Magicians Face Lane And Parsons Of Iowa

LeMoyn college has scheduled two big basketball attractions for next week. Both games will be played in Bruce Hall on campus at 8 with the Magicians meeting a powerful Lane College quint from Jackson, Tenn., Tuesday night, Dec. 15, and taking on the highly rated Parsons College aggregation from Fairfield, Iowa, Wednesday, Dec. 16.

The game with Parsons will be history-making as it will be the first time LeMoyn has en-

attract a large alumni following.

ONE ROAD TRIP

The Magicians will be at Alabama A & M in Normal this Friday night, Dec. 11, their only road trip this month.

They were scheduled to play Fisk University of Nashville on Wednesday night of this week.

The LeMoynites will play five home games in January, meeting Tuskegee, Jan. 4; Benedict, Jan. 7; Dillard, Jan. 11; Miles, Jan. 15, and Alabama A & M, Jan. 30.

CAPTAIN BENCHED

Coach Jerry Johnson's Magicians turned back an Alumni squad, 84-66, in last week's opener and then came on to defeat Alabama State, 85-77, Saturday before a Bruce Hall crowd of nearly 1,200.

James Gordon was high man for LeMoyn against Alabama with 17, trailed by George Fed, 15; Jimmy Charlton, 15; Paul Lowery, 13; James Sandridge, 12; Sidney Weathers, 8, and Marion Brewer, 6.

LeMoyn was playing without its captain and floor general, Monroe Currin, who is having scholastic difficulties.

Two seniors, Charlton and Lowery, who did plenty of bench warming their first three years at LeMoyn, stood out in Saturday night's contest. Both were on the starting five.

New Magicians showing real promise are McKinley Jones at center, Tyrone Battle at guard and Weathers at guard.

JIMMY CHARLTON

gaged a predominantly white team.

Parsons turned in a 13-12 record last season.

The meeting between Lane and LeMoyn will be an SIAC outing. The invading Dragons, always crowd-pleasers, will

WOW WITH WOLVES — An All-American selection as a sophomore last year, Cazzie Russell, 6'6" Michigan guard, is leading the Ann Arbor cage team, which is rated No. 1. Michigan is favored to win the Big Ten title, just like the football team did.

Beef Supplies

Beef is in record-breaking supplies this season! Plan a roast for those special occasions, but don't forget the versatility of ground beef, the taste-tempting qualities of round steak, blade or arm cuts for pot-roast and the savory goodness of short ribs or corned beef (brisket).

NAB Project Underway To Catalogue Recorded Sound

WASHINGTON — The National Association of Broadcasters is trying to break the sound barrier—an utter lack of knowledge of the whereabouts of the millions of sounds recorded on film, cylinders, discs, wire and tape during the past few decades.

Under the direction of Ted Malone, a long-time radio personality, the Association has underway an "Encyclopedia of Recorded Sound" project that has as its ultimate goal a master index on the existence, source and availability of every song, speech, musical arrangement or spectacular preserved by sound recording.

As a first step, Mr. Malone is now circulating all known collectors, and archivists and librarians urging them to send

him a brief description of their collections, including an estimate of size and the general nature of the content. This, in itself, is a monumental job.

As Mr. Malone explains it: "It is a most frustrating paradox to find on the one hand the widespread interest in sound recording that has

been developing in the last three decades, and yet, on the other, a total absence of any central source of information of these either. There are an infinite number of sounds of all kinds in these collections, but the confusion confronting anyone interested in finding them is almost beyond belief.

"There are numerous recorded sound libraries, but no list

of them. There are recording organizations and individuals by the thousands, but no list of these either. There are an infinite number of sounds of all kinds in these collections, but the confusion confronting anyone interested in finding them is almost beyond belief.

"Anyone who has to hunt

for special sounds for a show, any student who has to do research in the field, anyone who has the occasion to inquire comes face to face with a barrier of total disorder and utter confusion.

"The vast majority of collections or libraries which have been located have no complete file or catalogue of aluminum foil to oxide tape."

what is in them. There are a few magnificent exceptions, but by and large the barrier makes unavailable to those who could use them the recorded sounds of our world today."

