ROBISON IS SOLE WINNER FOR GOP IN COMMONWEALTH

DIETZMAN'S APPARENT DEFEAT TAKES LAST REPUBLICAN FROM APPELLATE BENCH

Kentucky voters elected eight Democratic Congressmen in a New Deal victory that left only the Ninth, traditional Republican stronghold, in the hands of the Republican Party, and saw every seat on the Appellate branch become Democratic.

The First, Second, Fourth, Fifth and Sixth Congressional Districts, as everyone expected, went Democratic. The Ninth, equally certain to go Republican on pre-election forecasts, did so. In the Third and Seventh, in line with Democratic claims and the opinion of political observers, went Democratic.

The sweep took Richard Priest Dietzman, Republican incumbent of the Court of Appeals, to sweeping defeat at the hands of James Stites, Democrat, who was elected to the Democratic delegation. He defeated Frank M. Drake, Republican nominee from the Louisville District.

May Defeat Roney

A. J. (Jack) May, who wrested the Republican Tenth District from Republicans in 1930, and won again in 1932 on the State-at-large ticket, carried his section again today. He will represent the new Seventh District, into which the old Tenth was reorganized.

W. Voris Gregory, Mayfield, easily defeated John Taylor, Republican, in the First District, Glover Gary, incumbent Democrat, was without Republican opposition in the Second. Cap. R. Carlen, incumbent Democrat, won in the Fourth. Brent Spense, incumbent, held the Fifth District Democratic.

Virgil Chapman, incumbent Democrat, won in the Sixth. In the Eighth, Fred M. Vinson was an easy winner for the Democrats.

Judge Gus Thomas, Mayfield, was re-elected without opposition to the Court of Appeal in the First Appellate District. In the Second Appellate, Judge W. Vick Perry, Russellville, won without opposition. The Sixth Appellate District went to the Democrats with the reelection of Judge William H. Rees.

For the first time in many years the Court of Appeals, after January 1, will have a solid Democratic representation. Four years ago the political division in the court was five Democrats and three Republicans. Republican representation slumped to one member, Judge Dietzman, in the 1932 Roosevelt landslide.

THE WEATHER GUESS

KENTUCKY AND TENNESSEE: Colder tonight, Friday fair.

The Listening Post

(By Gladys Chowning)

I HAVE before me an old ledger belonging to the late Dr. W. H. Luten, grand father of Dr. Horace Luten. The ledger bears the dates of 1851-55, and some of the writing is nearly obliterated. Big smudges of ink appear and little pieces of tissue paper fall out from between the leaves as I turn the pages; they had no blotters in those days, and tissue paper was used to take their place.

Dr. LUTEN, lived at Pleasant Ridge, which is Moscow, Kentucky, now, and Fulton was not even heard of, nor Fulton County; this territory was all Hickman County with Clinton the county seat. The book contains the things purchased and sold by him, money loaned, and everything of a business nature was recorded therein. Dr. Luten was a great money-lender, as they called them in those days, tho' I can't figure out why, as he charged no interest whatever; the only record they kept of money borrowed was a sort of I. O. U. placed in the family ledger; few notes were given, no collateral put up, and most loans did not go through a bank.

THERE ARE those of us who kick about high taxes; well, back in those days, according to his list of taxes for 1851, the tax rates were just about parallel with our rates of today. Dr. Luten owned 1120 acres of land, which he had listed in his ledger; a number of slaves are valued at from \$4.00 to \$8.00; a record of each child born to his slaves was kept in the book. Calico sold for 36 cents a yard; gingham for 35 cts. "Jeans," a popular cloth used in making men's clothing, sold for 75 cts; domestic for 30c. Wheat sold for a dollar a bushel, apples \$1.30 a barrel. A barrel of extra cost \$3.50, a pair of "best" shoes \$1.25. Mules cost from \$75.00 to \$100.00 a head, horses around \$100.00 a head. Sheep sold for \$1.00 a head.

