Four advances already and the end nowhere in sight. Delay means higher prices. Buy your tires to-day. We carry the largest stock of tires in the country.

**Tire and Tube Sale.**

Nearly all leading tire and tube manufacturers have advanced 31.15 cents per pound in the last month, and two more advances are expected soon on account of the British situation, which has forced the price of spec rubber up to 117 cents a pound compared with 11c last year. We are offering our entire stock which we bought before the advance at the old prices. Compare our prices, quality taken into consideration, and buy your tire supplies before our stock is exhausted, which can't be duplicated again at near the prices offered.

...coming from South America and other neutral countries through the great gateway of America: Cotton, tobacco, wheat, barley, and many other products are being imported. The big increase in the price of cotton has had a great effect on the price of wool. Many of the Eastern manufacturers have been forced to reduce their prices. The demand for wool is still strong, and the price is likely to remain high for some time.

**Super-Tite Asbestos Shingles** give every advantage of other roof coverings —plus two distinctive features combined in the same shingle.

They give double and triple thickness over the entire roof area—with the addition of a LOCK-BUTT to prevent curling or bowing off.

When laid, there is no part of a Super-Tite roof which has less than double thickness coverage—and over 45 per cent of the roof area is triple thickness. This greater coverage, with the LOCK-BUTT feature, makes the roof covering which defies rain, snow, wind or pest. Super-Tite Shingles cannot curl up—there is no case they warp.

FULTON, KY.
One of the liveliest events of the week just passed was the wedding of Ralph Croft at 4 P.M. on Thursday, at the home of Mrs. Harry Murphy, who conducted the ceremony. The young couple were married by the Reverend J. F. Thompson, the presiding minister of the Methodist Church. The bridegroom is the son of Mr. and Mrs. Ralph Croft of Fulton, and Miss Margaret Reed is the daughter of Mr. and Mrs. John Reed of Memphis. The wedding was followed by a tea in the parlor, after which the bridal party proceeded to the new residence of the bride and groom. The reception was held in the parlor of the bride's home, and was attended by many friends of the couple. The bridal party returned to Fulton after a long weekend's stay.