Malone noted that interest in recording has spread far, fast and wide with the "revolutionary break-through from

Rep. Melvin R. Laird, R-Wisc., criticized this 1964 yuletide postal stamp and urged issuance of Christmas stamps with a religious theme such as a Nativity scene—"not the commercialized symbol of a Christmas tree or Santa Claus." The stamp portrays holly, mistletoe, poinsettia and pine cone. — (UPI Telephoto)

SOCIETY Merry Go-Round

By Mrs. Emogene W. Wilson

NEXT WEEK HERALDS the beginning of the trek home for Christmas by homeowners now engaged in various pursuits outside the Bluff City . . . public schools will close for approximately two weeks as thousands of students and teachers enjoy one of the longest holiday periods for several years.

Happily, this season is shared by many nations throughout the world . . . unlike so many of our national holidays. It is truly interesting to note the many legends among the nations regarding the observance of Christmas and the variety of customs in celebrating this sacred event. A fascinating project to me, would be the researching to find out whether Christmas, the season, or the event, or the day . . . as one evasions it . . . has become as much commercialized in these other countries as it has become in our society.

However, I believe because of the fact, such great works as "The Messiah" have become increasingly popular in the home . . . not just in the church, or on some television "special." Children are being made aware that is Christ's birthday . . . not just the day that a "big fat man in red suit and black boots" comes to leave a shiny bicycle or a pair of skates. Perhaps if they learn the story of Joseph and Mary . . . the three Wise Men . . . and are exposed to this wonderful story in song with music other than "Rudolph the Red-nose reindeer" or "All I want for Christmas is my Two Front Teeth" . . . future Americans will observe it in a truer perspective. However, I have no solution to offer for the advertiser who bombards us still with "Why not give Mother a new refrigerator for Christmas?" Or the one who starts in August tempting the kiddies during their Saturday cartoon shows with toys to ask Santa Claus for in December . . .

MR. AND MRS. A. W. WILLIS spent the Thanksgiving weekend in Nashville, Tennessee along with other members of the Tennessee Legislature from throughout the state, in an Orientation for Legislators.

There was a mixture of business and social functions as they moved from place to place as the busy week-end unfolded.

The first session was held on Friday morning at Middle Tennessee State College in nearby Murfreesboro, Tennessee, a picturesque structure in an equally beautiful setting. Wives were special guests at a luncheon which began at 1:30 P.M. Friday evening found them again guests for a buffet dinner which was held at the elegant Governor's Mansion which reposes on a broad expanse of some twenty acres of beautifully landscaped grounds. Here, Governor Clement received guests with Mrs. Clement. Guests included the cabinet members as well as the legislators and their wives.

Saturday, found Representative Willis in the Legislative Chambers in the Capitol Building from 8:30 to 11:30 A.M. Luncheon was held from 11:30 to 1:00. The hour was early because all legislators were presented tickets to the big Vanderbilt-University of Tennessee football game played at Dudley stadium . . . which began at the traditional 2:00 P.M.

The lone Negro in the Tennessee Legislature, the Willis met much cordiality at every turn as Mr. Willis concerned himself primarily with acquainting himself with the many complexities of his new responsibilities.

While in the city they took time out with several of their old friends. They were guests at a post Thanksgiving party hosted by Mr. and Mrs. De BERRY McKISSACK; and were dinner guests of the CALVIN McKISSACKS on Saturday. Dr. and Mrs. T. W. JOHNSON were their hosts at still another gathering of friends.

On Monday of this week, Mr. and Mrs. Willis were guests at the White House, Washington, D. C. when President Johnson entertained for the newly elected Prime Minister of England, HAROLD WILSON. We'll have word concerning this occasion at the next writing.