DR. LUTEN'S charge for attendance at the birth of a child was from \$7.50 to \$10.00 per child. On one occasion, when he arrived "after it was all over with" he only charged \$2.50. He made trip to patients for 50 cts and up. On May 14, 1859, he records a boy born at 6 1-4 a. m. Guess that was by the old clock. Another one came at 12 1-2 p. m.

A CITIZEN of Clinton, a truck driver, in Fulton yesterday afternoon told a citizen of Fulton, who told me, and son on, that a riot broke out in the CCC camp at Clinton yesterday, which resulted in the negro members of the camp fleeing to Clinton. The sheriff and deputies were called to quell the riot, but the colored boys have not been seen since. It seems there had been trouble between the white boys and the black ones for some time, so in the absence of the Captain and other officers, a battle with bricks, clubs, etc., was staged, and now the camp is minus its colored members. This is how it was told to me by the citizen of Fulton who got it from the truck driver from Clinton.

"PANAMA LIMITED" TO START RUN DEC. 2.

NEW SCHEDULE FOR L. C. TRAIN ANNOUNCED

With even its locomotive modernized and beautified, the Illinois Central's "Panama Limited" will begin its new schedule between New Orleans and Chicago, through Fulton, on Dec. 2, George R. Kimbel, assistant passenger agent, said yesterday.

The new train is air cooled throughout, consisting entirely of Pullmans with club, observation and dining cars. The train will leave Chicago at 1 p. m. Dec. 2,

ECONOMICS MAY RULE SESSION OF NEW CONGRESS

SWEEPING DEMOCRATIC VICTORY EXPECTED TO OBLITERATE PARTY LINES

Washington, Nov. 7.—(AP)—A few divisions in Congress along economic rather than party lines, regardless of whether there is a realignment of parties themselves, was foreshadowed by the Democratic sweep in the off-year elections.

With the Senate almost three-fourths Democratic, the aisle which has departed the party seats for many years will be largely obliterated figuratively as well as literally.

The disregard of party lines which marked the voting on so many issues at the last session will, in the opinion of most observers here, become even more apparent in the new Congress.

This will come, many believe, not only because of the unyielding majority on the Democratic side, but because the thin Republican ranks will be made up about half by Senators who have frequently voted with the Administration in the past.

With the party line-up apparently destined to remain about the same in the House, there will not be the noticeable change there that is assured in the Senate. But even in the House there has been a weeding out of some of the outstanding Republican stalwarts and many changes in personnel among the Democrats.

Keen Speakership Contest Seen. Maintenance of the Democratic majority in the House, and therefore of the power of the Speaker, will add zest to the contest for that post, vacated by the death of the late Speaker Rainey. The final verdict in this struggle may well rest with the four score or so new Democrats elected at the polls yesterday.

UNITES FOR MRS. ST. JOHN SET FOR TOMORROW

Thelma Beard-St. John, 17-year-old daughter of Mr. and Mrs. Will Beard of this city, passed away yesterday at the home of her foster-parents on Carr Street after having swallowed a portion of lye. The fatal dose was taken about 2 o'clock, and although physicians were summoned immediately there after, death resulted at 3:30 p. m.

Mrs. St. John was reared since infancy by her foster parents and the sad occurrence is deeply mourned by them and by her friends to whom she had endeared herself. She leaves surviving her one daughter, Katherine, 3 months of age, her husband and parents, Mr. and Mrs. Will Beard.

Funeral service will be held Friday afternoon at 2:30 at the Hornbeak Funeral Home, with the Christian Science Service being used, and burial will take place at Fairview in charge of the Hornbeak Funeral Company.

TWO KNOTT COUNTIES ARE SLAIN IN FEUDS

Freestonsburg, Ky., Nov. 7.—(AP)—Three Knott county men were brought here late last night for safekeeping following the slaying of two men on Buckhorn Creek yesterday afternoon.

Two sons of Ike Combs whose names are unavailable were shot to death in a gun fight with Dan and Ben Noble, brothers, and their uncle Curtis Noble. The Nobles are in jail here.

