A FLEET TO THE WHITE HOUSE.

Aon, July 14.—The news of the arrival of the fleet to the White House, which was expected yesterday, has been confirmed. The fleet will remain here until the end of the week. The President is expected to return to Washington today.

THE EAST OF HIS POLITICAL POWER.

The President's political power is now at its lowest ebb. He has been deserted by many of his old friends, who have turned against him. The President is now in a critical position, and his future is uncertain.

A LILZ TO THE WHITE HOUSE.

A lilz to the White House. There is only one thing that can save the President—his two terms. There is hardly a thing about the president's man.

THE SUNNY SOUTH.

Dr. J. J. Reed, of the Sunny South, was in town yesterday. He is a hearty, hardy, and able speaker, and is well known to all who have seen him in this city. He is now preparing a lecture on the "Sunny South," which will be delivered in this city next week.

THE GREEN PEARL.

The Green Pearl, a new invention, is now on the market. It is a great improvement over the old invention, and is sure to sell well.