MR. AND MRS. LONNIE BRISCOE, 753 Boston welcomed Mr. and Mrs. THOMAS YELDELL of Jefferson, Mo., as their guests for the Thanksgiving holidays. They are the parents of the spouse of the Briscoes' older daughter, Mrs. JUNIENNE BRISCOE BAILEY. They found the Bluff City at its best as they were introduced to several friends of their hosts who dropped by to greet them, including the JOSEPH WESTBROOKS, the GEORGE ROBINSONS, the J. D. WILLIAMS, the JOHN POSTONS, and Mrs. LOUISE DAVIS. They reluctantly left by plane on Sunday night for Lincoln University, where Mr. Yeldell is an ROTC instructor.

MRS. DOROTHY EVANS, 4859 Ortie Drive spent a glorious Thanksgiving weekend in Las Cruces, New Mexico where she visited her sister and husband, Mr. and Mrs. RUFUS BOWLING. The two sisters traveled to Juarez, Mexico . . . and went shopping in El Paso, Texas. You really must see the beautiful leather suit she returned with! Mr. Bowling is a mathematician at the White Sands Proving Ground.

YOUNGSTERS TURNED OUT IN NUMBERS for the Saturday afternoon performance of "Oliver" held at Ellis auditorium. A few of those in attendance were DEBBIE NORTHROSS, JANET HORNE, ETHEL MARIE SENGSTACKE, BRENDA BATT, DENISE BATT, ELISE FLOWERS, DENISE FLOWERS, FRED SENGSTACKE, and SYLVIA BRASWELL.

DON'T FORGET TWO OUTSTANDING events for this weekend! Both will give you much pleasure and entertainment. DECEMBER 11 — RHOMANIA COTILLION at Bruce Hall, Le Moyne College, 8:00 P.M. presented by Sigma Gamma Rho Sorority, featuring 3 outstanding dance groups. Tickets may be purchased from members and at business office, Le Moyne College, Benefit Scholarship Fund.

BOOKSHELF SPACE

A fireplace being remodeled with colorful and fireproof ceramic tile often offers an excellent opportunity for adding bookshelves. Walls on each side of the fireplace can be framed in with wallboard and surfaced with the same ceramic tile design, thus adding new space and creating a bright focal point in the room.

COLORFUL KITCHENS

Floor coverings for the kitchen can now be harmonized with the color of walls and appliances. This is because many kitchen floors are now being surfaced with ceramic tile, which also can be used on kitchen counters and backsplashes. There are more than 250 colors of tiles to choose from.

'The Flies' Will Be Presented Thursday

Two presentations of the drama, "The Flies," are scheduled for this Thursday, Dec. 10, in the Alumni Room of the Hollis F. Price Library on the LeMoyn College campus. The public is invited to both performances which will be staged arena style.

The drama is a part of a symposium, "An Examination of Existentialism," under direction of Dr. Ned Donahoe, a visiting professor at LeMoyn College, Grinnell, Iowa.

"The Flies" will be presented at 4 p.m. and at 8 p.m. A third performance will be given Friday of this week if there is a demand.

On campus for the symposium is the Rev. Robert Dewey, also of Grinnell where he is minister of the First Congregational church. He spoke Wednesday morning at LeMoyn's regular weekly chapel service. He also is conducting discussion groups on the campus. His chapel subject was "Sartre and Christian Existentialism."

LeMoyn faculty and students from the cast of "The Flies," based on the Greek legend of the slaying of Queen Clytemnestra and her lover by the queen's son and daughter, Orestes and Electra, Jean Paul Sartre wrote the play which was presented as a film at The Guild recently in a slightly different version under the title of "The Electra."

The citizens of this city and other communities are anxiously looking forward to the Extravaganza to be held here at Stigall High on Sunday afternoon, December 20, at 4 P.M. In the last issue the date was for another time, but for good reasons it had to be changed.

This will be an all-male program with some of our best talent on display. The entire proceeds will go to the Quads Family in Murry City.

As this is a distinction that no other family has had in Tennessee, we owe them whatever we can give them for that. Besides that, they are so much in need. Place this date where you can remember it, and find your way to Humboldt, where many surprises will await you.