The Nobles were guarding a stove mill it is reported here and when the Combs brothers came to the mill a quarrel ensued, followed by the shooting. The Nobles claim they fired in self defense.

Officers said they feared retaliation on the part of relatives of the Combs brothers.

BOBBY MATTHEWS TO FIGHT TUESDAY NIGHT

Bobby Matthews, pride of Fulton, will battle Freddie Eiler of Louisville next Tuesday night at Hook's Arena in Paducah. The last time these two rugged fighters met, the decision was close, and even more serious action is promised in this return match. Eiler is fresh from a knockout victory over Earl Taylor, and Matthews recently won an easy decision over Larry Kaufman, of Louisville, in a fight at Mayfield last month. The fight Tuesday night will be full of action and suspense, as both boys are hard-bitten and aggressive. Many fans from Fulton are expected to be at the ringside.

WOMAN BANDIT IS BEING SOUGHT BY MAYFIELD OFFICERS

VICTIM LURED INTO MAYFIELD REST ROOM, STRUCK BY RED-HEADED STRANGER

Mayfield, Ky., Nov. 7.—Officers tonight were searching for a "red-haired" woman bandit who struck Mrs. Luther Seay, 40 years old, on the head and took \$80 from her purse as the two women met in the ladies' rest room at the Court House this afternoon. Mrs. Seay, after being administered medical aid for a head injury, said an unidentified woman met her on the street and told her another woman wished to see her in the women's rest room at the Court House.

Mrs. Seay, who resides east of Mayfield, said she went into the rest room and was struck on the head by a red-headed woman whom she had never seen before. The stranger took Mrs. Seay's purse, removed \$80 from it and tossed it over a partition into another rest room.

Persons summoned to attend Mrs. Seay found the empty purse but were unable to find the instrument the stranger used in striking Mrs. Seay. The injured woman was removed to the Mayfield Hospital.

SINCLAIR CLAIMS MANY VOTES WERE STOLEN

HINTS OF RECALL MOVEMENT AS HE CONCEDES HIS DEFEAT BY REPUBLICAN MERRIAM

San Francisco, Nov. 7.—(AP)—Upton Sinclair's bid for the Governorship of California with his "Epic" plan fell short.

Charging thousands of votes had been "stolen," the former Socialist, who won the Democratic nomination, conceded the victory of his Republican opponent, Acting Governor Frank F. Merriam, early today with a terse hint of a recall movement.

Governor Merriam, Iowa-born farm boy, said his victory was one of "Americanism over radicalism."

Sinclair, author of the widely denounced "End Poverty in California" campaign, retorted "We are going ahead and enforce our program."

Sinclair charged President Roosevelt had promised to broadcast to the nation "on the principle of production for use," a major premise in the "EPIC" plan.

It was the first hint of the discussion which took place between the President and Sinclair at their two-hour talk at Hyde Park. During the campaign he stated, "If President Roosevelt makes a statement on certain public policies, then I feel I will be elected governor of California."

Carrying 52 out of California's 58 counties by majorities ranging as high as 2 to 1 and upward, Merriam jumped into the lead as the tabulation of ballots began and gradually increased his majority.

DEMOCRATS BREAK UP GOP PENNSYLVANIA RULE

PARTY TOPPLES REPUBLICANS FROM NATIONAL AND LOCAL OFFICES IN LANDSLIDE

Philadelphia, Nov. 7.—A smashing New Deal victory straight down the ticket completed the rout to night of Republicans from control of their Keystone State for the first time in more than a half century.

On top of a stunning defeat of the stalwart Senator David A. Reed, Republicans were toppled from the governorship, other state offices, several congressional seats and control of the state House of Representatives.

Reed, unrelenting critic of the New Deal, conceded the victory of Joseph F. Guffey, who helped swing the 1932 Democratic convention to Roosevelt.

The jovial Pittsburgh oil man, who called the president "God's inspired servant," has rolled up a lead of 119,894 over Reed in almost complete unofficial returns.

First In 60 Years

Guffey will be the first Democrat Pennsylvania has sent to the Senate in 60 years.

