ED BENNETT PASSES AWAY

The sad news of Mr. Bennett's passing has been received with much sorrow by all who knew him.

Mr. Bennett was 60 years of age and widely known in this district for his kind and helpful nature. He was a member of the Methodist church and a devoted follower of Christ.

In the home which he presided over so faithfully, his spirit lives on. His memory will be cherished by his family and friends.

The funeral service was held at the Methodist church in Fulton, conducted by the Rev. R. Walker. The remains were carried to the cemetery by Mr. Bennett's brother, Ben Bennett, of Water Valley, Texas.

Besides a devoted wife, he leaves one daughter, Mrs. Doc Boyd of Fulton, and three brothers, Ben Bennett of Water Valley, Sam Bennett of Dal, and Charlie Bennett of Dal. He also leaves one sister, Mrs. Doc Boyd of Fulton.

The funeral arrangements were taken care of by Mr. R. Beadles, P. M., of near Water Valley.

Mr. Bennett was a kind and generous man who never hesitated to help his neighbors in need. His loss is felt by all who knew him. He will be missed by many.

We extend our deepest sympathy to the family of Mr. Bennett.

Farmers Marketing Their Corn Crop

Thousands of Bushels sold to Borden, McCormack

Farmers had a free market for their corn in Fulton. Several firms were interested in buying this year's corn crop, which was purchased by the Borden McCormack Company at the highest market price for fair, solid corn. No such demand has been made for corn in, ten years. While many buyers were not as active as in the past. This has been a good business for gathering corn and many farmers are making big profits now. The market is brightening every day, and corn is being sold at the highest prices in years. The corn has been held back and not sold. The corn has been in demand, but there is no rush.

IS NOW READY TO MAKE EVERYONE HAPPY IN THEIR GIFT SHOPPING

More than ever this year, Christmas shopping is best done early—No, we are not “talking” Christmas gift shopping a day too soon. November is here, and when we are into November, time flies. Christmas arrives almost before we know it. There is another and more important reason, however, why your gift shopping should be done early this year. Gift merchandise isn’t by any means easy to procure. Though our first stocks are fine, large and wonderfully complete, this promises to be a most trying season to replenish lines of goods that “break” under the stress of gift shopping in rush days. You’ll serve Santa Claus a splendid turn now by starting your gift shopping early this year. And early selections among our fine Christmas stocks are decidedly worth having.

You’ll find the store alive with new interest, new vigor and a new enthusiasm of service.