Write Mrs. J. S. VANCE for tickets. Donations are one dollar up. Rev. J. H. MATHIS is chairman of the Benefit. Checks of any denomination may be mailed to him at 1214 Cotton in Humboldt. Turn some of your Christmas spending into help for the Quads. You will be blessed for it. For tickets write Mrs. Vance at 1112-12th Avenue.

Mrs. ADDIE ROE, president of the City Federation of Humboldt has returned after an extended trip to visit a sick brother, whom she reports is better. She is asking the co-operation of all Federated club women in the selling of the tickets for the Extravaganza to be held for the Quads. Whatever each club does will be reported at the State meeting in Memphis in June.

Mrs. SARAH TRIGGS is at home and doing nicely at this writing. She is very grateful to all who thought of her while she was in the hospital.

Miss MABLE NORTHCROSS is here visiting her sister Miss Lila Northcross. She gives a nice report for our two young ladies who are taking nurse training at the Homer G. Phillips Hospital where she is an indispensable fixture. Misses ANN GENTRY and JENNETTE CROOM are there and doing fine.

TOMMIE BONDS is a newsboy for the Defender here, and we are asking that you help him build up a nice route, by telling some of your friends about the paper. Tommie is the grandson of Mrs. MARY MARABLE and you can reach him at their home on Maple St.

All over the nation, the talk is about the benefits of Kindergartens, and Humboldt is proud we have a large group getting the training they need, and being taught how to live with each other. Mrs. SHIRLEY POSTON is doing a fine job with the children, and it is the trip to go down and see them in action. Won't you remember them when you kill hogs or that cow, or if you have fruit you can spare?

Free transportation was

furnished all those who needed it, and friends of Mr. and Mrs. Royal assisted with the serving.

YW Wives Club Honors Miss Lacey

Members of the YW-Wives Club of the Sarah Brown Branch YWCA honored Miss Mary Frances Lacey, Executive Director of the Memphis YWCA at a farewell luncheon in November. Miss Lacey has resigned her position to work as field staff of the National YWCA. She will be based in Atlanta, Georgia.

Miss Lacey in remarks to the YW-Wives reported that the YWCA over a period of many years has been moving toward integration. With the exception of the camp, all activities are open. Freedom of movement is assured. She stated that the accomplishment of complete integration is still the goal and the job of the YWCA in Memphis. A second area of possible emphasis that she developed

and stressed was the opportunity and the need for the Sarah Brown Branch to assume its full share of responsibility in the neighborhood of which it is apart. She urged those present to bend all efforts to cooperate with other agencies, and act alone if necessary, to raise the social level of the community.

NEA OFFICIAL AT LEMOYNE

Dr. Richard Carrigan of Washington, D. C., national director of the Student Division of the National Education Association, was a recent visitor on the LeMoyné College campus. He is shown at right, seated between Mrs. LaVera Avant, left, of Lane College, and Mrs. Charlie P. Roland, right, of LeMoyné. Both ladies are advisors to Student-NEA groups on their campuses. Some of the officers and members of LeMoyné's student unit, the Rufus J. Hawkins

chapter, are pictured at left. Standing, left is the president, Calvin Cunningham. Fourth from left, standing, is Mrs. Robie L. Shaw, treasurer, and fourth from right is Miss Dorothy Rogers, secretary. Seated, left to right: Miss Beulah Mae Shepherd, secretary of the State Student-NEA; Miss Sarah Marie Smith, vice president of the LeMoyné chapter, and Miss Alice Davis, chaplain of the local unit.

Live Theatre Coming To Bruce Hall Stage

Live theatre is headed for the Bruce Hall stage on the LeMoyné College campus. The touring Free Southern Theatre will be there next weekend and will present two plays free to the public. "Purlie Victorious" is scheduled for Saturday night, Dec. 19, and "Waiting for Godot" will be presented Sunday night, Dec. 20. Curtain time each night is 8 o'clock.

The integrated company, whose members have appeared on and off Broadway and in theaters throughout the country, is non-profit and supported entirely by voluntary contributions. The company's "home" is in New Orleans and prominent New Orleans citizens make up its board of directors.