At the same time, Democrats will take over the state government for the first time in 40 years, as George H. Earle, who resigned as minister to Austria to become the Democratic candidate, will succeed Gifford Pinchot, the independent Republican, as governor. Earle defeated William A. Schneider, Pinchot's attorney general, by about 57,000, uncompleted figures show.

PAIR HELD FOR ROBBERY TO FIGHT EXTRADITION

Louisville, Ky., Nov. 6.—(AP)—Frank English and his wife Mrs. Geneva English, will know tomorrow whether they will be turned over to South Carolina authorities on charges of participating in the \$114,800 robbery of the Palmetto State bank.

A hearing on their extradition will be held in circuit court. Both refused to waive extradition in police court today after the requisition for the prisoners' return to South Carolina had been signed by Gov. Ruby Laffoon.

Other state charges against English are five of bank robbery, and one each of murder, escape and vagrancy.

"WHITE HIBISCUS IS NOT LIKE- LY TO TESTIFY AT TRIAL

Woodland, Calif., Nov. 7.—(AP)—Likelihood of the "White Hibiscus," over whose love Lamar Hollingshead was slain, testifying in the murder trial of Judson C. Duke, dwindled today as process servers failed to find her.

The state had until court opens to locate Helen Louise Duke, wife of the defendant, whose illicit romance with the young student-poet led to his death on a ranch near here last July '26.

District Attorney Chester C. McDonald said he would open final arguments if she is not found. The case probably will go to the jury of eight men and four women Thursday morning.

F. D. R. IS PLEASED

Hyde Park, N. Y., Nov. 6.—(AP)—President Roosevelt learned with pleasure tonight that his home precinct had gone Democratic for the fourth time in history. It gave Governor Lehman 453 votes against 378 for Robert Moses, Republican.

ROEBLES SNATCH ARREST IS MADE BY U. S. AGENTS

DANCE HALL OPERATOR TAKEN IN CUSTODY FOR RANSOM DEMANDS IN KIDNAPING

Phoenix, Ariz., Nov. 7.—(AP)—A frightened night club operator was produced suddenly by Department of Justice agents here today as a suspect in the long unsolved kidnaping of little June Robles.

Out of a clear sky, three Federal operatives appeared with Oscar H. Robson, former schoolmate of the 6 year old girl's father, and arraigned him on a charge of sending through the mails the \$15,000 ransom demand which precipitated one of the most dramatic man-hunts in Arizona's history.

Robson previously had been among the suspects originally questioned in the case, but little June, who was found safe but emaciated in an iron grave in the desert, had been unable to identify him.

How the spotlight of suspicion finally swung again to the Tucson dance hall operator remained undisclosed, but the Federal operatives asserted the writing in the ransom note corresponded with the mysterious letter to Gov. B. B. Moore that led to the finding of June's tomlike prison.

In cowboy hat and blue shirt, the suspect was led from jail here and taken before a United States commissioner who held him in \$50,000 bail on an extorting charge. Then he was hustled back behind the bars while the officers considered bringing June to Phoenix from Tucson in another effort to identify him.

Robson's mother, in Tucson, scene of the abduction last April 25, emphatically asserted he had no connection with the case.

Mrs. Robson said her son and his sister were in Phoenix the day of the kidnaping and went to Los Angeles soon thereafter. She said several persons could confirm this.

GRACE MOORE, ILL. COLLAPSE AFTER PROGRAM IN OMAHA

Omaha, Neb., Nov. 7.—(AP)—Ill and running a fever, of 101 Grace Moore, opera singer and film actress, appeared last night with the Metropolitan quartet against her physician's advice, but capitulated after her program.

She said she would not make scheduled 10 appearances in the next two weeks and would go to New York to enter a nursing home. Miss Moore's physician said she was suffering from an acute attack of indigestion, a severe chest cold, and was in a "state of exhaustion" from overwork.

