Wednesday Big Trade Day In Fulton

Merchants Prepared To Take Care Of Every Need With Bargains Galore.

EVERYDAY RETURNED HOME.

Wednesday marks the first big trade day of the season experienced in the local business community, bringing a rush of business for the merchants and optimism for the economy. In the stores, the shelves were full and the aisles crowded with people shopping for necessities and novelties alike.

LARGE EXCAVATING SHOVEL BARGAINS.

The large excavating shovel sales have started, with fantastic bargains being offered. The stores filled with seasonable merchandise and interest in it was evident, but many of those who are interested in this type of machinery will not get their hands on it unless they act now. The merchants are expecting their customers to take advantage of these bargains and fill every nook and cranny of their stores with the latest and most desirable items.

Many of the stores had countermen present to aid in the sale of these big machines. Outside the stores, the stores filled with seasonable merchandise and interest in it was evident, but many of those who are interested in this type of machinery will not get their hands on it unless they act now. The merchants are expecting their customers to take advantage of these bargains and fill every nook and cranny of their stores with the latest and most desirable items.

RAILROAD NEWS.

The latest news from the Railroad News is that the new line will be ready for use in the near future. This line is expected to bring a great deal of improvement to the city and to encourage business in the area. There are many excellent prospects for this line and it is expected to be a great asset to the city.

There is a great deal of interest in the new line and many people are looking forward to its completion. It is expected that the line will be ready for use in the near future and it is hoped that it will bring a great deal of improvement to the city and to encourage business in the area.

TRADE DAYS MAKE A DIFFERENCE IN BUSINESS.

Trade Days make a difference in the number of people in town, and while the present campaign has not been as successful as it was last year, it is hoped that more people will be able to participate in the downtown events. The merchants are hoping to see an increase in trade and to encourage more people to come to town and shop.

The weather was pleasant, with the sun shining brightly and the air fresh and crisp. There were many people out and about, enjoying the day and taking advantage of the opportunities available.

The merchants are hoping to see an increase in trade and to encourage more people to come to town and shop. They are hoping that the downtown events will be a success and that the weather will continue to be pleasant.