Support of the Free Southern Theatre is nation-wide; a recent contribution of \$2250 came from a benefit performance by the Tyrone Guthrie Theater in Minneapolis, Minn. and several benefits are planned for spring in New York.

LIVE ISSUES

The aim of the FST is to make live theater available to those who would otherwise have no opportunity for such an experience, and to present plays dealing with live issues. The group toured Mississippi last summer with Martin Duberman's documentary play about the history of Negroes in America, *In White America*. It plans to add two plays to its repertoire twice each year, and will tour with them throughout the South, with primary emphasis on Missis-

issippi. The first of the current plays, "Purlie Victorious," by Negro author Ossie Davis, is a comedy for the whole family, about Purlie Victorious Judson's attempts to reclaim Big Bethel, an old church, and preach freedom in the cotton patch.

"Waiting for Godot," which its author Samuel Beckett calls a tragicomedy, has been hailed by critics as one of the best plays of the 20th century.

CAMERA, ACTION, CUT!—That hefty foliage which adorns the face and chin of Rubin (Hurricane) Carter, middleweight contender, will have to come off before he meets champion Joey Giardello December 14, according to a ruling by the Pennsylvania boxing commission. Giardello said the beard would cut him in clinches in their Philadelphia bout.

'Hedda Gabbler' To Be Presented By Links

The sensational drama, "Hedda Gabler" will be presented by the Memphis State University Players at the Memphis State Auditorium, Sunday, December 13 at 7:30 P.M., in special performance. The play is being sponsored by the Memphis Chapter of Links, Inc. From the proceeds the Links expect to establish a scholarship for students interested in dramatics and fine arts.

The leading lady, Hedda, is indeed a terrific character! Her love story and prowess will bring both tears and laughter.

The story was written by the Norwegian dramatist, Henrik Ibsen, who wrote a series of prose plays which made him world-famous. Although some declared his plays to be immoral, cynical, and unduly pessimistic, many highly respected critics acclaimed them high moral criticisms of society. They have been translated into most European languages and also into Japanese, and have exerted an immense influence on world drama.

REQUIRED FOR COLLEGE

Young people who will be entering college or who are already in college should be encouraged to see the play, because it is required reading in most schools, and they will be expected to be able to criticize at one time or another. Balcony seats in advance are \$1.00 and \$1.25 at the door. Main floor seats in advance are \$1.50 and \$1.75 at the door.

Beside this new effort to help talented Negro students to be represented with the Memphis State Players, the Links support many other community and national endeavors.

On a local level the Links furnish means to the Good-

will Homes to defray the expenses of giving the young people cultural advantages that they otherwise would not be able to enjoy. On the national level, they have paid a \$500 life membership to the NAACP and locally make an annual donation to the defense fund.

Too, a yearly donation is made to the Family Welfare for the underprivileged; sizeable donations are sent to the United Negro College Fund; and the Urban League Christmas Card project was the project of the Links. Smaller donations are made to other organizations of cultural or civic concern.

Mrs. Lillian P. Campbell is president; chairman of the Memphis State University Scholarship project is Mrs. Addie D. Jones.

Tickets are available at Service Drug Store, 543 Mississippi Blvd.; Suarez Pharmacy, 1046 Thomas; and by calling 276-4023.

Jaguars Beat Dillard In Season's Finale

By BENNIE THOMAS
NEW ORLEANS — South-
ern University closed out its

football season belatedly here last Saturday afternoon with a 34-8 victory over Dillard University. John Crockett went 77 yards with an intercepted pass for Southern's first touchdown.

The Jaguars offense cranked up, overran an 8-7 Dillard lead and stormed to the one-sided victory. Dillard scored on its first play from scrimmage on a five yard touchdown pass from quarterback William Brown to Gary Townsend in the second quarter. Darrell Reed caught a pass for the two point conversion from Brown. This gave the Blue Devils a brief 8-7 lead.

Southern drove 57 yards for the go ahead score, climaxed by a nine yard TD slant by fullback Charlie Moore. John

Clayton kicked the point to give Southern a 14-8 halftime lead that was never relinquished.