VAUGHN WAIVES HEARING

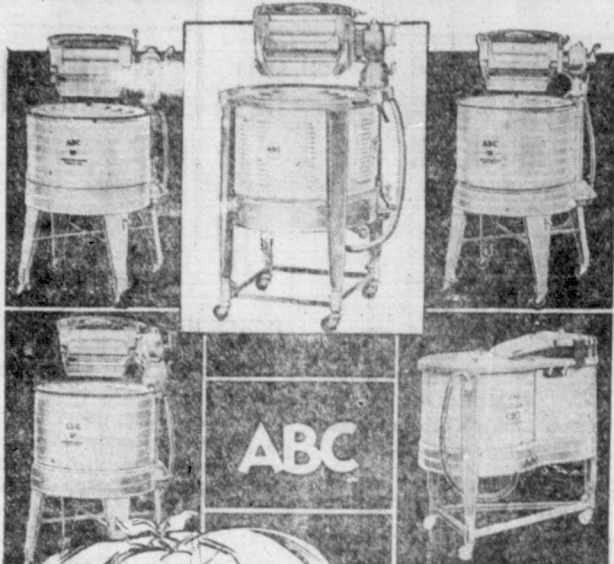

Mayfield, Ky., Nov. 7.—(Sp.)—Delmer Vaughn waived examining trial in county court today on a charge of malicious shooting with intent to kill. The complaining witness is his brother, Robert Vaughn. They reside in the Doug section. It is charged that on Tuesday, during a dispute between them, Delmer Vaughn, seized a double-barrelled shotgun and fired at his brother Robert. The shot struck him in the ear, throat and in the upper part of his body. None of the wounds was serious.

COMMENT

WOULD YOU TRY TO EXTINGUISH A MATCH IN GASOLINE

It is a well-known fact that a flaming match can sometimes be extinguished by plunging it in gasoline—but few of us would try the trick. In most cases, the gasoline fumes above the liquid would explode and obsequies might be said for the match-holder.

It is likewise true that, no matter how careless we may be in regard to fire hazards, there is still a good chance we might not sustain a fire. And millions of us willfully run the risk. Inasmuch as there is only one chance in a hundred or so of our property being destroyed, we let hazards continue or increase. When we do that we belong in exactly the same category as one who tries to extinguish a match in gasoline. The difference is simply one of degree, not of classification.

In the last year for which complete statistics are available, chance taking with fire caused an economic loss of over \$400,000,000—and, of vastly greater importance, a loss of life of around 10,000. Because we were careless with matches, \$20,000,000 of property went up in smoke. Because we let stoves, furnaces and boilers deteriorate to

a dangerous condition, \$18,000,000 was destroyed. Because we misused one of the most valuable of man's servants, electricity, \$15,000,000 was reduced to ashes. And so it goes, throughout a long list of hazards.

These figures tell only the least of the story. They represent only direct loss. Indirect loss, such as unemployment, loss of business, destruction of taxable property, and so on, amounts to several times as much.

Fire waste is a black mark on the record of American civilization. More than eighty per cent of fires are preventable—they occur because someone is careless or ignorant—because, figuratively speaking, someone tries to put out a match in gasoline.

more than 12,000 American newspapers, large and small, in which it asked editors to report on the state of public opinion in their localities on a number of questions of national interest. Answers were returned by editors of 5,050 newspapers with a gross circulation of 24,843,677.

The Board has published an advance summary of the survey, affording an exceptional cross-section of present day public thought. An overwhelming majority of the editors said that the people in their localities were opposed to government price-fixing of both farm and factory prices. Eighty-nine per cent were opposed to increasing the national debt, 94 per cent were against government com-

petition with industry, and 74 per cent opposed the redistribution of wealth by taxation. A majority of the public, according to the editors, favored government fixing of minimum wages and hours, and compulsory old-age pensions.

The Board also asked editors to tell what factors would, in their judgment, contribute most to increasing business confidence. Seventy-two per cent favored decreasing government control of business; 71 per cent mentioned decreasing government expenditures; 66 per cent asked for a stabilized currency, and 70 per cent favored a balanced budget.

