual, it's informative.

## The Marshall Courier Church Grove

(By Patsy Thweatt)

Hello folks. Back at school again. This has been a busy and exciting month. All of us were ready to go back to work and believe me, we sure have plenty to do.

We have had a nactive 4-H club all through the summer months. Several of our members went to camp for the week.

We are having a pie supper Thursday night, September 29th and everyone is invited.

The Community club met all through the summer. We want to thank them for our new rug and shades they have already bought this year. We also want to thank Mr. Rose for the paint for the inside of our house. We want our house to be one of the prettiest and cleanest in the county.

Several parents were here on the first day of school. We have visitors each week. Here they are:

Louie Lee Groves, Lowell Can up, Betty Thweatt, Sandra Cope land, Mrs. Dena Arant, Raymond Downing, Bobby Edwards Hallet Gordon, Ronnie Thweatt, Eddie Green, Ronnie Myers, Bobby Jean Staples, Ina Jean Myers, Sharon McKendree, Jessie Darnall, Evelyn Darnell, Dorla Edwards, Phillip Edwards Mrs. Martha Darnall, Kathleen Darnell, Clifton Henson, Gerald Thweatt, Cora Smith, Mrs. Ina English.

Mr. Miller brought farm pictures to our school. Several attended the show and we enjoyed them very much. Thanks, and come again.

There are just 17 of us now, but because we are small isn't any sign we can't work. Just come and see us. With our new or tiring teacher, Mrs. Downing we have planned more than we can do this year.

We are honored by having the Rev. Edgar Sires and the Rev. A. G. Childers on Friday morning, Sept. 16, to conduct our devotional exercises with the following present:

Novale Johnston, Mrs. Cora May Smith, Dennis Smith, Ina English, Nina English, Mrs. Beale Myers, Mr. and Mrs. Will Norsworthy, Mr. and Mrs. Clint English, Mrs. Lizzie Henson.

SCRIPTURE: Psalms 23: 1-6  
DEVOTIONAL READING: Psalm 23: 1-6

### The Psalms We Sing

Lesson for September 25, 1949

IT WOULD be a most unusual person who on his dying bed would turn to the 23rd chapter of I Chronicles and not to the 23rd Psalm. If the reader will think of his own favorite passage of Scripture, and then look them up in some edition which prints the Bible in a modern format, he will discover that his favorite passages are probably all Dr. Foreman poetry.

**Poetry's Power**  
WHY the appeal of poetry? For one thing, it is vivid. It is in colors, not severe black and white. It lives and breathes, at times it shouts, and it always sings.

It is true to say "The providential oversight of the Creator is continuous and unrelenting," but it is more effective to say, "The Lord is my shepherd." It would be true to say, "The evidences of creative and beneficent purpose can be seen throughout all the orders of nature," but how much more vivid is the 148th Psalm, calling on hail and fire, sun and moon and stars of light, to praise the Lord!

Another secret of poetry's power is that it is the language of emotion. Professors and theologians may be saying the same things as the poet, and maybe even saying them more completely and accurately; but what they say is less easy to remember.

So these emotional Psalms will always appeal, even to the professor when off duty, because they make us feel religion and not merely think it.

**Pictures of God**  
SO IT IS no wonder the Psalms have been loved and sung all over the world. We are perhaps the only religion that has made so much use of another religion's hymn book. Different though our faiths may be, Jews and Christians can sing from the Psalter with one voice and heart.

For centuries it was the hymnal of the Christian church. Indeed, up to recent years some of the great denominations would allow in public worship the singing of no other songs than the Psalms.

Many of our best hymns and popular gospel songs, as we have already seen, are based on Psalms. "Rock of Ages, cleft for me," "A Shelter in the Time of Storm," "Hiding in Thee," — they all go back to the Psalmist's picture of God as a Rock (Ps. 42:9). The Psalmist was not thinking of a little rock in a cornfield. He was thinking of some tall crag in the fierce hot landscape of his country.

A rock there is a landmark. It is a shelter against the blinding sun, people could live under its overhanging height.

So God is the landmark of life, he gives direction to our ways; he is the shelter in life's weary journey, he is our safe dwelling.

So with the many other pictures of God in the Psalms—he is light, he is shade, he is the guard on duty at night watching over the sleeping city (Ps. 121); he is a shepherd, he is water for the thirsting soul (Ps. 42).

**A Model Hymnal**  
IT IS true that few Christians today can use in worship all of the Psalms, without omissions or changes. It is also true that practically all Christian churches find that the Psalms, by themselves, are inadequate to express all there is in Christian experience, faith and ideals.

The Christian hymn, entirely independent of the Psalms, has long since come into its own. And yet the Psalms remain the model hymn. For in them beauty and truth are blended.

This should be the ideal of all Christian hymn and song books. Some of our modern "hymns" as well as some older ones, are bad because they are no better than jingles, — doggerel, not poetry, and often sung to tunes better suited to a juke box; and some are bad because they convey either nonsense or downright falsehood.

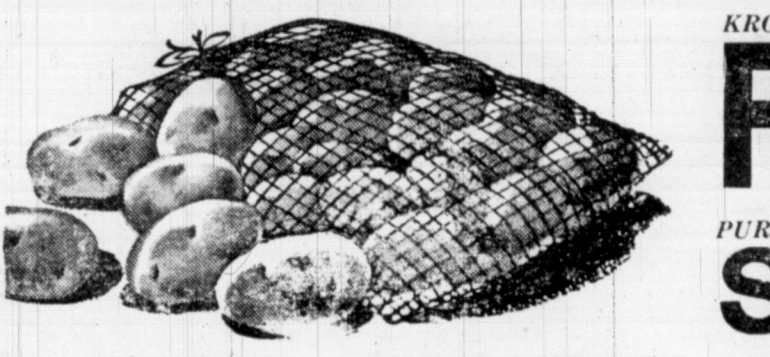

But the great hymns, and the best hymnals, are those which like the Psalms of old, combine profound truths about God and man duty and destiny, with stately, stirring and singable music, aglow with the beauty and power of words.

**Parking Meters and Nickles In City**  
PLENTY OF PARKING SPACE AROUND BENTON'S COURT SQUARE

Benton's new parking meter ordinance here Tuesday morning at 8:00 o'clock reached this point on the dial, to be seen around the square.

Early birds who were up town before 8:00 o'clock and had parked began leaving the parking places before the deadline appeared. After 8 and added by rain, those who did not want to get wet walking several blocks, began dropping in a few pennies, but the highest number of autos around the square for several hours did not number over a dozen.

Many Benton merchants and businessmen began walking to work or hunting places outside the meter zone to park. Side streets lined with autos for several blocks while others parked in alleys or vacant spots. It was a game of "dodge the meter" with many. Some farmers who came to town found places two, three, and more blocks from the court square. Some said they liked the opportunity of finding a place to park for a change.

**Emergency drive for** Marshall county, according to a report from the county clerk, has been completed. Only \$487.00 was raised during the drive. An amount of \$12.40 for printing the report which was sent to the General Treasury.

Police funds were depleted because of the increase in the number of victims this year in Kentucky and in the...