Robert Holmes ran for a two yard score and Clayton converted to increase the Jaguars lead to 21-8. A tackle eligible play that found huge 270 pound Edward Mitchell on the scoring end of a seven yard run. Clayton was true again with his point after placement, making the count 28-8.

Jaguar halfback James Little reeled off 21 yards to climax a 43 yard drive to score, and Clayton made it four for four with his boots through the goal posts as Southern's lead went to 34-8.

In the first downs department, Southern bested Dillard, 19-11. Rolling on the turf, the Jaguars grinded out 328 yards to the Blue Devils' 43. Dillard was the best via the air waves, gaining 104 yards to Southern's 50. For the total offense Southern had 378 yards while Dillard netted 147.

Air-minded Dillard tossed the ball 39 times and connected on 16 passes, while the Cats triggered 15 air flips and completed on five aeriels. Each had two intercepted.

The Jaguars were hit for 105 yards on penalties while the Blue Devils got set back for ten yards.

Memphian Makes 'Who's Who' At Kansas School

Arli Williams, son of Mr. and Mrs. Arthur Williams of 1621 S. Lauderdale St., is one of 15 students named to "Who's Who Among Students in American Universities and Colleges" at St. Benedict's College at Atchison, Kans.

In a letter to his parents, Father Alcuin Hemmen, president of the college, said "The criteria for this distinction include present Catholic leadership and promise of future leadership, as well as satisfactory academic performance."

"Arli's ability to influence others in constructive action in various clubs won for him the deciding votes of the faculty nominating committee. All of us at the college hope that he will continue to be a constructive Christian influence not only here on the campus, but wherever he is..."

Mr. Williams, a 1962 gradu-

ate of Father Bertrand High school, was one of four juniors picked for the honor.

He is majoring in economics and minoring in philosophy, is vice president of the student body and chairman of the student Senate.

Since coming to St. Benedict's, he has played intramural football, basketball and softball and maintained 1.98 scholastic quotient.

LeMOYNE STAR SIDELINED

LeMoyné cage mentor Jerry Johnson must have been very pleased with the way his Mad Magicians performed last Saturday night in outscoring Alabama State College 85-77 on the Bruce Hall floor. Coach Johnson had to send his Purple Waves against the Hornets from Montgomery without last year's leading scorer, Monroe Curran, and a starting five that included only one regular.

Curran, scholastically eligible in the Southern Intercollegiate Conference, was declared deficient in his studies at LeMoyné and placed on probation. The speedy Halls, Tennessee senior can return to action in the second semester if his deficiencies are cleared up.

Despite a 54-40 halftime lead, LeMoyné's inexperience was evident down the stretch, when Alabama got within eight points of the Magicians. Veteran James Gordon, a sturdy performer the past three seasons, headed the point producers with 17 to help mates successfully open the hoop campaign. Another bright spot in the LeMoyné victory was the balanced scoring that found the entire line hitting in double figures. Following Gordon in the scoring were George Fed 15, Jimmy Charlton 14, James Sandridge 12, and Paul Lowery with 13 rounding out the quintet.

FISK BULLDOGS INVADE

Tonight (Wednesday) Fisk moves into Bruce Hall to touch off a grueling three games that the Magicians will have to play back to back, culminating Friday night at Huntsville with Alabama A & M. Sandwiched between those struggles is a return contest with Alabama State. Fisk is a big local favorite and numbers many prominent Memphians among its alumni. However, Bluff Citizens certainly hope that should LeMoyné duplicate its triumph posted here a year ago the defeat won't be so bitter as to cause Coach "Bus" Thompson to pick up his marbles and go home before time expires.

ARKANSAS WINS TOURNAMENT

Flashy hot shooting James "Red" Allen, who rewrote the record books at Arkansas State A & M before graduating this past spring, is certainly missed by fans thrilled over his scoring antics but the Golden Lions still have that winning form. Arkansas had to rely on a strong board game last Saturday night to down Mississippi Valley College 78-70 and take top honors in the MVC Invitational Tournament. Stillman, 131-121 victims in the semi-finals to Arkansas, outtran Prairie View in recording a 104-101 to win in the consolation game.

