Big Crowds Here During Fair Week

Kentucky Hardware & Implement Co.

Ideal Weather Conditions Give
All An Opportunity to

The Fulton County Fair, which has been a well-attended and the fairest of the annual county fairs in the region, the younger people probably not so much as the older folk. The fair was well attended and the Hardware & Implement Company, one of the oldest in the county, had a large booth set up in the center of the fair grounds. The company had a large display of hardware and implements, including a complete line of farm machinery, tools, and other supplies. The company had a large display of hardware and implements, including a complete line of farm machinery, tools, and other supplies.

Believing that Fulton is one of the best places in the state to conduct a business in which there is a large demand for a wide variety of goods, the Hardware & Implement Company has decided to open a branch in Fulton. The company has been in existence for more than forty years and has built up a large business in the county. The company has a large stock of hardware and implements, including a complete line of farm machinery, tools, and other supplies.

See the New Improved Hexagon Slate Shingle

This wonderful roof has been one of the leaders for many years. The slate shingle, with its unique features, is well adapted for residential use. It is available in a variety of colors—Red, Green, Blue Block, and Autumn Blend. Easy to lay, does not have the waste that most patterns do on the hips and in the valleys. Its heavy slate-like pattern is distinctive. Guaranteed not to curl. It is truly a wonderful roof for either new work or old roof repairs. We recommend this roof and guarantee your satisfaction.

A few of the reasons for this kind, on new jobs, are:
- No. 1 Green Roof. Ash Christian Church. Over old wood shingles.
- No. 3 Green Roof. Park Avenue. Dr. T. F. Thompson house. Edlings and Fourth.
