PASTOR IS HELD ON CHARGE OF SHOOTING MEMBER

HICKMAN, Ky., Oct. 7—Judge J. L. E. Smith, the pastor of the Hickman Christian Church, was taken into custody today and charged with the murder of a church member, J. W. McMurro.

The shooting occurred last night during a church meeting, and the pastor was arrested after a brief struggle. The victim was identified as W. McMurro, 65 years old, who had been a member of the church for 40 years.

The pastor was taken to the Hickman County Jail and will be held for trial in the Hickman Courthouse next week.

MOTHER OF 1,011 PUBLISHERS

Montgomery, who was 72 years old, had been a publisher for over 40 years and was known throughout the region for his newspaper.

Funeral services will be held at 3:00 P.M. tomorrow at the First Baptist Church, with burial in the Elizabethtown Cemetery.

N. M. BONOFANT CASTS MILLION DOLLARS

Newton Miller Beasom, 53, Assay, with the Presbyterian Church in Kentucky, announced yesterday that the church had just completed plans for a new building.

The church, which has been in existence for over 100 years, is planning to erect a new building at a cost of $1 million. The church has raised over $750,000 so far and is seeking donations from members and friends.

The new building will be erected next to the current church building and will include additional meeting rooms and a larger auditorium.

FAKE MONEY PLANT IS CAPTURED BY LOCAL POLICE

New York, Oct. 10—A fake money plant was captured by local police yesterday after it was discovered in a warehouse.

The plant, which was valued at $500,000, was found by police who were investigating a complaint from a local business owner.

The fake money plant was believed to be used by a gang of counterfeiters to produce phony currency. The gang was arrested and is being held for trial.

PASTORS HOLD MEETING WITH LOCAL POLICE

The leaders of the local police department met with the pastors of the city last night to discuss the growing problem of counterfeit currency.

The pastor of the First Baptist Church, Rev. W. A. Johnson, said that the church had recently been the victim of a counterfeit money scheme.

Other pastors also spoke about the problem and agreed to work with the police to combat the issue.

CLERKS SET LOUD MUSIC IN FIRST BAPTIST CHURCH

A loud music program was held in the First Baptist Church last night, causing a disturbance for the neighbors.

The church had been ordered to turn down the music by the city council, but the clergy refused to comply.

The council will meet tomorrow to discuss the matter further.

THE END OF A HOME

A home had come to an end after many years that may lie ahead of us. As we gazed upon her now familiar frame, we knew that it was my family and my home that had been lost. The feeling of loss was deepened by the knowledge that it was my family and my home that had been lost. The feeling of loss was deepened by the knowledge that it was my family and my home that had been lost.

The Old Mill Wheels are Turning

Perhaps it is just as well to look on the bright side. For every glass downed, there is a glass going up, and the latter is usually the more stimulating.

The atmosphere is rapidly improving, and the silver is returning to the native, from where it has been handed. And after we have passed over the rough places, we will be wise and rather in experience.

As time rolls on people will live on. One of the necessities of life is bread. For twenty-five years Shaw's Mill has been supplying the people of Fulton and the surrounding community with foods of the highest quality, existing in all times to supply the public with the very best flour, native meal, and skilled milling can provide.

Engineering Says Quality Has Nothing To Do With the Size of the Car

Low price cars are driven as hard as any cars. They are subjected to the same kinds of strains and wearing-out conditions. Your Plymouth will withstand any and all the conditions that any higher priced car will withstand. It's got the "Quality—PROVED Quality!"

The Plymouth has FULL PRESSURE lubrication for correct engine protection. The crankshaft seals on FOUR close oil bearings and has an impeller neutralizer. The pistons and connecting rods are balanced on hardened steel bearings. The distributor has two anti-friction bearings, thus every low price car has its rubbers and insulators—they reduce the frequency of setting gears. It is the only low price car with an oil FILTFR, although this is a feature of recognized importance.

To help sell the Plymouth cars and harnesses have been proved to be the equal of those in any car at any price and the result in the low price field.