With Mississippi Valley and the Lions experiencing problems in connecting from the floor, shooting 35 per cent collectively, the rebounding of 6-5 senior Don Richardson and 6-6 sophomore Robert Allen proved to be the difference. Richardson snared 25 rebounds with Allen hauling in 23.

After a nip-and-tuck battle for the first eight minutes the Lions took charge shortly afterwards and the 15-13 margin held at 12:45 was the closest the Delta Devils came to overtaking A & M. Arkansas hiked its lead to 38-23 at the half. The Devils seemed to catch fire after being behind early in the third quarter by 15 points. The hot hands of Eddie Underwood and James Robinson pulled MVC within five points with six minutes remaining.

At this point Allen and Richardson grabbed key rebounds off the defensive backboard. Harold, the brother to the departed James but no relation to Robert Allen, pumped in a basket a piece to break the Mississippi Valley rally. With the final margin established, the two teams traded buckets the rest of the way. The Allen boys, Robert with 23 and Harold notching 21, led the Lions' attack. Harold Blevins, one of the top floor generals in the Southwest Conference at guard, netted 15 after a torrid 45 against Stillman on opening night. Scoring honors went to Underwood with 25 while Robinson pitched in 22 for the Delta Devils.

Jewel Reed, former Melrose scoring ace and junior college transfer, played for Stillman

Hampton's 'Spider' Smith To NAIA All-America Team

HAMPTON, INSTITUTE, Va. — Frank "Spider" Smith, a shortstop for the Hampton Institute baseball team has been named to the N.A.I.A. All-American baseball squad for 1964.

Smith, a Sophomore the 1964 batting championship, according to statistics released by the National Association of Intercollegiate Athletics.

The Pirate shortstop collected 38 hits in 70 times at the plate for a .543 average for 18 games. He also scored 14 runs, drove in 22 runs and stole 22 bases. Smith, surprised by his selection, was a high school standout at Morris High, New York City, reaping repeated schoolboy honors. On graduation from high school Smith was approached by "at least nine" major league organizations. The scrappy pirate field general was influenced by his mother to turn the offers down in order to pursue a college education.

A former president of the New York Chapter of the Hampton Alumni Association, Attorney Isaac McNatt encouraged the likable youngster to enroll in Hampton. McNatt had to do some fancy talking to win over interested colleges, among them, Inter-American University in Puerto Rico and Wake Forest.

Smith, well aware that four years of college will depreciate his original major league value, says, "I'm happy to have the chance to pursue a college education at a school that I've always wanted to attend."

The fleet footed 6' 170 pounder still harbors aspirations of a professional baseball career after graduation.

One pro scout stated, "The youngster has more potential than I've seen in the New York

batting wizard," captured

area in a long time."

"I hope to polish up on my fielding this year to become a really complete ballplayer," says Smith.

The likable New Yorker, who was guilty of several fielding miscues last year has been an otherwise potentially speculating both indoor and outdoors to correct some flaws in tactical career.

LAKERS OUTLAST 76ERS, 109-104

MINNEAPOLIS, Minn. — (UPI) — The Los Angeles one-two punch of Jerry West and Elgin Baylor powered the Lakers to a 109-104 neutral court victory over the Philadelphia 76'ers in a National Basketball Association game.

Playing before a capacity charity crowd of 8,007 in their former home city, the Lakers posted their 16th victory against eight defeats with a second-quarter outburst.

Down 24-19 at the end of the first quarter, Los Angeles outscored the 76'ers 32-14 in the second period for a 51-38 halftime margin.

The Lakers led by 19 points at one point in the third period and then fought off a Philadelphia counter-attack which narrowed the gap to one point on two occasions in the final minute. Two free throws by West and a layup by Rudy La Russo pulled Los Angeles out of danger.

The Annual Charity Ball will be held December 30, in the Bruce Hall Gymnasium, and will be climaxed with the crowning of Miss Co-Ette of 1965, by last year's queen Miss Sheila Grant.