Grace Moore, "One Night of Love"
A Columbia Picture

A glamorous new star has stepped into the cinema heavens. A golden-haired, golden-voiced beauty with a personality of vibrant charm and dramatic power. She is Grace Moore, stage star, musical comedy star and concert artist, who has scored her most sensational triumph to date in the starring role of Columbia's musical romantic-drama, "One Night of Love," opening today at the Orpheum theatre for a two day engagement. The film has been hailed as "great entertainment" by an enthusiastic press which holds Miss Moore no little responsible for its remarkable success.

The temporary relief children find from acute colds with this authority may cause lung attack and even serious irritation in the kidneys. A properly prepared liquid laxative brings a more natural movement. There is no discomfort at the time and no weakness after. You don't have to give the child "a hard dose" a day or two later.

Can't you find a safe, reliable, in children? "Yes," say mothers. "Yes," say nurses. Who has followed this and made a good thing? 1. Select a good liquid laxative. Give the dose you need, until the system is gradually retrained. If repeated, until the bowels are moving naturally without effort.

An approved liquid laxative that is widely used for children is Dr. Caldwell's Syrup Pepsin. Its mild laxative action of this compound preparation is the best form of treatment for children—and grown-ups too. The dose can be regulated for age or need.

IS THIS PICTURE TOO GOOD FOR FULTON?

There can be no criticism of a picture of the uniformly high excellence of ONE NIGHT OF LOVE, other than that it may be TOO good. Public taste being what it is, a delicate theme such as this—directed, written and produced with due regard to delicacies and nuances—may be completely over the heads of the average audience.

Facsimile excerpt from a review of "One Night of Love," in a Hollywood film journal.

A Hollywood reviewer has rushed into print with the opinion that "One Night of Love" may be "too good for the average audience." By the "average audience" he means YOU, and YOU and ME!

Speaking for the Citizens of Fulton, I resent this implied slur on our intelligence!

Who is this alleged "expert" to take such a superior and condescending attitude. What right has he to assume that he is the only one who can enjoy fine pictures?

I know the citizens of Fulton—and I know there is no body of men and women in the country who are so quick to appreciate and so eager to acclaim the finer things of the screen.

I know they're going to make this high-and-mighty "expert" eat his words as far as Fulton is concerned.

In spite of this critic's "warning," we are going to put "One Night of Love" on at Warner's Orpheum Theatre, starting today for two days—and unless I am greatly mistaken in my judgment, the public of this city is going to flock to see this superb musical romance, and acclaim it as highly as did the audiences of New York, Chicago, Memphis, Louisville, and other large cities during its brilliant run!

(Signed) BURGESS WATSON, Warner Bros. Orpheum Theatre.

\$9,000,000 IN BONDS VOTED BY MEMPHIS TO BUY TVA PLANT
Memphis, Nov. 6 (AP)—Memphians today voted overwhelmingly to allow the city to issue bonds up to \$9,000,000 to acquire a distributing plant for TVA electric power.

Out of 91 precincts in the city, the first 35 to report showed 11,899 in favor of the bond issue and only 776 against it.

The special election was authorized recently in a city ordinance, and immediately Rep. E. H. Crump and his powerful Shelby County political organization announced approval of the proposed bond issue.

6 STATES VOTE WET: KANSAS STAYS DRY

Washington, Nov. 7.—(AP)—Traditionally arid Kansas clung to prohibition in Tuesday's elections, which saw six other States apparently vote for repeal.

West Virginia and Florida voted wet by sizable majorities, Nebraska, South Dakota, Wyoming and Idaho appeared to be headed for a restoration of legal liquor.

GIRL 16 DAYS OLD SURVIVE OPERATIONS

Memphis, Nov. 7.—(AP)—Patricia Ann Womble, 16 days old, wept home from the hospital today, apparently well on the way to recovery from a double operation performed when she was 20 minutes old.

Patricia Ann daughter of Mr. and Mrs. D. O. Womble, survived operations for the removal of her appendix and the righting of misplaced abdominal organs.
