Announce Drive For Library Funds

Next Week—Will Be Given H-arty Support.

Last Tuesday night the Chamber of Commerce of Kentucky, ex- ten
dered the invitation to the citizens of Fulton county, in an en
courage spirit, to participate in the drive to raise money for the construction of a new library building in Fulton city. The meeting was

in the afternoon at the home of Mr. and Mrs. E. M. Robertson, with 

President Robertson calling the meeting to order.

He said:

"The object of this meeting is to encourage all of the citizens of Fulton county to participate in the drive to raise money for the construction of a new library building in Fulton city. We have already

secured some very generous contributions, but we need more in order to

reach our goal. We are asking all of the citizens to contribute as much as they can, and we are asking all of the businesses in the city to help us in this venture. If everyone does their part, we can achieve our goal."

The meeting adjourned with the president asking all those present to

contribute as much as they can to the drive for the new library building.

HOPKINSVILLE, Ky., Oct. 13.—(By Special Correspondent.)—A substantial tobacco association today gave notice to its members that it will no longer tolerate the dumping of its crop, or failure to deliver it, and that it will authorize the pool owners to enforce the law which is now in force.

"GET WISE" In Time.

Why not get wise in time? Why wait till it is too late? People all over the country, north, south, east and west, are getting wise to the menace results of out-of-town business. THINK. Pity people are NOW refusing to patronize out-of-town stores. Are WE going to wait until we are knocked down and run over before we "get wise"? Let us spend our time and money in building up something that is OURS. Patronage of home business means the building up of a strong industrial community of our own. Neglect of home business interests means the building up of a machine that will one day crush us without mercy. Let's build for ourselves, and for our friends and neighbors. Let's "get wise" before it is TOO LATE.
